Overview

Like all major institutions of higher learning, Purdue University's Krannert School of Management exists for the discovery, preservation and dissemination of knowledge. That purpose is reflected in a deep commitment to scholarship that inspires both the creation and the critical evaluation of new ideas and insights through the daily interaction of the school's faculty and students in the classroom, laboratory and library.

The school's academic programs are devised to prepare students for lives of active and productive citizenship. To that end, those programs begin with a solid foundation of classwork in the arts, sciences and mathematics intended to develop a rigorous, analytical cast of mind, a wide intellectual curiosity and an appreciation for the breadth and diversity of the means by which we come to understand our world.

Rising out of that foundation in the junior and senior years is a demanding professional education designed to further sharpen the student's analytical and decision-making abilities through exposure to the challenges confronted by the various management functions of finance, production, marketing, human resources, strategic planning, management information systems and related areas. It is this core of analytical, often mathematically based, instruction in the latest principles of management and quantitative methods that is the hallmark of management education at Purdue. In advanced classes, frequent discussion of carefully chosen case studies helps students to gain facility in the application of these principles within a broad range of management contexts.

Finally, students find numerous opportunities to meet and talk with management professionals from a wide variety of companies and firms. This interaction, together with the insights gained in the classroom, is intended to develop an appreciation for, and a sensitivity to, the high standards of professional and ethical conduct that must be maintained by leaders in all fields.

Admissions

Advising

Each student has an assigned academic advisor. Students meet with their advisors at least once a semester. Advisors mentor and coach students in the Launching Business Leaders competencies and portfolio. Advisors are happy to answer questions, refer students to appropriate resources, and help them achieve their goals.

School of Management Administration and Instruction

Management Overview

Management majors mean business. They effectively lead, coordinate and communicate innovative solutions in all aspects of an organization from operations to human resources. They are adaptable leaders with strong roots in analytics, complemented by solid communication skills that help them compete in the business world.

A multi-functional approach to coursework allows you to discover different business areas at the same time like finance, strategy, law and organizational behavior. You’ll refine your critical thinking, communication and analytical skills as you explore these different aspects of business. Students can add concentration areas to focus on specific interests.

Graduate pursue many different job opportunities. Some begin in corporate management rotational programs, as account executives or as project managers. You will find Krannert management graduates in companies like Boeing, General Motors, Amazon.com, and Target Corporation.

About the Economics Program

Welcome to Purdue University's Department of Economics. The Department, located in the Krannert School of Management, has a long tradition of excellence in research and teaching. Economics faculty members are leaders in their respective fields. The Economics Department offers both undergraduate and graduate degree programs. For undergraduates students, the Department offers two Baccalaureate degrees, a Bachelor of Science (BS) degree in Economics through the Management School and a Bachelor of Arts (BA) degree through the College of Liberal Arts. We also offer an Economics Honors Program and a Minor in Economics. For more information on these undergraduate programs, please follow the links under Programs below.

Baccalaureate

Accounting, BS

About the Program

Accounting Accountants help businesses and organizations solve problems and succeed in a rapidly changing, globally competitive environment. Our graduates join a network of Purdue alumni who hold important positions in organizations around the world. For example, Beth Brooke-Marciniak, CPA and Global Vice Chair - Public Policy at EY, has once again been named to the Forbes List of 100 Most Powerful Women. Our graduates place nationally with Big 4 accounting firms, regional public accounting firms, Fortune 1000 companies, consulting firms, small corporations, not-for-profits and government agencies across the U.S. and internationally.

Four Outstanding Programs:

- Our undergraduate accounting major is a 120 credit hour program that provides students with the foundation for successful careers in accounting and business or for graduate study.
- Our Certificate of Advanced Accountancy program adds a 5th year to the undergraduate accounting major and puts students on an educationally sound path to the 150 credit hours needed to take the Uniform CPA exam in most states.
- Our Masters of Science (Accounting) degree is a two-semester, 30 credit hour program that features a flexible curriculum with field consulting opportunities with start-ups and non-profits. Students tailor their coursework to their career goals while becoming CPA-exam ready.
Our Ph.D Program in Accounting prepares students for careers as researchers and teachers. Our graduates have published their research in top accounting journals and are recognized for their rigorous analytical training. While studying at Purdue, accounting students have ample opportunities for professional development and networking through student organizations sponsored by the Accounting Area. The Accounting Area is committed to Purdue's mission of creating and disseminating knowledge. Over the last several years, our faculty members and recent Ph.D. graduates publish their research in top academic journals and present it conferences around the world.

Summary of Program Requirements

The Summary of Program Requirements for Accounting is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.

Bachelor of Science in Management
Major: Accounting
Minimum credit hours: 120

Management Admissions Index Core (MAI)

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 3.00 MAI GPA and a 2.50 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/undergraduate/current-students/mgmt/mgmt-req-upper-div.asp
- MAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three MAI courses may be retaken.
- School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Previous enrollments as a non-School of Management student in MA 16100, MA 16200, MA 16500, MA 16600 do not count against the retake policy.

MAI Core

- ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)
- ENGL 10600 - First-Year Composition *UC* (satisfies Written Communication for core) or
- ENGL 10800 - Accelerated First-Year Composition *UC* (satisfies Written Communication for core)
- MA 16010 - Applied Calculus I *UC* (satisfies Quantitative Reasoning for core)
- MA 16020 - Applied Calculus II *UC* (satisfies Quantitative Reasoning for core)
- MGMT 20000 - Introductory Accounting

School of Management Foundations
• COM 11400 - Fundamentals Of Speech Communication ♦ *UC* (satisfies Oral Communication for core)
• CS 23500 - Introduction To Organizational Computing ♦
• ECON 25200 - Macroeconomics *UC* (satisfies Behavioral/Social Science for core)
• ENGL 42000 - Business Writing
• MGMT 10000 - Introduction To Management (highly recommended, but not required)
• MGMT 20100 - Management Accounting I
• STAT 22500 - Introduction To Probability Models

Accounting Upper Division Required Courses

• MGMT 30100 - Professional Career Management *PU*
• MGMT 30500 - Business Statistics *PU*
• MGMT 31000 - Financial Management *PU*
• MGMT 32400 - Marketing Management *PU*
• MGMT 35000 - Intermediate Accounting I *PU*
• MGMT 35100 - Intermediate Accounting II *PU*
• MGMT 35400 - Legal Foundations Of Business I
• MGMT 36100 - Operations Management *PU*
• MGMT 38200 - Management Information Systems *PU*
• MGMT 45100 - Strategic Management *PU*
• MGMT 50300 - Advanced Accounting *PU*
• MGMT 50400 - Tax Accounting *PU*
• MGMT 50500 - Management Accounting II *PU*
• MGMT 50600 - Auditing *PU*
• OBHR 33000 - Introduction To Organizational Behavior

Professional Elective - Credit Hours: 3.00
Professional Elective - Credit Hours: 3.00

Note

(Professional Electives include any MGMT or ECON class at the 30000 level or higher not including MGMT 30400, MGMT 32300, MGMT 45500, and MGMT 44301)

University Core/Program Course Requirements

• UC Humanities *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00
• UC Humanities *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00
• UC Science *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00
• UC Science *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00
• UC Science, Technology & Society *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00
• PSY 12000 - Elementary Psychology *UC* (satisfies Behavioral/Social Science for core) or
• SOC 10000 - Introductory Sociology *UC* (satisfies Behavioral/Social Science for core)
International Elective - Credit Hours: 3.00

International Electives

Any foreign language course - 20100, 20200, 30100, 30200, 40100, and 40200 not in your native language.

Foreign language course cannot be taught in English

- AGEC 25000 - Economic Geography Of World Food And Resources
- AGEC 34000 - International Economic Development
- AGEC 45000 - International Agricultural Trade
- ANTH 34100 - Culture And Personality
- CLCS 23700 - Gender And Sexuality In Greek And Roman Antiquity
- CLCS 33300
- CLCS 38000 - Alexander The Great and Hellenistic World
- CLCS 38100 - Julius Caesar: Statesman, Soldier, Citizen
- CLCS 38300 - The Roman Empire
- CLCS 48300 - Republican Rome
- COM 22400 - Communicating In The Global Workplace
- COM 30300 - Intercultural Communication
- CSR 33200 - Cross-Cultural Marketing And International Retailing
- HIST 34000 - Modern China
- HIST 34100 - History Of Africa South Of The Sahara
- HIST 34300 - Traditional Japan
- HIST 34400 - History Of Modern Japan
- HIST 40800 - Dictatorship And Democracy: Europe 1919-1945
- PHI 33000
- PHIL 33100
- SOC 33900 - Introduction To The Sociology Of Developing Nations
- POL 13000 - Introduction To International Relations
- POL 14100 - Governments Of The World
- POL 23500 - International Relations Among Rich And Poor Nations
- POL 23700 - Modern Weapons And International Relations
- POL 34500 - West European Democracies In The Post-Industrial Era
- POL 34700 - Introduction To Latin American Politics
- POL 34800 - East Asian Politics
- POL 43000 - Selected Problems In International Relations
- POL 43200 - Selected Problems In World Order
- POL 43300 - International Organization
- POL 43500 - International Law

*You must be in Upper Division to take these classes

- ECON 36800 - Economics And Values
- ECON 37000 - International Trade
- ECON 46600 - International Economics
• MGMT 41500 - International Financial Management
• MGMT 42210 - International Marketing
• MGMT 45900 - International Management
• MGMT 50900 - International Accounting

Electives (Complete Enough Electives to Equal at Least 120 Credits)

University Core Requirements

• Human Cultures Humanities
• Human Cultures Behavioral/Social Science - ECON 25100 - Microeconomics
• Information Literacy - ENGL 10600 - First-Year Composition or
• Information Literacy - ENGL 10800 - Accelerated First-Year Composition
• Science #1
• Science #2
• Science, Technology & Society Selective
• Written Communication - ENGL 10600 - First-Year Composition or
• Written Communication - ENGL 10800 - Accelerated First-Year Composition
• Oral Communication - COM 11400 - Fundamentals Of Speech Communication
• Quantitative Reasoning - MA 16010 - Applied Calculus I or
• Quantitative Reasoning - MA 16020 - Applied Calculus II

General Information

• MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division.
• MGMT 30400, MGMT 32300, MGMT 45500 and MGMT 44301 are no credit courses.
• Transfer credit for upper level MGMT, OBHR and ECON (https://selfservice.mypurdue.purdue.edu/prod/bzwxcrd.p_select_info) courses will only be considered if taken at a 4 year AACSB accredited school,(www.aacsb.edu).
• Courses taken on approved Purdue study abroad programs may be used to satisfy degree requirements. Schedule an appointment with your advisor to discuss study abroad opportunities.
• Minors outside of the School of Management are also available.
• *PU* Course MUST be taken at PURDUE UNIVERSITY CAMPUS.

Program Requirements

Fall 1st Year
- MA 16010 - Applied Calculus I
- ENGL 10600 - First-Year Composition or
  ENGL 10800 - Accelerated First-Year Composition
- MGMT 10000 - Introduction To Management
- UC Science - Credit Hours: 3.00 *
- PSY 12000 - Elementary Psychology or
  SOC 10000 - Introductory Sociology
- General Electives or AP/CR by Exam/TR - Credit Hours: 1.00 - 3.00

15 Credits

Spring 1st Year
- MA 16020 - Applied Calculus II
- COM 11400 - Fundamentals Of Speech Communication
- MGMT 20000 - Introductory Accounting
- UC Science Tech & Society - Credit Hours: 3.00 *
- UC Humanities - Credit Hours: 3.00 *

15 Credits

Fall 2nd Year
- ECON 25100 - Microeconomics
- MGMT 20100 - Management Accounting I
- STAT 22500 - Introduction To Probability Models
- UC Science - Credit Hours: 3.00 *
- UC Humanities - Credit Hours: 3.00 *

15 Credits

Spring 2nd Year
- CS 23500 - Introduction To Organizational Computing
- MGMT 30100 - Professional Career Management
- ECON 25200 - Macroeconomics
- MGMT 35000 - Intermediate Accounting I
• ENGL 42000 - Business Writing
• International Elective - Credit Hours: 3.00

16 Credits

Fall 3rd Year

• MGMT 30500 - Business Statistics
• MGMT 31000 - Financial Management
• MGMT 45100 - Strategic Management
• MGMT 32400 - Marketing Management
• General Elective/Concentration - Credit Hours: 3.00

15 Credits

Spring 3rd Year

• MGMT 35100 - Intermediate Accounting II
• MGMT 35400 - Legal Foundations Of Business I
• MGMT 38200 - Management Information Systems
• OBHR 33000 - Introduction To Organizational Behavior
• General Elective - Credit Hours: 3.00

15 Credits

Fall 4th Year

• MGMT 50300 - Advanced Accounting
• MGMT 50400 - Tax Accounting
• MGMT 36100 - Operations Management
• Professional Elective - Credit Hours: 3.00
• General Elective - Credit Hours: 2.00 - 3.00

14-15 Credits

Spring 4th Year

• MGMT 50500 - Management Accounting II
• MGMT 50600 - Auditing
• Professional Elective - Credit Hours: 3.00
• General Elective - Credit Hours: 3.00
• General Elective - Credit Hours: 3.00

15 Credits

120 Total Credits

Note

◊ Completion prior to admittance to upper division strongly encouraged

*PU* These courses must be taken at a Purdue University campus.

*UC* Fulfills University Core requirement

GRADUATION INDEX REQUIREMENTS
Graduation Index: 2.0 minimum
Major (MGMT, OBHR, ECON) Index: 2.0 minimum

Degree Requirements

The student is ultimately responsible for knowing and completing all degree requirements.

Foreign Language Courses

Foreign Language proficiency requirements vary by program. For acceptable languages and proficiency levels, see your advisor:

American Sign Language, Arabic, Chinese, French, German, (ancient) Greek, Hebrew, Italian, Japanese, Latin, Portuguese, Russian, Spanish

Critical Course

The ♦ course is considered critical. A Critical Course is one that a student must be able to pass to persist and succeed in a particular major.

Expired Course

Any course without a link to its description is one that has been expired. However, this course could fulfill the degree requirement historically.

Economics Honors, BS
About the Program

Welcome to Purdue University's Department of Economics. The Department, located in the Krannert School of Management, has a long tradition of excellence in research and teaching. Economics faculty members are leaders in their respective fields. The Economics Department offers both undergraduate and graduate degree programs. For undergraduates students, the Department offers two Baccalaureate degrees, a Bachelor of Science (BS) degree in Economics through the Management School and a Bachelor of Arts (BA) degree through the College of Liberal Arts. We also offer an Economics Honors Program and a Minor in Economics. For more information on these undergraduate programs, please follow the link on the menu to the left.

Summary of Program Requirements

The Summary of Program Requirements for Economics Honors is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.

Bachelor of Science in Economics
Major: Economics
Minimum credit hours: 120

Economics Admissions Index Core (EAI)

- To be automatically admitted into upper division, students who have completed all courses in the EAI must have at least a 2.75 EAI GPA, have a cumulative GPA of 2.50 or higher, must have a C- or higher in all EAI and ECON courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/academics/economics/Undergraduate/ECON-BS-Major/up-admission-to-upper-division-requirements.php
- EAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three EAI courses may be retaken.
- School of Management, EAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Previous enrollments as a non-School of Management student in MA 16100, MA 16200, MA 16500, MA 16600 do not count against the retake policy.

EAI Core

- COM 11400 - Fundamentals Of Speech Communication *UC* (satisfies Oral Communication for core)
- CS 23500 - Introduction To Organizational Computing
- ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)
- ENGL 10600 - First-Year Composition *UC* (satisfies Written Communication for core) or
- ENGL 10800 - Accelerated First-Year Composition *UC* (satisfies Written Communication for core)
- MA 16010 - Applied Calculus I *UC* (satisfies Quantitative Reasoning for core)
• MA 16020 - Applied Calculus II *UC* (satisfies Quantitative Reasoning for core)

School of Management (Economics) Foundations

• ECON 25200 - Macroeconomics *UC (satisfies Behavioral/Social Science for core)
• ENGL 42000 - Business Writing
• MGMT 10000 - Introduction To Management (highly recommended, but not required)
• STAT 22500 - Introduction To Probability Models

Economics Upper Division Required Courses

• ECON 34000 - Intermediate Microeconomic Theory *PU*
• ECON 35200 - Intermediate Macroeconomics *PU*
• ECON 36000 - Econometrics *PU*
• MGMT 30100 - Professional Career Management *PU*
• MGMT 30500 - Business Statistics *PU*

Economics Electives

Consult with your advisor before signing up for an ECON 49000 course/No more than 3 upper division courses per semester unless at least a 2.75 overall GPA

• Upper Division ECON Elective *PU* - Credit Hour: 3.00
• Upper Division ECON Elective *PU* - Credit Hour: 3.00
• Upper Division ECON Elective *PU* - Credit Hour: 3.00
• Upper Division ECON Elective *PU* - Credit Hour: 3.00
• Upper Division ECON Elective *PU* - Credit Hour: 3.00

Required Concentrations

Select one concentration from Management, Computer Science, Mathematics, Statistics, or Life Sciences

Economics Honors

1. ECON GPA of 3.5 and cumulative GPA of 3.5
2. Previously taken 12 ECON Upper Division credits
3. Senior Honors Thesis: ECON 49900 (may count as an ECON upper division elective) Consideration given to time to graduation

University Core/Program Course Requirements

• Oral Communication - COM 11400 - Fundamentals Of Speech Communication

• Quantitative Reasoning - MA 16010 - Applied Calculus I or
• Quantitative Reasoning - MA 16020 - Applied Calculus II

General Information

• MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division.
• MGMT 30400, MGMT 32300, MGMT 45500 and MGMT 44301 are no credit courses.
• Transfer credit for upper level MGMT, OBHR and ECON (https://selfservice.mypurdue.purdue.edu/prod/bzwxcrd.p_select_info) courses will only be considered if taken at a 4 year AACSB accredited school, (www.aacsb.edu).
• Courses taken on approved Purdue study abroad programs may be used to satisfy degree requirements. Schedule an appointment with your advisor to discuss study abroad opportunities.
Minors outside of the School of Management are also available.

*PU* Course **MUST** be taken at PURDUE UNIVERSITY CAMPUS.

Required Concentrations (select one concentration from below)

- No substitutions of courses are permitted. Students can major or minor in a concentration area.
- Students may take one course at an approved Krannert Study Abroad program to be used toward one concentration course requirement (pre-approval required by Krannert Study Abroad liaison).

Management (Choose 4 courses)

* Students must be admitted to Upper Division in order to take MGMT & OBHR 30000 level courses and above.
* Students pursuing a MGMT concentration must take STAT 22500 and MGMT 30500

- MGMT 20000 - Introductory Accounting
- MGMT 20100 - Management Accounting I
- MGMT 31000 - Financial Management *PU*
- MGMT 32300 - Principles of Marketing *PU* or
- MGMT 32400 - Marketing Management *PU*
- MGMT 35000 - Intermediate Accounting I *PU*
- MGMT 35100 - Intermediate Accounting II *PU*
- MGMT 35400 - Legal Foundations Of Business I or
- MGMT 45500 - Legal Background For Business I
- MGMT 38200 - Management Information Systems *PU*
- MGMT 36100 - Operations Management *PU*
- MGMT 45100 - Strategic Management *PU*
- MGMT 44301 - Management Of Human Resources or
- OBHR 33000 - Introduction To Organizational Behavior

Computer Science (Choose 4 Courses)

* CS 17700 or any CS courses numbered 18000 or above, excluding CS 19000, 19200, CS 19700, and CS 23500

1. Computer Science
2. Computer Science
3. Computer Science
4. Computer Science

Mathematics (Choose 3 courses)

- MA 26100 - Multivariate Calculus
- MA 27100 - Several Variable Calculus
• Any Other 300/400/500 Level MA Course

Linear Algebra

Only one course may be selected (MA 26200 meets only one of the 3 course requirements)

• MA 26200 - Linear Algebra And Differential Equations
• MA 26500 - Linear Algebra
• MA 35100 - Elementary Linear Algebra

Differential Equations

One course may be selected (MA 26200 meets only one of the 3 course requirement)

• MA 26200 - Linear Algebra And Differential Equations
• MA 26600 - Ordinary Differential Equations
• MA 36600 - Ordinary Differential Equations
• MA 30300 - Differential Equations and Partial Differential Equations for Engineering and the Sciences
• MA 30400 - Differential Equations And Analysis Of Nonlinear Systems For Engineering And The Sciences

Statistics (Choose 3 courses)

See myPurdue for Prerequisites

• STAT 41700 - Statistical Theory
• STAT 51100 - Statistical Methods
• STAT 51200 - Applied Regression Analysis
• STAT 52400 - Applied Multivariate Analysis
• STAT 51300 - Statistical Quality Control
• STAT 51400 - Design Of Experiments
• STAT 52200 - Sampling And Survey Techniques

Life Science (Choose 3 Courses)

• Any 3 from Biology (BIOL) courses 30000 or higher
• Any 3 from Pharmacy (PHRM) courses 30000 or higher
• Any 3 from Chemistry (CHM) courses 30000 or higher
• Any 3 from Biochemistry (BCHR) courses 30000 or higher

Program Requirements

Fall 1st Year
• MA 16010 - Applied Calculus I

• ENGL 10600 - First-Year Composition or
  ENGL 10800 - Accelerated First-Year Composition

• MGMT 10000 - Introduction To Management

• PSY 12000 - Elementary Psychology or
  SOC 10000 - Introductory Sociology

• UC Humanities - Credit Hours: 3.00
  General Electives or AP/CR by Exam/TR - Credit Hours: 1.00 - 3.00

15 Credits

Spring 1st Year

• MA 16020 - Applied Calculus II
• COM 11400 - Fundamentals Of Speech Communication
• ECON 25100 - Microeconomics
• UC Humanities - Credit Hours: 3.00
• UC Science - Credit Hours: 3.00

15 Credits

Fall 2nd Year

• STAT 22500 - Introduction To Probability Models
• CS 23500 - Introduction To Organizational Computing
• UC Science - Credit Hours: 3.00
• ENGL 42000 - Business Writing
• International Elective - Credit Hours: 3.00

15 Credits

Spring 2nd Year

• MGMT 30500 - Business Statistics
• MGMT 30100 - Professional Career Management
• ECON 25200 - Macroeconomics
• UC Science Tech Society - Credit Hours: 3.00
• ECON Upper Division - Credit Hours: 3.00
• ECON Concentration - Credit Hours: 3.00

16 Credits

Fall 3rd Year

• ECON 36000 - Econometrics
• ECON 34000 - Intermediate Microeconomic Theory
• General Elective - Credit Hours: 3.00

Economics, BS
About the Program

Welcome to Purdue University’s Department of Economics. The Department, located in the Krannert School of Management, has a long tradition of excellence in research and teaching. Economics faculty members are leaders in their respective fields. The Economics Department offers both undergraduate and graduate degree programs. For undergraduates students, the Department offers two Baccalaureate degrees, a Bachelor of Science (BS) degree in Economics through the Management School and a Bachelor of Arts (BA) degree through the College of Liberal Arts. We also offer an Economics Honors Program and a Minor in Economics.

Summary of Program Requirements

The Summary of Program Requirements for Economics, BS is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.

Bachelor of Science in Economics
Major: Economics
Minimum credit hours: 120

Economics Admissions Index Core (EAI)

- To be automatically admitted into upper division, students who have completed all courses in the EAI must have at least a 2.75 EAI GPA, have a cumulative GPA of 2.50 or higher, must have a C- or higher in all EAI and ECON courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/academics/economics/Undergraduate/ECON-BS-Major/up-admission-to-upper-division-requirements.php
- EAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three EAI courses may be retaken.
- School of Management, EAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Previous enrollments as a non-School of Management student in MA 16100, MA 16200, MA 16500, MA 16600 do not count against the retake policy.

EAI Core

- COM 11400 - Fundamentals Of Speech Communication ◊ UC* (satisfies Oral Communication for core)
- CS 23500 - Introduction To Organizational Computing
- ECON 25100 - Microeconomics UC* (satisfies Behavioral/Social Science for core)
- ENGL 10600 - First-Year Composition UC* (satisfies Written Communication for core) or
- ENGL 10800 - Accelerated First-Year Composition UC* (satisfies Written Communication for core)
- MA 16010 - Applied Calculus I UC* (satisfies Quantitative Reasoning for core)
• MA 16020 - Applied Calculus II *UC* (satisfies Quantitative Reasoning for core)

School of Management (Economics) Foundations

• ECON 25200 - Macroeconomics *UC (satisfies Behavioral/Social Science for core)
• ENGL 42000 - Business Writing
• MGMT 10000 - Introduction To Management (highly recommended, but not required)
• STAT 22500 - Introduction To Probability Models

Economics Upper Division Required Courses

• ECON 34000 - Intermediate Microeconomic Theory *PU*
• ECON 35200 - Intermediate Macroeconomics *PU*
• ECON 36000 - Econometrics *PU*
• MGMT 30100 - Professional Career Management *PU*
• MGMT 30500 - Business Statistics *PU*

Economics Electives

Consult with your advisor before signing up for an ECON 49000 course/No more than 3 upper division courses per semester unless at least a 2.75 overall GPA

• Upper Division ECON Elective *PU* - Credit Hours: 3.00
• Upper Division ECON Elective *PU* - Credit Hours: 3.00
• Upper Division ECON Elective *PU* - Credit Hours: 3.00
• Upper Division ECON Elective *PU* - Credit Hours: 3.00
• Upper Division ECON Elective *PU* - Credit Hours: 3.00

Required Concentrations

Select one concentration from Management, Computer Science, Mathematics, Statistics, or Life Sciences

Economics Honors

1. ECON GPA of 3.5 and cumulative GPA of 3.5
2. Previously taken 12 ECON Upper Division credits
3. Senior Honors Thesis: ECON 49900 (may count as an ECON upper division elective) Consideration given to time to graduation

University Core/Program Course Requirements

• UC Humanities *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00
• UC Humanities *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00

• POL 23700 - Modern Weapons And International Relations
• POL 34500 - West European Democracies In The Post-Industrial Era
• POL 34700 - Introduction To Latin American Politics
• POL 34800 - East Asian Politics
• POL 43000 - Selected Problems In International Relations
• POL 43200 - Selected Problems In World Order
• POL 43300 - International Organization
• POL 43500 - International Law

*You must be in Upper Division to take these classes

• ECON 36800 - Economics And Values
• ECON 37000 - International Trade
• ECON 46600 - International Economics
• MGMT 41500 - International Financial Management
• MGMT 42210 - International Marketing
• MGMT 45900 - International Management
• MGMT 50900 - International Accounting

Electives (Complete Enough Electives to Equal at Least 120 Credits)

University Core Requirements

• Human Cultures Humanities
• Human Cultures Behavioral/Social Science - ECON 25100 - Microeconomics

• Information Literacy - ENGL 10600 - First-Year Composition or
• Information Literacy - ENGL 10800 - Accelerated First-Year Composition

• Science #1
• Science #2
• Science, Technology & Society Selective

• Written Communication - ENGL 10600 - First-Year Composition or
• Written Communication - ENGL 10800 - Accelerated First-Year Composition

• Oral Communication - COM 11400 - Fundamentals Of Speech Communication

• Quantitative Reasoning - MA 16010 - Applied Calculus I or
• Quantitative Reasoning - MA 16020 - Applied Calculus II

General Information

• MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division.
• MGMT 30400, MGMT 32300, MGMT 45500 and MGMT 44301 are no credit courses.
• Transfer credit for upper level MGMT, OBHR and ECON (https://selfservice.mypurdue.purdue.edu/prod/bzwtxcrd.p_select_info) courses will only be considered if taken at a 4 year AACSB accredited school, (www.aacsb.edu).
• Courses taken on approved Purdue study abroad programs may be used to satisfy degree requirements. Schedule an appointment with your advisor to discuss study abroad opportunities.
• Minors outside of the School of Management are also available.
• *PU* Course MUST be taken at PURDUE UNIVERSITY CAMPUS.

Required Concentrations (select one concentration from below)

• No substitutions of courses are permitted. Students can major or minor in a concentration area.
• Students may take one course at an approved Krannert Study Abroad program to be used toward one concentration course requirement (pre-approval required by Krannert Study Abroad liaison).

Management (Choose 4 courses)

* Students must be admitted to Upper Division in order to take MGMT & OBHR 30000 level courses and above.

* Students pursuing a MGMT concentration must take STAT 22500 and MGMT 30500

• MGMT 20000 - Introductory Accounting
• MGMT 20100 - Management Accounting I
• MGMT 31000 - Financial Management *PU*

• MGMT 32300 - Principles Of Marketing *PU* or
• MGMT 32400 - Marketing Management *PU*

• MGMT 35000 - Intermediate Accounting I *PU*
• MGMT 35100 - Intermediate Accounting II *PU*

• MGMT 35400 - Legal Foundations Of Business I or
• MGMT 45500 - Legal Background For Business I

• MGMT 38200 - Management Information Systems *PU*
• MGMT 36100 - Operations Management *PU*
• MGMT 45100 - Strategic Management *PU*

• MGMT 44301 - Management Of Human Resources or
• OBHR 33000 - Introduction To Organizational Behavior

Computer Science (Choose 4 Courses)

* CS 17700 or any CS courses numbered 18000 or above, excluding CS 19000, 19200, CS 19700, and CS 23500

1. Computer Science
2. Computer Science
3. Computer Science
4. Computer Science

Mathematics (Choose 3 courses)
- MA 26100 - Multivariate Calculus
- MA 27100 - Several Variable Calculus
- Any Other 300/400/500 Level MA Course

**Linear Algebra**

Only one course may be selected (MA 26200 meets only one of the 3 course requirements)

- MA 26200 - Linear Algebra And Differential Equations
- MA 26500 - Linear Algebra
- MA 35100 - Elementary Linear Algebra

**Differential Equations**

One course may be selected (MA 26200 meets only one of the 3 course requirement)

- MA 26200 - Linear Algebra And Differential Equations
- MA 26600 - Ordinary Differential Equations
- MA 36600 - Ordinary Differential Equations
- MA 30300 - Differential Equations and Partial Differential Equations for Engineering and the Sciences
- MA 30400 - Differential Equations And Analysis Of Nonlinear Systems For Engineering And The Sciences

**Statistics (Choose 3 courses)**

See myPurdue for Prerequisites

- STAT 41700 - Statistical Theory
- STAT 51100 - Statistical Methods
- STAT 51200 - Applied Regression Analysis
- STAT 52400 - Applied Multivariate Analysis
- STAT 51300 - Statistical Quality Control
- STAT 51400 - Design Of Experiments
- STAT 52200 - Sampling And Survey Techniques

**Life Science (Choose 3 Courses)**

- Any 3 from Biology (BIOL) courses 30000 or higher
- Any 3 from Chemistry (CHM) courses 30000 or higher
- Any 3 from Pharmacy (PHRM) courses 30000 or higher
- Any 3 from Biochemistry (BCHR) courses 30000 or higher

Note

◊ Completion prior to admittance to upper division strongly encouraged

*PU* These courses must be taken at a Purdue University campus.

*UC* Fulfills University Core requirement

GRADUATION INDEX REQUIREMENTS
Graduation Index: 2.0 minimum
Major (ECON) Index: 2.0 minimum

Degree Requirements

The student is ultimately responsible for knowing and completing all degree requirements.

Foreign Language Courses

Foreign Language proficiency requirements vary by program. For acceptable languages and proficiency levels, see your advisor:

American Sign Language, Arabic, Chinese, French, German, (ancient) Greek, Hebrew, Italian, Japanese, Latin, Portuguese, Russian, Spanish

Critical Course

The ♦ course is considered critical. A Critical Course is one that a student must be able to pass to persist and succeed in a particular major.

Expired Course

Any course without a link to its description is one that has been expired. However, this course could fulfill the degree requirement historically.
Finance, BS

About the Program

Finance is the study of wealth and assets, typically money, of a person or a corporation. You will discover what "the time value of money" means, how to manage corporate cash flow and how to effectively allocate resources.

You will study investment management, financial analytic tools and corporate forecasting. After taking accounting and economics, you'll begin to analyze money in different ways to answer questions like: How do multinational corporations account for currency exchanges? When you are buying another company, how do you decide how much it is worth? What is involved when companies have their Initial Public Offering?

A range of opportunities are available to start your career in Finance. Graduates can start out as financial analysts in large corporations looking at the bottom line and predicting profits. Other opportunities exist in a fast-paced financial leadership development programs or investment banking.

Summary of Program Requirements

The Summary of Program Requirements for Finance is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.

Bachelor of Science in Management
Major: Finance
Minimum credit hours: 120

Management Admissions Index Core (MAI)

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 3.00 MAI GPA and a 2.50 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/undergraduate/current-students/mgmt/mgmt-req-upper-div.asp
- MAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three MAI courses may be retaken.
- School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Previous enrollments as a non-School of Management student in MA 16100, MA 16200, MA 16500, MA 16600 do not count against the retake policy.

MAI Core

- ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)
- **ENGL 10600** - First-Year Composition *UC* (satisfies Written Communication for core) or
- **ENGL 10800** - Accelerated First-Year Composition *UC* (satisfies Written Communication for core)

- **MA 16010** - Applied Calculus I *UC* (satisfies Quantitative Reasoning for core)
- **MA 16020** - Applied Calculus II *UC* (satisfies Quantitative Reasoning for core)
- **MGMT 20000** - Introductory Accounting

**School of Management Foundations**

- **COM 11400** - Fundamentals Of Speech Communication ◊ *UC* (satisfies Oral Communication for core)
- **CS 23500** - Introduction To Organizational Computing ◊

Industrial Management/Analytical Consulting, BS

About the Program

Industrial Management students are multi-talented. With a specialized business focus, students can forecast company growth and talk numbers in the board room as well as solve logistical problems in business operations. This flexibility has shown greater opportunity and faster upward mobility within organizations than most other business majors.

Industrial Management students combine rigorous courses in math, science, and business to sharpen strong analytic, business and technical skills. A dedication to continually learning -- new processes, technology and skills -- is a hallmark of an Industrial Management student. Specialties range from technical management areas to science and engineering.

Many Industrial Management graduates begin their careers in corporate leadership development rotational programs, where they gain additional business and technical knowledge. Others start their careers as production supervisors, operations analysts, strategic sourcing analysts or software business analysts.

Students may choose from the following concentrations: Analytical Consulting, Computer Science, Economics, Engineering, Financial Engineering, Management Information Systems, Manufacturing and Service Operations Management, Operations & Supply Chain Management, Quantitative Methods, Statistics and Science (Biology, Chemistry, Math, Physics, and Earth, Atmospheric and Planetary Sciences).

Industrial Management Website

Summary of Program Requirements
The Summary of Program Requirements for Industrial Management - Analytical Consulting BS is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.

Bachelor of Science in Management
Major: Industrial Management/Analytical Consulting
Minimum credit hours: 120

Management Admissions Index Core (MAI)

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 2.65 MAI GPA and a 2.40 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/undergraduate/current-students/im/im-req-upper-div.asp
- MAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three MAI courses may be retaken.
- School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Both science electives must be completed prior to admission to upper division of Industrial Management

MAI Core

- ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)
- ENGL 10600 - First-Year Composition *UC* (satisfies Written Communication for core) or
- ENGL 10800 - Accelerated First-Year Composition *UC* (satisfies Written Communication for core)
- MA 16100 - Plane Analytic Geometry And Calculus I *UC* (satisfies Quantitative Reasoning for core) or
- MA 16500 - Analytic Geometry And Calculus I *UC* (satisfies Quantitative Reasoning for core)
- MA 16200 - Plane Analytic Geometry And Calculus II *UC* (satisfies Quantitative Reasoning for core) or
- MA 16600 - Analytic Geometry And Calculus II *UC* (satisfies Quantitative Reasoning for core)
- MGMT 20000 - Introductory Accounting

School of Management Foundations

- COM 11400 - Fundamentals Of Speech Communication◊ *UC* (satisfies Oral Communication for core)
- CS 23500 - Introduction To Organizational Computing◊ *PU*

Management Admissions Index Core (MAI)

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 2.65 MAI GPA and a 2.40 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/undergraduate/current-students/im/im-req-upper-div.asp
- MAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three MAI courses may be retaken.
- School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Both science electives must be completed prior to admission to upper division of Industrial Management

Departmental/Industrial Management Major Courses

MAI Core

Requirements for upper division can be found online:

- ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)
- ENGL 10600 - First-Year Composition *UC* (satisfies Written Communication for core) or
- ENGL 10800 - Accelerated First-Year Composition *UC* (satisfies Written Communication for core)
- MA 16100 - Plane Analytic Geometry And Calculus I *UC* (satisfies Quantitative Reasoning for core) or
- MA 16500 - Analytic Geometry And Calculus I *UC* (satisfies Quantitative Reasoning for core)
- MA 16200 - Plane Analytic Geometry And Calculus II *UC* (satisfies Quantitative Reasoning for core) or
- MA 16600 - Analytic Geometry And Calculus II *UC* (satisfies Quantitative Reasoning for core)
- MGMT 20000 - Introductory Accounting
School of Management Foundations

- **COM 11400** - Fundamentals Of Speech Communication ◊ *UC* (satisfies Oral Communication for core)
- **CS 23500** - Introduction To Organizational Computing ◊ *PU*
- **ECON 25200** - Macroeconomics (satisfies Behavioral/Social Science for core)
- **ENGL 42000** - Business Writing
- **MA 26100** - Multivariate Calculus
- **MGMT 10000** - Introduction To Management (highly recommended, but not required)
- **MGMT 20100** - Management Accounting I
- **STAT 22500** - Introduction To Probability Models

Upper Division Required Courses

- **ECON 41900** - Managerial Economics
- **MGMT 30100** - Professional Career Management
- **MGMT 30500** - Business Statistics *PUWL*
- **MGMT 30600** - Management Science
- **MGMT 31000** - Financial Management *PUWL*
- **MGMT 32400** - Marketing Management *PUWL*
- **MGMT 35400** - Legal Foundations Of Business I
- **MGMT 36100** - Operations Management *PUWL*
- **MGMT 38200** - Management Information Systems *PUWL*
- **MGMT 45100** - Strategic Management *PUWL*
- **OBHR 33000** - Introduction To Organizational Behavior
- **MGMT 44428** - Human Resources Management (Formerly OBHR 42800)

Computer Science Required Major Courses

Compete courses with a "C" or higher. **All courses require permission from the CS department. See CS website for instructions.**

- **CS 18000** - Problem Solving And Object-Oriented Programming
- **CS 18200** - Foundations Of Computer Science
- **CS 24000** - Programming In C
- **CS 25000** - Computer Architecture
- **CS 25100** - Data Structures And Algorithms

University Core/Program Course Requirements

- **UC Humanities *UC*** [http://www.purdue.edu/provost/initiatives/curriculum/course.html](http://www.purdue.edu/provost/initiatives/curriculum/course.html) - Credit Hours: 3.00
- **UC Humanities *UC*** [http://www.purdue.edu/provost/initiatives/curriculum/course.html](http://www.purdue.edu/provost/initiatives/curriculum/course.html) - Credit Hours: 3.00

- Computer Science Required Course (See Worksheet) - Credit Hours: 3.00 - 4.00
- General Elective (If necessary) - Credit Hours: 1.00 - 3.00

12-17 Credits
120 Total Credits

Note

*UC* Satisfies a University Core Requirement

*PUWL* Course must be taken at Purdue University, West Lafayette

◊ Completion prior to admittance to upper division strongly encouraged

120 semester credits required for Bachelor of Science degree.
2.0 Graduation GPA required for Bachelor of Science degree.
2.0 Major GPA (MGMT/ECON/OBHR) required for Bachelor of Science degree.

Degree Requirements

The student is ultimately responsible for knowing and completing all degree requirements.

myPurduePlan is knowledge source for specific requirements and completion

Foreign Language Courses

Foreign Language proficiency requirements vary by program. For acceptable languages and proficiency levels, see your advisor:

American Sign Language, Arabic, Chinese, French, German, (ancient) Greek, Hebrew, Italian, Japanese, Latin, Portuguese, Russian, Spanish

Critical Course

The ◊ course is considered critical. A Critical Course is one that a student must be able to pass to persist and succeed in a particular major.

Industrial Management/Economics Honors, BSIM

About the Program

Industrial Management students are multi-talented. With a specialized business focus, students can forecast company growth and talk numbers in the board room as well as solve logistical problems in business operations. This flexibility has shown greater opportunity and faster upward mobility within organizations than most other business majors.

Industrial Management students combine rigorous courses in math, science, and business to sharpen strong analytic, business and technical skills. A dedication to continually learning - new processes, technology and skills - is a hallmark of an Industrial Management student. Specialties range from technical management areas to science and engineering.
Many Industrial Management graduates begin their careers in corporate leadership development rotational programs, where they gain additional business and technical knowledge. Others start their careers as production supervisors, operations analysts, strategic sourcing analysts or software business analysts.

Students may choose from the following concentrations: Analytical Consulting, Computer Science, Economics, Engineering, Financial Engineering, Management Information Systems, Manufacturing and Service Operations Management, Operations & Supply Chain Management, Quantitative Methods, Statistics and Science (Biology, Chemistry, Math, Physics, and Earth, Atmospheric and Planetary Sciences).

Industrial Management Website

Summary of Program Requirements

The Summary of Program Requirements for Industrial Management - Economics Honors is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.

Bachelor of Science in Management
Major: Industrial Management/Analytical Consulting
Minimum credit hours: 120

Management Admissions Index Core (MAI)

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 2.65 MAI GPA and a 2.40 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/undergraduate/current-students/im/im-rq-upper-div.asp
- MAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three MAI courses may be retaken.
- School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Both science electives must be completed prior to admission to upper division of Industrial Management

Departmental/Industrial Management Major Courses

MAI Core

Requirements for upper division can be found online:

- ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)

The ♦ course is considered critical. A Critical Course is one that a student must be able to pass to persist and succeed in a particular major.

**Industrial Management/Engineering, BSIM**

**About the Program**

Industrial Management students are multi-talented. With a specialized business focus, students can forecast company growth and talk numbers in the board room as well as solve logistical problems in business operations. This flexibility has shown greater opportunity and faster upward mobility within organizations than most other business majors.

Industrial Management students combine rigorous courses in math, science, and business to sharpen strong analytic, business and technical skills. A dedication to continually learning - new processes, technology and skills - is a hallmark of an Industrial Management student. Specialties range from technical management areas to science and engineering.

Many Industrial Management graduates begin their careers in corporate leadership development rotational programs, where they gain additional business and technical knowledge. Others start their careers as production supervisors, operations analysts, strategic sourcing analysts or software business analysts.

Students may choose from the following concentrations: Analytical Consulting, Computer Science, Economics, Engineering, Financial Engineering, Management Information Systems, Manufacturing and Service Operations Management, Operations & Supply Chain Management, Quantitative Methods, Statistics and Science (Biology, Chemistry, Math, Physics, and Earth, Atmospheric and Planetary Sciences).

**Industrial Management Website**

**Summary of Program Requirements**

The Summary of Program Requirements for Industrial Management - Engineering is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

**Detailed Program Requirements**

Please see below for detailed program requirements and possible selective fulfillments.

**Management Admissions Index Core (MAI)**

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 2.65 MAI GPA and a 2.40 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: [http://www.krannert.purdue.edu/undergraduate/current-students/im/im-req-upper-div.asp](http://www.krannert.purdue.edu/undergraduate/current-students/im/im-req-upper-div.asp)
• MAI courses, or their equivalents, may only be enrolled in two times for a grade.
• A maximum of three MAI courses may be retaken.
• School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
• Both science electives must be completed prior to admission to upper division of Industrial Management

Departmental/Industrial Management Major Courses

MAI Core

Requirements for upper division can be found online:

• ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)
• ENGL 10600 - First-Year Composition *UC* (satisfies Written Communication for core) or
  ENGL 10800 - Accelerated First-Year Composition *UC* (satisfies Written Communication for core)
• MA 16100 - Plane Analytic Geometry And Calculus I *UC* (satisfies Quantitative Reasoning for core) or
  MA 16500 - Analytic Geometry And Calculus I *UC* (satisfies Quantitative Reasoning for core)
• MA 16200 - Plane Analytic Geometry And Calculus II *UC* (satisfies Quantitative Reasoning for core) or
  MA 16600 - Analytic Geometry And Calculus II *UC* (satisfies Quantitative Reasoning for core)
• MGMT 20000 - Introductory Accounting

School of Management Foundations

• COM 11400 - Fundamentals Of Speech Communication ◊ *UC* (satisfies Oral Communication for core)
• CS 23500 - Introduction To Organizational Computing ◊ *PU*
• ECON 25200 - Macroeconomics (satisfies Behavioral/Social Science for core)
• ENGL 42000 - Business Writing
• MA 26100 - Multivariate Calculus
• MGMT 10000 - Introduction To Management (highly recommended, but not required)
• MGMT 20100 - Management Accounting I
• STAT 22500 - Introduction To Probability Models

Upper Division Required Courses

• ECON 41900 - Managerial Economics
• MGMT 30100 - Professional Career Management
• MGMT 30500 - Business Statistics *PUWL*
• MGMT 30600 - Management Science
• MGMT 31000 - Financial Management *PUWL*
• MGMT 32400 - Marketing Management *PUWL*
• MGMT 35400 - Legal Foundations Of Business I
• MGMT 36100 - Operations Management *PUWL*
• MGMT 38200 - Management Information Systems *PUWL*
• MGMT 45100 - Strategic Management *PUWL*
• OBHR 33000 - Introduction To Organizational Behavior
• MGMT 44428 - Human Resources Management (Formerly OBHR 42800)

Required Engineering-Industrial Engineering Courses

Complete 15 credit hours from the following courses

Work Methods and Design

• IE 38600 - Work Analysis And Design I
• IE 55600 - Job Design
• IE 55800 - Safety Engineering
• IE 57700 - Human Factors In Engineering

Statistical Control

• IE 53000 - Quality Control
• IE 53300 - Industrial Applications Of Statistics

Economic Decision Making

• IE 54500 - Engineering Economic Analysis
• IE 54600 - Economic Decisions In Engineering
• IE 59000 - Topics In Industrial Engineering

University Core/Program Course Requirements

• UC Humanities *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00

◊ Completion prior to admittance to upper division strongly encouraged

120 semester credits required for Bachelor of Science degree.
2.0 Graduation GPA required for Bachelor of Science degree.
2.0 Major GPA (MGMT/ECON/OBHR) required for Bachelor of Science degree.

Degree Requirements

The student is ultimately responsible for knowing and completing all degree requirements.

myPurduePlan is knowledge source for specific requirements and completion

Foreign Language Courses

Foreign Language proficiency requirements vary by program. For acceptable languages and proficiency levels, see your advisor:

American Sign Language, Arabic, Chinese, French, German, (ancient) Greek, Hebrew, Italian, Japanese, Latin, Portuguese, Russian, Spanish

Critical Course

The ♦ course is considered critical. A Critical Course is one that a student must be able to pass to persist and succeed in a particular major.

Industrial Management/Manufacturing and Service Operations, BSIM

About the Program
Industrial Management students are multi-talented. With a specialized business focus, students can forecast company growth and talk numbers in the board room as well as solve logistical problems in business operations. This flexibility has shown greater opportunity and faster upward mobility within organizations than most other business majors.

Industrial Management students combine rigorous courses in math, science, and business to sharpen strong analytic, business and technical skills. A dedication to continually learning - new processes, technology and skills - is a hallmark of an Industrial Management student. Specialties range from technical management areas to science and engineering.

Many Industrial Management graduates begin their careers in corporate leadership development rotational programs, where they gain additional business and technical knowledge. Others start their careers as production supervisors, operations analysts, strategic sourcing analysts or software business analysts.

Students may choose from the following concentrations: Analytical Consulting, Computer Science, Economics, Engineering, Financial Engineering, Management Information Systems, Manufacturing and Service Operations Management, Operations & Supply Chain Management, Quantitative Methods, Statistics and Science (Biology, Chemistry, Math, Physics, and Earth, Atmospheric and Planetary Sciences).

Industrial Management Website

Summary of Program Requirements

The Summary of Program Requirements for Industrial Management - Manufacturing and Service Operations is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.

Bachelor of Science in Management
Major: Industrial Management/Analytical Consulting
Minimum credit hours: 120

Management Admissions Index Core (MAI)

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 2.65 MAI GPA and a 2.40 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/undergraduate/current-students/im/im-req-upper-div.asp
- MAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three MAI courses may be retaken.
- School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Both science electives must be completed prior to admission to upper division of Industrial Management

Departmental/Industrial Management Major Courses

MAI Core
Requirements for upper division can be found online:

- **ECON 25100 - Microeconomics** *UC* (satisfies Behavioral/Social Science for core)
- **ENGL 10600 - First-Year Composition** *UC* (satisfies Written Communication for core) or
  **ENGL 10800 - Accelerated First-Year Composition** *UC* (satisfies Written Communication for core)
- **MA 16100 - Plane Analytic Geometry And Calculus I** *UC* (satisfies Quantitative Reasoning for core) or
  **MA 16500 - Analytic Geometry And Calculus I** *UC* (satisfies Quantitative Reasoning for core)
- **MA 16200 - Plane Analytic Geometry And Calculus II** *UC* (satisfies Quantitative Reasoning for core) or
  **MA 16600 - Analytic Geometry And Calculus II** *UC* (satisfies Quantitative Reasoning for core)
- **MGMT 20000 - Introductory Accounting**

**School of Management Foundations**

- **COM 11400 - Fundamentals Of Speech Communication** ◊ *UC* (satisfies Oral Communication for core)
- **CS 23500 - Introduction To Organizational Computing** ◊ *PU*
- **ECON 25100 - Microeconomics** *UC* (satisfies Behavioral/Social Science for core)
- **ENGL 42000 - Business Writing**
- **MA 26100 - Multivariate Calculus**
- **MGMT 10000 - Introduction To Management** (highly recommended, but not required)
- **MGMT 20100 - Management Accounting I**
- **STAT 22500 - Introduction To Probability Models**

**Upper Division Required Courses**

- **ECON 41900 - Managerial Economics**
- **MGMT 30100 - Professional Career Management**
- **MGMT 30500 - Business Statistics** *PUWL*
- **MGMT 30600 - Management Science**
- **MGMT 31000 - Financial Management** *PUWL*
- **MGMT 32400 - Marketing Management** *PUWL*
- **MGMT 35400 - Legal Foundations Of Business I**
- **MGMT 36100 - Operations Management** *PUWL*
- **MGMT 38200 - Management Information Systems** *PUWL*
- **MGMT 45100 - Strategic Management** *PUWL*
- **OBHR 33000 - Introduction To Organizational Behavior**
- **MGMT 44428 - Human Resources Management** (Formerly OBHR 42800)

**Required Manufacturing and Service Operations Management Upper Division Courses**
Complete the Following courses

- MGMT 45200 - Manufacturing Strategy And Process Innovation
- MGMT 46200 - Advanced Manufacturing Planning And Control Systems
- MGMT 40500 - Six Sigma And Quality Management

Choose two of the following courses for 6 credits

- MFET 40000 - Computer Integrated Manufacturing
- MA 26500 - Linear Algebra
- MGMT 54400 - Database Management Systems
- MGMT 54500 - Systems Development
- MGMT 44429 - Employee Relations And Performance Management

University Core/Program Course Requirements

- UC Humanities *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00
- UC Humanities *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00

• General Elective - Credit Hours: 3.00

15 Credits

Spring 4th Year

• MGMT 44428 - Human Resources Management (Formerly OBHR 42800)
• MGMT 45100 - Strategic Management
• Quantitative Methods Upper Division (See Worksheet) - Credit Hours: 3.00
• Quantitative Methods Upper Division (See Worksheet) - Credit Hours: 3.00
• General Elective (if necessary) - Credit Hours: 1.00

12-13 Credits
120 Total Credits

Note

*UC* Satisfies a University Core Requirement

*PUWL* Course must be taken at Purdue University, West Lafayette

◊ Completion prior to admittance to upper division strongly encouraged

120 semester credits required for Bachelor of Science degree.
2.0 Graduation GPA required for Bachelor of Science degree.
2.0 Major GPA (MGMT/ECON/OBHR) required for Bachelor of Science degree.

Degree Requirements

The student is ultimately responsible for knowing and completing all degree requirements.

myPurduePlan is knowledge source for specific requirements and completion

Foreign Language Courses

Foreign Language proficiency requirements vary by program. For acceptable languages and proficiency levels, see your advisor:

American Sign Language, Arabic, Chinese, French, German, (ancient) Greek, Hebrew, Italian, Japanese, Latin, Portuguese, Russian, Spanish

Critical Course

The ♦ course is considered critical. A Critical Course is one that a student must be able to pass to persist and succeed in a particular major.

Industrial Management/Science, BSIM

About the Program

Industrial Management students are multi-talented. With a specialized business focus, students can forecast company growth and talk numbers in the board room as well as solve logistical problems in business operations. This flexibility has shown greater opportunity and faster upward mobility within organizations than most other business majors.

Industrial Management students combine rigorous courses in math, science, and business to sharpen strong analytic, business and technical skills. A dedication to continually learning -- new processes, technology and skills -- is a hallmark of an Industrial Management student. Specialties range from technical management areas to science and engineering.
Many Industrial Management graduates begin their careers in corporate leadership development rotational programs, where they gain additional business and technical knowledge. Others start their careers as production supervisors, operations analysts, strategic sourcing analysts or software business analysts.

Students may choose from the following concentrations: Analytical Consulting, Computer Science, Economics, Engineering, Financial Engineering, Management Information Systems, Manufacturing and Service Operations Management, Operations & Supply Chain Management, Quantitative Methods, Statistics and Science (Biology, Chemistry, Math, Physics, and Earth, Atmospheric and Planetary Sciences).

Summary of Program Requirements

The Summary of Program Requirements for IM/Science is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.

Management Admissions Index Core (MAI)

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 2.65 MAI GPA and a 2.40 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/undergraduate/current-students/im/im-req-upper-div.asp
- MAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three MAI courses may be retaken.
- School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Both science electives must be completed prior to admission to upper division of Industrial Management

Departmental/Industrial Management Major Courses

MAI Core

Requirements for upper division can be found online:

- ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)
- ENGL 10600 - First-Year Composition *UC* (satisfies Written Communication for core) or
- ENGL 10800 - Accelerated First-Year Composition *UC* (satisfies Written Communication for core)
• MA 16100 - Plane Analytic Geometry And Calculus I *UC* (satisfies Quantitative Reasoning for core) or
  MA 16500 - Analytic Geometry And Calculus I *UC* (satisfies Quantitative Reasoning for core)

• MA 16200 - Plane Analytic Geometry And Calculus II *UC* (satisfies Quantitative Reasoning for core) or
  MA 16600 - Analytic Geometry And Calculus II *UC* (satisfies Quantitative Reasoning for core)

• MGMT 20000 - Introductory Accounting

School of Management Foundations

• COM 11400 - Fundamentals Of Speech Communication ◊ *UC* (satisfies Oral Communication for core)
• CS 23500 - Introduction To Organizational Computing ◊ *PU*
• ECON 25200 - Macroeconomics (satisfies Behavioral/Social Science for core)
• ENGL 42000 - Business Writing
• MA 26100 - Multivariate Calculus
• MGMT 10000 - Introduction To Management (highly recommended, but not required)
• MGMT 20100 - Management Accounting I
• STAT 22500 - Introduction To Probability Models

Upper Division Required Courses

• ECON 41900 - Managerial Economics
• MGMT 30100 - Professional Career Management
• MGMT 30500 - Business Statistics ◊ *PUWL*
• MGMT 30600 - Management Science
• MGMT 31000 - Financial Management ◊ *PUWL*
• MGMT 32400 - Marketing Management ◊ *PUWL*
• MGMT 35400 - Legal Foundations Of Business I
• MGMT 36100 - Operations Management ◊ *PUWL*
• MGMT 38200 - Management Information Systems ◊ *PUWL*
• MGMT 45100 - Strategic Management ◊ *PUWL*
• OBHR 33000 - Introduction To Organizational Behavior
• MGMT 44428 - Human Resources Management (Formerly OBHR 42800)

Industrial Management Required Science Minor

Choose from the following list of Science Minors

• Biology
• Chemistry
• Earth, Atmospheric & Planetary Sciences
• Math
• Physics
• Statistics
University Core/Program Course Requirements

- UC Humanities *UC* http://www.purdue.edu/provost/initiatives/curriculum/course.html - Credit Hours: 3.00

Critical Course

The ♦ course is considered critical. A Critical Course is one that a student must be able to pass to persist and succeed in a particular major.

Management, BS

About the Program

Management majors mean business. They effectively lead, coordinate and communicate innovative solutions in all aspects of an organization from operations to human resources. They are adaptable leaders with strong roots in analytics, complemented by solid communication skills that help them compete in the business world.

A multi-functional approach to coursework allows you to discover different business areas at the same time like finance, strategy, law and organizational behavior. You’ll refine your critical thinking, communication and analytical skills as you explore these different aspects of business. Students can add concentration areas to focus on specific interests.

Graduate pursue many different job opportunities. Some begin in corporate management rotational programs, as account executives or as project managers. You will find Krannert management graduates in companies like Boeing, General Motors, Amazon.com, and Target Corporation.

Summary of Program Requirements

The Summary of Program Requirements for Management is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. GRADUATION INDEX REQUIREMENTS
Graduation Index: 2.0 minimum
Major (MGMT, OBHR, E CON) Index: 2.0 minimum

Degree Requirements
The student is ultimately responsible for knowing and completing all degree requirements.

Foreign Language Courses

Foreign Language proficiency requirements vary by program. For acceptable languages and proficiency levels, see your advisor:

American Sign Language, Arabic, Chinese, French, German, (ancient) Greek, Hebrew, Italian, Japanese, Latin, Portuguese, Russian, Spanish

Critical Course

The ♦ course is considered critical. A Critical Course is one that a student must be able to pass to persist and succeed in a particular major.

Expired Course

Any course without a link to its description is one that has been expired. However, this course could fulfill the degree requirement historically.

Marketing, BS

About the Program

Marketing is a dynamic field which prepares students for a variety of careers ranging from brand and product management to marketing research and analytics to advertising and public relations. What makes marketing exciting is that it has both an analytical and creative aspect. A marketing career can be a good fit for students with liberal arts as well as technical backgrounds.

Marketing involves the exchange of goods or services from an organization to a customer. This process requires the organization to decide who will value what we have to offer and why targeted customers will buy from us versus our competitors. Successful product positioning requires a firm to effectively communicate its value proposition and make the product conveniently available at a competitive price. Since marketing is concerned with meeting the needs of customers at a profit, a specialization in marketing provides a good background for a variety of career paths including a start-up or a small business. Marketing also plays an important role in non-profit organizations such as museums, hospitals, and charities.

Krannert graduates in recent years have found marketing positions with firms such as Accenture, Amazon, Anheuser Busch, Beckman Coulter, Caterpillar, DISH Network, ExactTarget, Frito-Lay, IBM, Procter and Gamble, and Sears.

Summary of Program Requirements

The Summary of Program Requirements for Marketing is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.
Management Admissions Index Core (MAI)

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 3.00 MAI GPA and a 2.50 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/undergraduate/current-students/mgmt/mgmt-req-upper-div.asp
- MAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three MAI courses may be retaken.
- School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Previous enrollments as a non-School of Management student in MA 16100, MA 16200, MA 16500, MA 16600 do not count against the retake policy.

MAI Core

- ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)
- ENGL 10600 - First-Year Composition *UC* (satisfies Written Communication for core) or
- ENGL 10800 - Accelerated First-Year Composition *UC* (satisfies Written Communication for core)
- MA 16010 - Applied Calculus I *UC* (satisfies Quantitative Reasoning for core)
- MA 16020 - Applied Calculus II *UC* (satisfies Quantitative Reasoning for core)
- MGMT 20000 - Introductory Accounting

School of Management Foundations

- COM 11400 - Fundamentals Of Speech Communication ◊ *UC* (satisfies Oral Communication for core)
- CS 23500 - Introduction To Organizational Computing ◊
- ECON 25200 - Macroeconomics *UC* (satisfies Behavioral/Social Science for core)
- ENGL 42000 - Business Writing
- MGMT 10000 - Introduction To Management (highly recommended, but not required)
- MGMT 20100 - Management Accounting I
- STAT 22500 - Introduction To Probability Models

Upper Division Required Courses

- ECON 41900 - Managerial Economics
- MGMT 30100 - Professional Career Management *PU*
- MGMT 30500 - Business Statistics *PU*
- MGMT 31000 - Financial Management *PU*
- MGMT 32400 - Marketing Management *PU*
• MGMT 35400 - Legal Foundations Of Business I
• MGMT 36100 - Operations Management *PU*
• MGMT 38200 - Management Information Systems *PU*
• MGMT 45100 - Strategic Management *PU*
• OBHR 33000 - Introduction To Organizational Behavior

Marketing Upper Division Required Major Courses

[must select five of below courses]

• MGMT 42210 - International Marketing
• MGMT 42300 - New Product Development *PU*
• MGMT 42500 - Marketing Research *PU*
• MGMT 42610 - Brand Management
• MGMT 49000 - Problems In Industrial Management Experiential Marketing (formerly Business-to-Business Marketing)
• MGMT 49000 - Problems In Industrial Management Marketing Analytics
• MGMT 49000 - Problems In Industrial Management Digital and Social Media Marketing

**Expired Course**

Any course without a link to its description is one that has been expired. However, this course could fulfill the degree requirement historically.

**Strategy and Organizational Management, BS**

**About the Program**

If managing people and leading organizations is your goal, the Strategy and Organizational Management major is your answer. Strategy and Organizational Management graduates lead change. Using strategic thinking and people skills, they manage effectively across a wide variety of organizations.

You’ll study the foundations of business - accounting, economics, statistics, etc., then develop business strategy from different angles using innovative technology, organizational change and competitive strategy. You’ll explore things like how to position your organization to outperform the competition, and how to recruit, develop and motivate staff to build a high performance team.

Strategy and Organizational Management graduates become business leaders. They are entrepreneurs, change leaders, internal organizational consultants, human resource managers and management consultants.

Two concentrations were specifically designed to complement the Strategy and Organizational Management major:
Global Leadership and Human Capital

Human resource management practices in organizations rely on soft skills that are critical for successful managers. Adding the Global Leadership and Human Capital concentration to your major will enhance your skills in change leadership, negotiating, and managing a global department. If you are interested in a career as a Human Resource Manager, Organizational Development/Effectiveness Director, Change Agent, or Management Consultant this concentration is a great fit.

Technology, Innovation & Entrepreneurship

A great addition if you are looking to start a new company or work on new product development and innovation teams. You'll develop a deeper knowledge of how to drive innovation in organizations, and an understanding of the relationships between strategy, technology, and innovation. Emphasis is placed on entrepreneurial activity in both new startup and established firms.

Summary of Program Requirements

The Summary of Program Requirements for Strategy and Organizational Management is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. GRADUATION INDEX REQUIREMENTS
Graduation Index: 2.0 minimum
Major (MGMT, OBHR, ECON) Index: 2.0 minimum

Degree Requirements

The student is ultimately responsible for knowing and completing all degree requirements.
Foreign Language Courses

Foreign Language proficiency requirements vary by program. For acceptable languages and proficiency levels, see your advisor:

American Sign Language, Arabic, Chinese, French, German, (ancient) Greek, Hebrew, Italian, Japanese, Latin, Portuguese, Russian, Spanish

Critical Course

The ♦ course is considered critical. A Critical Course is one that a student must be able to pass to persist and succeed in a particular major.

Expired Course

Any course without a link to its description is one that has been expired. However, this course could fulfill the degree requirement historically.

Supply Chain, Information and Analytics, BS

About the Program

Supply Chain, Information and Analytics is for problem solvers. Agile businesses rely on statistics and data analysis to make informed decisions on everything from client services to vendor management. Data is collected, stored in databases, analyzed and used to create efficiency in operations. Technical knowledge in management information systems, business analytics, supply chain and operations provides support to the business of doing business.

You've probably heard terms like supply chain, operations efficiency, big data, cloud computing, data mining and digital economy. Learn what they mean, how they work and how they affect businesses. You'll study a foundation of management courses to understand the different parts of a business. Data analytics -- including statistical analysis, data modeling and database management -- is stressed in this program. You may choose to dive deeper into one or more of these three areas: Supply Chain and Operations, Management Information Systems or Business Analytics.

Through a data-driven approach graduates are optimizing business performance as Data Analytics Managers, IT consultants, and Logistics Analysts for Accenture, IBM, Deloitte, Microsoft, General Motors and other companies.

Summary of Program Requirements

The Summary of Program Requirements for Supply Chain, Information and Analytics is a comprehensive list of those categories which a student must fulfill in order to earn their degree. Unlike the full Detailed Program Requirements listed below, complete lists of selectives for any given category are not shown. These summaries are intended to be printer-friendly and less expansive in detail.

Detailed Program Requirements

Please see below for detailed program requirements and possible selective fulfillments.
Management Admissions Index Core (MAI)

- To be automatically admitted into upper division, students who have completed all courses in the MAI must have at least a 3.00 MAI GPA and a 2.50 cumulative GPA, have a C- or higher in all MAI and School of Management courses, and may not be on academic probation.
- Requirements for upper division can be found online: http://www.krannert.purdue.edu/undergraduate/current-students/mgmt/mgmt-req-upper-div.asp
- MAI courses, or their equivalents, may only be enrolled in two times for a grade.
- A maximum of three MAI courses may be retaken.
- School of Management, MAI, and concentration courses with grades of "F" can only be retaken at Purdue University.
- Previous enrollments as a non-School of Management student in MA 16100, MA 16200, MA 16500, MA 16600 do not count against the retake policy.

**MAI Core**

- ECON 25100 - Microeconomics *UC* (satisfies Behavioral/Social Science for core)
- ENGL 10600 - First-Year Composition *UC* (satisfies Written Communication for core) or
  - ENGL 10800 - Accelerated First-Year Composition *UC* (satisfies Written Communication for core)
- MA 16010 - Applied Calculus I *UC* (satisfies Quantitative Reasoning for core)
- MA 16020 - Applied Calculus II *UC* (satisfies Quantitative Reasoning for core)
- MGMT 20000 - Introductory Accounting

**School of Management Foundations**

- COM 11400 - Fundamentals Of Speech Communication ◊ *UC* (satisfies Oral Communication for core)
- CS 23500 - Introduction To Organizational Computing ◊ *PU* or
  - MGMT 29000 - Problems In Management *PU*
- ECON 25200 - Macroeconomics *UC* (satisfies Behavioral/Social Science for core)
- ENGL 42000 - Business Writing
- MGMT 10000 - Introduction To Management (highly recommended, but not required)
- MGMT 20100 - Management Accounting I
- STAT 22500 - Introduction To Probability Models

**Upper Division Required Courses**

- ECON 41900 - Managerial Economics
- MGMT 30100 - Professional Career Management
• MGMT 30500 - Business Statistics *PU*
• MGMT 30600 - Management Science
• MGMT 31000 - Financial Management *PU*
• MGMT 32400 - Marketing Management *PU*
• MGMT 35400 - Legal Foundations Of Business I
• MGMT 36100 - Operations Management *PU*
• MGMT 38200 - Management Information Systems *PU*
• MGMT 45100 - Strategic Management *PU*
• MGMT 47200 - Advanced Spreadsheet Modeling And Simulation *PU*
• MGMT 49000 - Problems In Industrial Management *PU*
• MGMT 54400 - Database Management Systems *PU*
• OBHR 33000 - Introduction To Organizational Behavior
• MGMT 44428 - Human Resources Management

Supply Chain Information and Analytics Upper Division Required Major Courses

[choose one or more career tracks]

1. Business Analytics

• MGMT 49000 - Problems In Industrial Management - Business Data Mining *PU*
• MGMT 40500 - Six Sigma And Quality Management *PU*

Successfully complete at least one of the following three courses

• MGMT 49000 - Problems In Industrial Management - Predictive Analytics *PU*
• MGMT 49000 - Problems In Industrial Management - Logistics *PU*
• ECON 36000 - Econometrics

2. Supply Chain and Operations Management

• MGMT 49000 - Problems In Industrial Management - Logistics *PU*
• MGMT 46200 - Advanced Manufacturing Planning And Control Systems

Successfully complete at least one of the following two courses

• MGMT 49000 - Problems In Industrial Management - Predictive Analytics *PU*
• MGMT 40500 - Six Sigma And Quality Management *PU*

3. Management Information Systems
Successfully complete at least one of the following two courses

- MGMT 54700 - Computer Communications Systems *PU*
- MGMT 48800 - Electronic Commerce And Information Strategies *PU*

Certificate

Advanced Accountancy Certificate

Effective Fall 2014

The Krannert Graduate School of Management is pleased to offer this description of our Certificate of Advanced Accountancy Program. This program enhances our accounting undergraduate curriculum by

- Offering a directed plan of study to meet the 150 hour requirement for taking the CPA Exam.
- Opportunities for enhanced training for those interested in corporate accounting positions.
- Offering students an opportunity to earn advanced recognition by obtaining a Certificate of Advanced Accountancy in addition to their undergraduate degree.
- Offering 5 specialized, upper-division accounting courses.
- Increasing the number of communication, ethics, leadership and other courses taken outside the School of Management.

To complete the requirements for the Certificate a student must

Complete 150 credit hours

Take four of the six additional courses offered in accounting
• MGMT 50700 - Advanced Federal Income Taxes
• MGMT 50900 - International Accounting
• MGMT 53000 - Financial Statement Analysis
• MGMT 53100 - Government/Not-For-Profit Accounting
• MGMT 53200 - Forensic Accounting And Fraud Examination
• MGMT 59000 - Directed Readings In Management

Take 5 classes from selected lists of Management courses and courses in communication, ethics, leadership and general education

Note

Students are encouraged to take multiple internships (particularly one in spring semester of their fourth year) and study abroad. For those students seeking a position in public accounting, you are encouraged begin taking a CPA exam review course in their last semester before graduation (or in the summer following graduation).

Program Requirements

1. Candidates for the Certificate will be undergraduate accounting majors and will complete at least 150 credit hours, consisting of the coursework that makes up the undergraduate accounting major and the additional 27 credit hours of coursework for the Certificate as detailed below.
2. Candidates for the Certificate will take four 3-credit accounting electives from the following list: MGMT 50700 - Advanced Federal Income Taxes, MGMT 50900 - International Accounting, MGMT 53000 - Financial Statement Analysis, MGMT 53100 - Government/Not-For-Profit Accounting, MGMT 53200 - Forensic Accounting And Fraud Examination, MGMT 59000 - Directed Readings In Management and other advanced accounting electives as offered. Candidates must earn a grade of C or better in each accounting course that they wish to count towards the Certificate.
3. Candidates for the Certificate will take 5 classes from the following two lists, with a minimum of 2 classes from each list. Pre-requisites are in parentheses; a course number that is followed by a c is a co-requisite. A course number that is followed by a * is one for which a grade of C or better is required to satisfy the pre-requisite.

List A

• MGMT 41100 - Investment Management
• MGMT 41300 - Advanced Corporate Financial Management
• MGMT 41500 - International Financial Management
• MGMT 45800 - The Regulatory Process, Consumerism, And Public Policy
• MGMT 45900 - International Management
• MGMT 49000 - Problems In Industrial Management
• ECON 36100 - Antitrust And Regulation
• ECON 37000 - International Trade
• ECON 37100 - International Monetary Problems
• ECON 38000 - Money And Banking
• ECON 38500 - Labor Economics
• ECON 45100 - Game Theory
• ECON 46100 - Industrial Organization
• ECON 47100 - Behavioral Economics
List B

- COM 31400 - Advanced Presentational Speaking
- COM 31800 - Principles Of Persuasion
- COM 32500 - Interviewing: Principles And Practice
- OLS 27400 - Applied Leadership
- PHIL 11100 - Ethics
- PHIL 12000 - Critical Thinking
- PHIL 15000 - Principles Of Logic
- POL 10100 - American Government And Politics
- SOC 31200 - American Society

Summary of Accounting Electives Available to Certificate Students as of the 2014-2015 Academic Year

For more information, please contact the course instructor or visit the Accounting Academic Group web site.

Entrepreneurship and Innovation Certificate

Requirements

Purdue's Certificate in Entrepreneurship and Innovation Program is designed with flexibility in mind. Participating students must take the equivalent of five, 3-credit courses in the following categories:

- Two required "core" courses (6 credits)
- Two "option" courses (typically 6 credits)
- One "capstone" course or experience (typically 3 credits)

In some cases, students will be permitted to substitute an additional capstone for one of the required option courses. A grade of C- or higher is required for certificate-related courses.

Two Required Courses

The intent of required core courses is to provide students with fundamental language, knowledge, leadership and communication skills related to entrepreneurship and innovation. The content in these courses answer the questions "what is entrepreneurship" and "how do you do entrepreneurship". Required core courses are offered solely by the Certificate in Entrepreneurship and Innovation.

Click here to learn more about ENTR 20000 - Introduction To Entrepreneurship And Innovation and ENTR 31000 - Marketing And Management For New Ventures.

Option Courses
The intent of option courses is to provide students with discipline or industry/market-specific depth in areas which are relevant to entrepreneurship and/or innovation. The content of ENTR 20000 and ENTR 31000 should be relevant to these courses, and complement or enhance the learning. Option courses are offered by departments across the university as well as the Certificate in Entrepreneurship an Innovation.

Options courses should deliver knowledge and skills that accomplish one or more of the following:

- Deepen students' understanding of areas pertinent to entrepreneurship that will improve their chances of success in creating new business ventures (e.g. leadership, professional selling, new product development, technology strategy).
- Build awareness of opportunities for venture development in specific industries or markets.
- Increase students' ability to create economic or social value in an entrepreneurial way.
- Allow students to expand the markets in which they will operate (e.g. business language courses, global entrepreneurship programs).

Students can choose option courses from the approved course list found below. Click here to learn more about an option course developed by the Certificate in Entrepreneurship an Innovation.

**Capstone Course or Experience**

The intent of capstone courses or experiences is to provide students with hands-on, real-world entrepreneurial or innovation related experiences, which can include developing business plans for new business ventures, involvement in the product innovation and technology commercialization process, or an approved internship in an early-stage company. Capstone courses and experiential programs are offered by departments across the university as the Certificate in Entrepreneurship and Innovation.

Capstone courses or experiences should provide closure and coherence to the Certificate in Entrepreneurship and Innovation Program and include one or more of the following:

- Culminating experiences in which students are expected integrate and apply knowledge from previous ENTR and option courses.
- Launching pads for new products or new business ventures.
- Marketable experiences to prospective employers.

Skills utilized and assessed should include the ability to:

- Work constructively in groups and on teams.
- Understand theories and perspectives of the discipline.
- Identify and assess opportunities.
- Use library and other resources to perform research.
- Evaluate critically what is read and heard.
- Demonstrate high order thinking.
- Make reasoned decisions.
- Communicate persuasively.

Possible capstones include:

- Involvement in launching your own venture through the Entrepreneurship Capstone course (ENTR 48000). [Prerequisites: ENTR 20000 and ENTR 31000]
- Consulting for Emerging Enterprises through the Entrepreneurship Capstone course. (ENTR 48000 *special section/instructor approval required). [Prerequisites: ENTR 20000 and ENTR 31000]
- Internships through the Interns for Indiana Program.
- Global Entrepreneurship study-abroad program organized and led by Certificate Program faculty and staff (SA 10705).

Students can choose capstone courses from the approved course list found below. Click here to learn more about capstone courses offered by the Certificate in Entrepreneurship and Innovation.
Program Requirements

Students must take the equivalent of five courses in the following categories:

Two Required Core Courses (6 credits)

- ENTR 20000 - Introduction To Entrepreneurship And Innovation
- ENTR 31000 - Marketing And Management For New Ventures (formerly ENTR 20100)

Two Option Courses (typically 6 credits)

Option courses provide depth in specific disciplines or industries relevant to entrepreneurship and innovation.

Courses designated "OPEN" on the approved list are available to all certificate program students, where space permits and pre-requisites have been met.

One Capstone Course or Experience (typically 3 credits)

Capstones are designed to provide hands-on, real-world experience to students. This can include courses or participation in the Interns for Indiana/ Interns for Entrepreneurship Program

Students will be permitted to substitute an additional capstone for one of the required option courses.

The Process

To enter the Program students should enroll in ENTR 20000. Those interested in receiving the Certificate will fill out a Completion Plan when enrolled in ENTR 31000.

Grade of C- or higher must be obtained in all courses used toward Certificate Completion.

Required Entrepreneurship Courses

- ENTR 20000 - Introduction To Entrepreneurship And Innovation
- ENTR 31000 - Marketing And Management For New Ventures

Other Entrepreneurship Courses

- ENTR 47000 - Women And Leadership or
- COM 49100 - Special Topics In Communication or
- WGSS 28100 - Topics In Gender Studies
- ENTR 48000 - Entrepreneurship Capstone
- ENTR 48100 - Consulting For Emerging Enterprises
Approved Experiential Programs
