
Graduate School Application Fee Waiver Program

Request for Consideration of a New Program

Directions: Complete the form and submit it to the Office of Graduate Admissions by April 15, 2021.

Name and title of person submitting request: _____

Fee waivers are recruitment programs intended to encourage application to the Purdue Graduate School, usually without regard to a particular program major. The fee is waived for participants, and no money is collected.

Fee waiver applicants are eligible for one application fee waiver per program in which he/she has participated. Fee waivers are valid until December 31st two years after the applicant became eligible. For example, if an applicant participated in the Big Ten+ Graduate School Expo in September 2020, they must apply and request the fee waiver by December 31, 2022.

Name of program: _____

Describe the program, including the specific eligibility criteria to be used for selecting successful participants: _____

Explain how this program does not include race, ethnicity, or national origin as criteria for selection. If criteria are based on participation or membership in an organization, attach a copy of this group's eligibility criteria and non-discrimination policy (if any) from its charter, bylaws, etc. _____

Provide the estimated total number of eligible participants each year: _____

If this is a Fee Waiver program, explain how the program contributes to the Graduate School's goals:

The Office of Graduate Admissions also accepts proposals for fee satisfaction programs. Fee satisfactions are used to encourage application to a particular program or programs of study, and the Graduate School collects application fees from the sponsoring college or department. For fee satisfaction proposals, please contact JoAnne Sandifur at jsandifur@purdue.edu.
