CC Critical Course (should be completed during designated academic year)

* Typical credits shown, but will vary with specific course selections; 120 total credits required.

At least 32 of these credits must be courses taken at Purdue and numbered 30000 or higher.

** Depending on language placement and Option selected, requirement might require fewer than 4 semesters to complete, potentially creating opportunities for additional electives to be taken.

*** Assumes Selective and Core requirement will be fulfilled with one appropriately selected course. Requirements can be separated, if student prefers.

**** Includes course option that can cover two or more requirements concurrently.

STS = Science, Technology & Society
