

Major Change (CODO) Requirements

Are you thinking of changing your major? At Purdue that's called a CODO (Change of Degree Objective), and you start the process by reaching out to your current academic advisor for guidance.

Current Purdue students wishing to change their major (CODO) to a new major can view the criteria to change their major here through the links below. Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the major change criteria to be eligible to change to a new major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar. This major change information below is for catalog term 2020-2021; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria and FAQs.

Accounting Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Accounting, BS ACCT**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.5

Course Requirements

3.0 GPA or better AND C- or better in the following:

- ECON 25100 - Microeconomics (MAI Course)
- MGMT 20000 - Introductory Accounting (MAI Course) or
- MGMT 21200 - Business Accounting (MAI Course)
- COM 11400 - Fundamentals Of Speech Communication (MAI Course) or
- COM 21700 - Science Writing And Presentation (MAI Course) or
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills (MAI Course) or
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World (MAI Course)
- ENGL 10600 - First-Year Composition (MAI Course) or
- ENGL 10800 - Accelerated First-Year Composition (MAI Course) or
- HONR 19903 - Interdisciplinary Approaches In Writing (MAI Course) or
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity (MAI Course)
- MA 16010 - Applied Calculus I (MAI Course) or
- MA 16100 - Plane Analytic Geometry And Calculus I (MAI Course) or
- MA 16500 - Analytic Geometry And Calculus I (MAI Course)

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions
- Students must be in good academic standing (not on academic probation)
- C- or better in any completed MAI course(s) & School of Management Course(s) (MGMT, ECON, OBHR).
- The MAI must consist of at least (2) Krannert graded courses (MGMT 20000 & ECON 25100) or (3) Purdue graded MAI courses.
- Management Admission Course Re-take allowance of MAI courses depends on the number of courses taken at Purdue and/or Krannert, no more than 2 or 3 MAI courses (or their equivalents) may be taken two times each for a grade. See our retake policy located on the Krannert School of Management Advising Policies website to determine your eligibility.

Advising Website

Krannert School of Management Undergraduate Advising website

Advising Next Steps

Students can speak with an advisor during non-Krannert student drop-in hours. These happen most days M-F, 1:30-3 p.m. For more information see Krannert School of Management Non-Krannert Student Drop-In schedule.

Actuarial Science Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Actuarial Science, BS (ACSC)**
- **Actuarial Science Honors, BS (ASHO)** Students wishing to CODO to Actuarial Science Honors must first CODO to Actuarial Science.

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credits:** 12
- **Minimum GPA:** 2.0

Course Requirements

C or better in the following:

- MA 37300 - Financial Mathematics
- A two-course Calculus sequence. Course options include:
Calculus I
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I or
- MA 16010 - Applied Calculus I and MA 16020 - Applied Calculus II
Calculus II
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
Calculus III
- MA 26100 - Multivariate Calculus or
- MA 27101 - Honors Multivariate Calculus

2.5 or better in the following (if taken):

- ECON 25100 - Microeconomics
- ECON 25200 - Macroeconomics
- MA 35100 - Elementary Linear Algebra
- MA 36600 - Ordinary Differential Equations
- MA 37300 - Financial Mathematics
- MA 41600 - Probability
- MGMT 20000 - Introductory Accounting
- MGMT 20100 - Management Accounting I
- MGMT 31000 - Financial Management
- STAT 41600 - Probability
- STAT 41700 - Statistical Theory
- STAT 42000 - Introduction To Time Series

- STAT 47201 - Actuarial Models- Life Contingencies
- STAT 47301 - Introduction To Arbitrage-Free Pricing Of Financial Derivatives
- MA 49000 - Topics In Mathematics For Undergraduates - Section: Actuarial Science Capstone
- MA 49000 - Topics In Mathematics For Undergraduates - Section: Advanced Short Term Actuarial Mathematics
- STAT 49000 - Topics In Statistics For Undergraduates - Section: Statistics of Risk Modeling
- STAT 47501 - Advanced Long Term Actuarial Mathematics
- STAT 47902 - Short Term Fundamental Actuarial Models

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)
- If a student has established credit [AP, IB, etc.] for Calculus 1, 2, and 3 (or beyond), then the student must have a C or better in the next math course in the Actuarial Science major AND a C or higher in MA 37300.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Aeronautical and Astronautical Engineering, BSAAE (AAE)**

General Requirements

- **Minimum Semesters: 2**
- **Minimum West Lafayette Credit Hours: 30**
- **Minimum GPA: 3.4**

Course Requirements

C- or better in the following:

- CHM 11500 - General Chemistry
- PHYS 17200 - Modern Mechanics
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- Oral Communication Foundational Outcome course (typically COM 11400 - Fundamentals Of Speech Communication)
- Written Communication Foundational Outcome course (typically ENGL 10600 - First-Year Composition)

Other Requirements

- Students are accepted for FALL and SPRING.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is extremely limited.
- Students must be in good academic standing (not on academic probation).
- Students must earn a 3.4 average GPA or higher in any of the following courses completed before CODO:
 - Agricultural & Biological Engineering - ABE
 - Biomedical Engineering - BME
 - Chemical Engineering - CHE
 - Civil Engineering - CE
 - Construction Engineering and Management - CEM
 - Electrical and Computer Engineering - ECE
 - Environmental & Ecological Engineering - EEE
 - First-Year Engineering - ENGR/FYE
 - Industrial Engineering - IE
 - Materials Engineering - MSE
 - Mechanical Engineering - ME
 - Multidisciplinary Engineering and Interdisciplinary Engineering Studies - MDE/IDE
 - Nuclear Engineering - NE
 - Astronomy - ASTR
 - Biology - BIO
 - Biochemistry - BCHM
 - Chemistry - CHEM
 - Computer Science - CS
 - Earth, Atmospheric, and Planetary Science - EAPS
 - Mathematics - MA
 - Physics - PHYS
 - Statistics - STAT

Majors

- **Applied Mathematics, BS (APMA)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

2.7 or better in two courses in the approved Calculus sequence I, II and III (transfer credit may be used)

Calculus I

- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I or
- MA 16010 - Applied Calculus I and MA 16020 - Applied Calculus II

Calculus II

- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II

Calculus III

- MA 26100 - Multivariate Calculus or
- MA 27101 - Honors Multivariate Calculus

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)
- 2.0 average GPA in any courses completed below (not required to take these courses before CODO):
 - CS 31400 - Numerical Methods
 - MA 30300 - Differential Equations And Partial Differential Equations For Engineering And The Sciences
 - MA 35100 - Elementary Linear Algebra or MA 26500 - Linear Algebra if B- or better
 - MA 35301 - Linear Algebra II
 - MA 36600 - Ordinary Differential Equations or MA 26600 - Ordinary Differential Equations if B- or better
 - MA 34100 - Foundations Of Analysis or MA 44000 - Honors Real Analysis I
 - MA 45300 - Elements Of Algebra I or MA 45000 - Algebra Honors
 - MA 42500 - Elements Of Complex Analysis
 - MA 42800 - Introduction To Fourier Analysis
 - 3 Credits of MA 41600 - Probability or STAT 41600 - Probability or STAT 51600 - Basic Probability And Applications or MA 37500 - Introduction To Discrete Mathematics or MA 36200 - Topics In Vector Calculus or MA 44200 - Honors Real Analysis II

Chemical Biology & Biochemistry Major Change (CODO) Requirements

Majors

- **Chemical Biology & Biochemistry, BS (CBB)**

General Requirements

- **Minimum Semesters: 1**
- **Minimum West Lafayette Credit Hours: 12**
- **Minimum GPA: 2.0**

Course Requirements

C- or better in the following:

- BIOL 11000 - Fundamentals Of Biology I or
- BIOL 12100 - Biology I: Diversity, Ecology, And Behavior or
- BIOL 13100 - Biology II: Development, Structure, And Function Of Organisms
- Note: BIOL 12100 and 13100 meet degree requirements.
- CHM 11500 - General Chemistry or
- CHM 11600 - General Chemistry or
- CHM 12500 - Introduction To Chemistry I or
- CHM 12901 - General Chemistry With A Biological Focus or
- CHM 13600 - General Chemistry Honors

- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16500 - Analytic Geometry And Calculus I or
- MA 16600 - Analytic Geometry And Calculus II

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is limited.
- Students must be in good academic standing (not on academic probation).
- 2.0 GPA or better in any completed BIOL, CHM, CS, MA, PHYS or STAT course that meets degree requirements. See courses listed under program of interest in the College of Science Department of Biological Sciences Programs section of 2022-2023 University Catalog or current students can use the "What if" function in MyPurduePlan.

Advising Website

Department of Biological Sciences Undergraduate Studies website or College of Science CODO Procedure and Advising

Advising Next Steps

Meeting with an Academic Advisor is strongly recommended to provide advice and information about the programs and changing majors. Call (765) 494-4747 to schedule an appointment or Students can speak with an advisor during Chemistry Advising Non Major Drop-in Hours.

Biochemistry Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- Biochemistry, BS (BCHM)
- **Biochemistry: Pre-Med Concentration, BS (BCHM/PMED)**
- **Biochemistry: Pre-Vet Concentration, BS (BCHM/PRMD)**

General Requirements

- **Minimum Semesters: 1**
- **Minimum West Lafayette Credit Hours: 12**
- **Minimum GPA: 2.75**

Course Requirements

C- or better in the following:

- CHM 11500 - General Chemistry

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER.
- Major is open with no anticipated space restrictions.
- Accept students in any academic standing (including on academic probation).
- If completed prior to CODO, students must have earned grades of C- or higher in core courses, which are CHM 11600, CHM 25500, CHM 25600, BIOL 23100, BCHM 36200/46200/46300 or BCHM 56100/56200/46300.
- Students interested in CODOing to Biochemistry are strongly encouraged to meet with a Biochemistry advisor before submitting their request.

Advising Website

Department of Biochemistry website

Advising Next Steps

Students are encouraged to speak with a departmental advisor.

Biological Engineering Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Biological Engineering, BSBE (BIEN)**

- **Biological Engineering: BioEnvironmental Engineering Concentration, BSBE (BIEN/BENV)**
- **Biological Engineering: Cellular and Biomolecular Engineering Concentration, BSBE , (BIEN/CBOE)**
- **Biological Engineering: Food and Biological Process Engineering Concentration, BSBE , (BIEN/FBPE)**
- **Biological Engineering: Pharmaceutical Process Engineering Concentration, BSBE , (BIEN/PHPE)**

General Requirements

- **Minimum Semesters: 1**
- **Minimum West Lafayette Credit Hours: 12**
- **Minimum GPA: 2.8**

Course Requirements

C or better in the following:

- CHM 11500 - General Chemistry
- CHM 11600 - General Chemistry
- PHYS 17200 - Modern Mechanics
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- Oral Communication Foundational Outcome course (typically COM 11400 - Fundamentals Of Speech Communication)
- Written Communication Foundational Outcome course (typically ENGL 10600 - First-Year Composition)

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY. Space is limited.
- Students must be in good standing (not on academic probation).
- P/NP grade option is not allowed for any courses on the course requirement list.
- Students must earn a C or better in any 20000-level or higher engineering, math, or science courses if completed prior to CODO.
- CODO into Biological Engineering is only applicable to students not in First-Year Engineering. FYE students must follow the Transition to Major process.

Biomedical Engineering Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Biomedical Engineering, BSBME (BME)**

General Requirements

- **Minimum Semesters: 2**
- **Minimum West Lafayette Credits: 30**
- **Minimum GPA: 3.4**

Course Requirements

2.0 GPA or better with a C- or better in the following:

- CHM 11500 - General Chemistry
- PHYS 17200 - Modern Mechanics
- Oral Communication Foundational Outcome course
- Written Communication Foundational Outcome course
- CHM 11600 - General Chemistry or
- CS 15900 - C Programming
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- One of the following groups:
- ENGR 13100 - Transforming Ideas To Innovation I and
- ENGR 13200 - Transforming Ideas To Innovation II
- ENGR 16100 - Honors Introduction To Innovation And The Physical Science Of Engineering Design I and
- ENGR 16200 - Honors Introduction To Innovation And The Physical Science Of Engineering Design II
- ENGR 13300 - Transforming Ideas To Innovation, EPICS and
- EPCS 11100 - First Year Participation In EPICS I and
- EPCS 12100 - First Year Participation In EPICS II

Other Requirements

- Students are accepted for FALL.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is extremely limited.
- Students must be in good academic standing (not on academic probation).

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- College of Liberal Arts Majors (except Liberal Arts Undecided, Artificial Intelligence, and Sound for the Performing Arts) (full list available [here](#))

General Requirements

- **Minimum Semesters:** 0
- **Minimum West Lafayette Credit Hours:** 0
- **Minimum GPA:** 2.0

Course Requirements

- n/a

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions
- Accept students in any academic standing (including on academic probation)
- **Music Major note:** Students are provisionally admitted and will need to complete an audition and interview within a year of entering the major. More information can be found on the Auditions and Interviews website.

Advising Website

College of Liberal Arts Advising website

Advising Next Steps

Students need to go to the CLA CODO website and review the steps to Declare a Liberal Arts Major.

Computer and Information Technology Department Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Computer and Information Technology, BS (CNIT)**
- **Cybersecurity, BS (CSEC)**
- **Computing Infrastructure and Network Engineering Technology, BS (INET)**
- **Data Analytics, Technologies, and Applications, BS (DATA)**
- **Systems Analysis and Design, BS (SAAD)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 9
- **Minimum GPA:** 3.0

Course Requirements

C- or better in the following:

- CNIT 17600 - Information Technology Architectures or
- CNIT 18000 - Introduction To Systems Development or
- CNIT 18200 - System And Organizational Security
- *Note: Must be taken at Purdue West Lafayette or Polytechnic Statewide sites: Anderson, Columbus or Kokomo. CNIT 17600 or CNIT 18200 recommended for students interested in Cybersecurity.*
- ENGL 10600 - First-Year Composition or
- ENGL 10800 - Accelerated First-Year Composition or
- ENGL 11000 - American Language And Culture For International Students I or
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity or
- HONR 19903 - Interdisciplinary Approaches In Writing or
- COM 11400 - Fundamentals Of Speech Communication or
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World
- MA 16010 - Applied Calculus I or
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Students are admitted on a SPACE AVAILABLE BASIS ONLY. Space is limited.
- Students must be in good academic standing (not on academic probation)
- All major change (CODO) requests must be submitted by 5pm (Eastern) the Thursday of finals week for the upcoming term.

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Data Science, BS (CS) (DSCS)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.75

Course Requirements

B or better in the following:

- CS 18000 - Problem Solving And Object-Oriented Programming
- MA 16100 - Plane Analytic Geometry And Calculus I or MA 16500 - Analytic Geometry And Calculus I
OR
- MA 16200 - Plane Analytic Geometry And Calculus II or MA 16600 - Analytic Geometry And Calculus II
OR
- MA 26100 - Multivariate Calculus or MA 27101 - Honors Multivariate Calculus
OR
- MA 26500 - Linear Algebra or MA 35100 - Elementary Linear Algebra

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is **extremely limited**.
- Students must be in good academic standing (not on academic probation)
- All CS and Math courses considered for CODO must be taken for a letter grade on a Purdue campus.
- Equivalent 10000 and 20000-level Computer Science (CS) transfer credit courses (including credit from regional campuses) may be used to meet degree requirements if those courses were taken prior to admission to the Purdue West Lafayette Data Science, B.S. CS program.
- CS transfer credit at the 30000-40000-level may not be used to meet degree requirements. An exception to this policy is the application of pre-approved Study Abroad coursework.
- For CODO purposes, only the first or second attempt of a required CS and Math course will be considered. Course withdrawals are included in this requirement.
- Students wishing to be considered for Data Science program must submit a survey of their interest in the program. See College of Science CODO Procedure and Advising for link and more information.

Advising Website

College of Science CODO Procedure and Advising

Advising Next Steps

Meet with a Data Science Advisor during Non Major Drop-in Hours or email scienceadvising@purdue.edu with your full name, PUID, and questions if unable to attend the listed nonmajor drop-in times. Data Science is an academic program in both the departments of Computer Science or Statistics. Students will receive advising support to determine which department will best fit their career goals once admitted to the program.

Majors

- **Economics, BS (ECON)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.5

Course Requirements

2.75 GPA or better AND C- or better in the following:

- ECON 25100 - Microeconomics (EAI Course)
- ECON 25200 - Macroeconomics (EAI Course)
- COM 11400 - Fundamentals Of Speech Communication or (EAI Course)
- COM 21700 - Science Writing And Presentation or (EAI Course)
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills or (EAI Course)
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World (EAI Course)
- ENGL 10600 - First-Year Composition or (EAI Course)
- ENGL 10800 - Accelerated First-Year Composition or (EAI Course)
- HONR 19903 - Interdisciplinary Approaches In Writing or (EAI Course)
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity (EAI Course)
- MA 16010 - Applied Calculus I or (EAI Course)
- MA 16100 - Plane Analytic Geometry And Calculus I or (EAI Course)
- MA 16500 - Analytic Geometry And Calculus I (EAI Course)

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions
- Students must be in good academic standing (not on academic probation)
- C- or better in any completed ECON courses that are not a part of the EAI.
- The EAI must consist of at least (2) Krannert graded courses (for Economics ECON 25100 & ECON 25200) or (3) Purdue graded EAI courses.
- Management Admission Course Re-take allowance of EAI courses depends on the number of courses taken at Purdue and/or Krannert, no more than 2 or 3 EAI courses (or their equivalents) may be taken two times each for a grade. See our retake policy located on the Krannert School of Management Advising Policies website to determine your eligibility.

Advising Website

Electrical and Computer Engineering Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Computer Engineering, BSCMPE (CMPE)**
- **Electrical Engineering, BSEE (ECEB)**

General Requirements

- **Minimum Semesters: 2**
- **Minimum West Lafayette Credit Hours: 12**
- **Minimum GPA: 3.2**

Course Requirements

3.2 GPA or better with a minimum of 12 credit hours AND C- or better in the following:

- CHM 11500 - General Chemistry
 - PHYS 17200 - Modern Mechanics
 - BIOL 11000 - Fundamentals Of Biology I or
 - CHM 11600 - General Chemistry or
 - CS 15900 - C Programming
 - MA 16100 - Plane Analytic Geometry And Calculus I or
 - MA 16500 - Analytic Geometry And Calculus I
 - MA 16200 - Plane Analytic Geometry And Calculus II or
 - MA 16600 - Analytic Geometry And Calculus II
- C- or better in the following:**
- Oral Communication Foundational Outcome course (typically COM 11400 - Fundamentals Of Speech Communication)
 - Written Communication Foundational Outcome course (typically ENGL 10600 - First-Year Composition)

Other Requirements

- Students are accepted for FALL, SPRING and SUMMER.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after holistic review. Space is limited.
- Students must be in good academic standing (not on academic probation).
- Students must earn a 3.2 average GPA or higher in any engineering, science and math courses completed prior to major change.
- Students have a maximum of two attempts to CODO to ECE. After the second attempt, the student is no longer eligible to CODO to ECE.
- Students may complete 200-level ECE courses while working on their CODO to ECE; however, students may not take any 300-level or higher ECE courses until they are officially an ECE student.

Advising Website

Electrical and Computer Engineering Undergraduate Advising Office website

Advising Next Steps

Students are strongly recommended to make an appointment to meet with an ECE advisor. Contact eceugo@purdue.edu to schedule.

Elementary Education Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Elementary Education, BA (EDTB)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.75

Course Requirements

C- or better in the following:

- ENGL 10600 - First-Year Composition or
- ENGL 10800 - Accelerated First-Year Composition or
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)
- Have a "B" average with no grade lower than a "C" in completed education courses
- Note: All Teacher Education majors must meet additional Licensure requirement gates at points in their program. Please consult Teacher Education Program and talk with an Education advisor for more information.

Advising Website

College of Education Academic Advising website

Advising Next Steps

Students may call the office and schedule an appointment to meet with an academic advisor.

Environmental and Ecological Engineering Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Environmental and Ecological Engineering, BSEEE (EEE)**

General Requirements

- **Minimum Semesters: 1**
- **Minimum West Lafayette Credits: 12**
- **Minimum GPA: 2.5**

Course Requirements

2.0 GPA or better AND C- or better in the following:

- CHM 11500 - General Chemistry
- PHYS 17200 - Modern Mechanics
- Oral Communication Foundational Outcome course
- Written Communication Foundational Outcome course
- Transforming Ideas to Innovation I & II (typically ENGR 13100 and ENGR 13200), if taken.
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- One FYE Science Selective:
- CHM 11600 - General Chemistry (strongly recommended)
- CS 15900 - C Programming
- BIOL 11000 - Fundamentals Of Biology I
- BIOL 11100 - Fundamentals Of Biology II
- Note: Only appropriate courses from the First Year Engineering Curriculum Committee approved list will be allowed to substitute for the Course Requirements above.

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is limited.
- Students must be in good academic standing (not on academic probation).
- Of the 12 required credits taken at Purdue, 6 credits must be completed from the following technical and math courses: [MA 16200 or MA 16600], CHM 11500, PHYS 17200, or required engineering course at the 20000 level or above with a 2.5 GPA or better.
- Calculated GPA of engineering courses (20000 level and above) must be minimum 2.0, if taken. Applicable subject areas are: AAE, ABE, BME, CHE, CE, CEM, ECE, EEE, ENGR, IE, IDE, ME, MSE, NUCL.
- Students are limited to no more than 2 attempts to CODO into EEE.
- Note that CHM 11600 is a degree requirement in Environmental and Ecological Engineering and completing this beforehand is recommended.

Advising Website

Exploratory Studies Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Explorers, DS (UNEX)**

General Requirements

- **Minimum Semesters:** 0
- **Minimum West Lafayette Credit Hours:** 0
- **Minimum GPA:** 0

Course Requirements

- Students must have fewer than 83 credit hours of the following:
 - All graded course credit (see total GPA Credit hours in MyPurdue unofficial transcript)
 - Departmental Credit by exam
 - Transfer credit
 - Pass credit from courses in Pass/No Pass grade mode
 - Current semester courses
 - Courses with grade of "I" (Incomplete)
 - Any pre-college credit (AP, IB, CLEP, etc.)
 - Does NOT include:
 - Course Withdrawals (W, WF)
 - Previous attempts of a repeated course (excluded courses on transcript)

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions
- Accept students in any academic standing (including on academic probation)
- Students must enroll in EDPS 10500 (optional for sophomore students)

Majors

- **Finance, BS (FINC)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.5

Course Requirements

3.0 GPA or better AND C- or better in the following:

- ECON 25100 - Microeconomics (MAI Course)
- MGMT 20000 - Introductory Accounting (MAI Course) or
- MGMT 21200 - Business Accounting (MAI Course)
- COM 11400 - Fundamentals Of Speech Communication (MAI Course) or
- COM 21700 - Science Writing And Presentation (MAI Course) or
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills (MAI Course) or
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World (MAI Course)
- ENGL 10600 - First-Year Composition (MAI Course) or
- ENGL 10800 - Accelerated First-Year Composition (MAI Course) or
- HONR 19903 - Interdisciplinary Approaches In Writing (MAI Course) or
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity (MAI Course)
- MA 16010 - Applied Calculus I (MAI Course) or
- MA 16100 - Plane Analytic Geometry And Calculus I (MAI Course) or
- MA 16500 - Analytic Geometry And Calculus I (MAI Course)

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions
- Students must be in good academic standing (not on academic probation)
- C- in any completed MAI course(s) & School of Management Course(s) (MGMT, ECON, OBHR).

- The MAI must consist of at least (2) Krannert graded courses (MGMT 20000 & ECON 25100) or (3) Purdue graded MAI courses.
- Management Admission Course Re-take allowance of MAI courses depends on the number of courses taken at Purdue and/or Krannert, no more than 2 or 3 MAI courses (or their equivalents) may be taken two times each for a grade. See our retake policy located on the Krannert School of Management Advising Policies website to determine your eligibility.

Advising Website

Krannert School of Management Undergraduate Advising website

First-Year Engineering Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **First-Year Engineering (ENFY)**

General Requirements

- **Minimum Semesters: 1**
- **Minimum West Lafayette Credit Hours: 12**
- **Minimum GPA: 2.7**

Course Requirements

- To be eligible-a student must complete 3 courses (9 credits minimum), one from each category completed at PWL campus.
- 2.7 GPA or better AND C- or better in the following.

Category I

All courses from the following list, if completed, will be used in the calculation of the CODO GPA.

- MA 16100 - Plane Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II
- MA 16500 - Analytic Geometry And Calculus I
- MA 16600 - Analytic Geometry And Calculus II
- MA 26100 - Multivariate Calculus
- MA 26200 - Linear Algebra And Differential Equations
- MA 26500 - Linear Algebra
- MA 26600 - Ordinary Differential Equations
- MA 30300 - Differential Equations And Partial Differential Equations For Engineering And The Sciences

Category II

All courses from the following list, if completed, will be used in the calculation of the CODO GPA.

- BIOL 11000 - Fundamentals Of Biology I
- BIOL 11100 - Fundamentals Of Biology II
- BIOL 12100 - Biology I: Diversity, Ecology, And Behavior and BIOL 13500 - First Year Biology Laboratory
- BIOL 22100 - Introduction To Microbiology
- BIOL 23100 - Biology III: Cell Structure And Function
- CHM 11100 - General Chemistry and CHM 11200 - General Chemistry
- CHM 11500 - General Chemistry
- CHM 11600 - General Chemistry
- CHM 12500 - Introduction To Chemistry I
- CHM 12600 - Introduction To Chemistry II
- CHM 12901 - General Chemistry With A Biological Focus
- CHM 13600 - General Chemistry Honors
- CHM 25500 - Organic Chemistry
- CHM 25501 - Organic Chemistry Laboratory
- CHM 25700 - Organic Chemistry
- CHM 26100 - Organic Chemistry
- CHM 26200 - Organic Chemistry
- CHM 26300 - Organic Chemistry Laboratory
- CHM 26400 - Organic Chemistry Laboratory
- CHM 37000 - Topics In Physical Chemistry
- CS 15900 - C Programming
- CS 18000 - Problem Solving And Object-Oriented Programming
- PHYS 17200 - Modern Mechanics
- PHYS 24100 - Electricity And Optics
- PHYS 25200 - Electricity And Optics Laboratory
- PHYS 27200 - Electric And Magnetic Interactions

Category III

Only one course from the following list, if completed, will be used to calculate CODO GPA, selected in the following order, if more than one category 3 course is completed with a grade.

An Introductory Engineering Course

- ENGR 13100 - Transforming Ideas To Innovation I
- ENGR 13200 - Transforming Ideas To Innovation II
- ENGR 13300 - Transforming Ideas To Innovation, EPICS
- ENGR 16100 - Honors Introduction To Innovation And The Physical Science Of Engineering Design I
- ENGR 16200 - Honors Introduction To Innovation And The Physical Science Of Engineering Design II
- ENGR 19500 - First-Year Engineering Projects
- A course from the Written Communications Foundational Outcome list
- A course from the Oral Communications Foundational Outcome list
- A course from the Humanities or Behavioral and Social Sciences Foundational Outcome lists

Other Requirements

- Students are accepted for FALL and SPRING.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after holistic review. Space is extremely limited.
- Students must be in good academic standing (not on academic probation).
- Answer First-Year Engineering CODO short-answer questions found on the First-Year Engineering Program CODO website.
- To learn more about holistic review, please visit the First-Year Engineering Program CODO website.

Advising Website

First-Year Engineering Program CODO website

Advising Next Steps

- Step 1: Work closely with your current college/school advisor in the selection of the required coursework to meet the CODO requirements to First-Year Engineering.
- Step 2: View the pre-recorded CODO video presentation and complete an online quiz.
- Step 3: Answer the First-Year Engineering CODO short-answer questions found on the First-Year Engineering Program CODO website.
- Step 4: Have your current advisor submit the electronic CODO application by Thursday of finals week no later than 5:00pm. Late applications will not be accepted.
- Step 5: If after viewing the CODO video, you have questions that your current advisor is unable to answer, you can send your questions to: engrinfo@purdue.edu.

Food Science Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Food Science, BS (FDSC)**

General Requirements

- **Minimum Semesters: 1**
- **Minimum West Lafayette Credit Hours: 12**
- **Minimum GPA: 2.0**

Course Requirements

- n/a

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY. Space is limited.
- Accept students in any academic standing (including on academic probation).
- Note: Strong performance in 10000 and 20000-level mathematics and science courses is necessary to be successful in the Food Science major as a 2.5 mathematics/science GPA is required to enroll in 30000-level Food Science courses.

Advising Next Steps

Students wanting to change their major to a College of Health and Human Sciences (HHS) major are encouraged to attend an HHS Advising Meeting. See the College of Health and Human Sciences Changing Your Major website for details.

Industrial Engineering Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Industrial Engineering, BSIE (IE)**

General Requirements

- **Minimum Semesters: 2**
- **Minimum West Lafayette Credit Hours: 30**
- **Minimum GPA: 2.0**

Course Requirements

C- or better in the following:

- CHM 11500 - General Chemistry (or equivalent)
- PHYS 17200 - Modern Mechanics (or equivalent)
- Oral Communication Foundational Outcome course (typically COM 11400 - Fundamentals Of Speech Communication)
- Written Communication Foundational Outcome course (typically ENGL 10600 - First-Year Composition)
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- One FYE Selective:
- BIOL 11000 - Fundamentals Of Biology I
- CHM 11600 - General Chemistry
- CS 15900 - C Programming or
- CS 18000 - Problem Solving And Object-Oriented Programming
- Note: CS 15900 or CS 18000 meet Industrial Engineering degree requirements.

Other Requirements

- Students are accepted for FALL and SPRING.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY. Space is extremely limited.
- Students must be in good academic standing (not on academic probation).
- Students are allowed two (2) attempts to CODO. Appeals for a third attempt can be made; approval is not guaranteed.
- Students are asked to complete a CODO Inquiry Response form when planning to CODO.

Advising Website

Advising Next Steps

Interested students in changing major to Industrial Engineering (IE) are expected to schedule a meeting with an IE advisor as part of the CODO process. Students can email an IE academic advisor to schedule a meeting.

Insect Biology Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Insect Biology, BS (IBIO)**
- **Insect Biology: Forensic Entomology, BS (FRSE)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

- n/a

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Accept students in any academic standing (including on academic probation)

Advising Website

Advising Next Steps

Students are encouraged to speak with departmental advisor.

Interdisciplinary Engineering Studies Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Interdisciplinary Engineering Studies/Engineering Science Studies Concentration, BS (INTE/ENGS)**
- **Interdisciplinary Engineering Studies/Pre-Med Concentration, BS (INTE/PMES)**

General Requirements

- **Minimum Semesters: 1**
- **Minimum West Lafayette Credit Hours: 15**
- **Minimum GPA: 2.0**

Course Requirements

2.0 GPA or better AND C- or better in the following:

- CHM 11500 - General Chemistry
- PHYS 17200 - Modern Mechanics
- Science Selective (typically CHM 11600 - General Chemistry or CS 15900 - C Programming)
- Oral Communication Foundational Outcome Course (typically COM 11400 - Fundamentals Of Speech Communication)
- Written Communication Foundational Outcome Course (typically ENGL 10600 - First-Year Composition)
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I

- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- One of the following groups:
- ENGR 13100 - Transforming Ideas To Innovation I and
- ENGR 13200 - Transforming Ideas To Innovation II
- ENGR 14100 - Honors Creativity And Innovation In Engineering Design I and
- ENGR 14200 - Honors Creativity And Innovation In Engineering Design II
- ENGR 16100 - Honors Introduction To Innovation And The Physical Science Of Engineering Design I and
- ENGR 16200 - Honors Introduction To Innovation And The Physical Science Of Engineering Design II
- EPCS 11100 - First Year Participation In EPICS I and
- EPCS 12100 - First Year Participation In EPICS II and
- ENGR 13300 - Transforming Ideas To Innovation, EPICS

Other Requirements

- Students are accepted for FALL, SPRING and SUMMER.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is limited.
- Students must be in good academic standing (not on academic probation).
- 2.0 GPA in a minimum of 6 credits in engineering courses 200+ level (AAE, ABE, BME, CE, CEM, CHE, ECE, EEE, ENE, ENGR, EPCS, IDE, IE, ME, MSE, NUCL) taken at Purdue prior to CODO.
- Students who are more than 30 credits from completing the minimum 120 credit degree requirements must have an overall cumulative GPA of 2.50 or higher. Students requiring 16 to 30 credits for degree completion need an overall cumulative 2.35 GPA, and students requiring 15 or less credits for degree completion need an overall cumulative 2.2 GPA. Students who have completed all the IDES degree requirements need an overall cumulative GPA of 2.0 (same as applied to students in the program).
- Students who were in IDES or MDE at one time and processed a CODO out to another program will not be allowed to CODO back into IDES or MDE.

Advising Website

Interdisciplinary Engineering Studies website

Advising Next Steps

Students should review the IDES Website to review the limitations and concentrations associated with this degree plan. Then, contact the MDE/IDES advisor at ide@ecn.purdue.edu.

Interdisciplinary Science Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Interdisciplinary Science, BS (Biology) (IDSC/BIOL)**
- **Interdisciplinary Science, BS (Chemistry) (IDSC/CHEM)**
- **Interdisciplinary Science, BS (Computer Science) (IDSC/CS)**
- **Interdisciplinary Science, BS (Earth, Atmospheric, and Planetary Sciences) (IDSC/EAPS)**
- **Interdisciplinary Science, BS (Mathematics) (IDSC/MATH)**
- **Interdisciplinary Science, BS (Physics) (IDSC/PHYS)**
- **Interdisciplinary Science, BS (Statistics) (IDSC/STAT)**

Note: Student must select a concentration in BIOL, CHEM, CS, EAPS, MATH, PHYS, or STAT

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

- C or better in the following:
 - One required Math course from the Degree Requirements. See courses listed under program of interest in the College of Science Administration Programs section of the 2022-2023 University Catalog.
 - One Science course in area of concentration to meet degree requirements. Concentration Degree Requirements are listed under program of interest in the College of Science Administration Programs section of the 2022-2023 University Catalog.

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)
- 2.0 average GPA in any completed BIOL, CHM, CS, EAPS, MA, PHYS or STAT course that meets degree requirements. See courses listed under program of interest in the College of Science Administration Programs section of the 2022-2023 University Catalog or current students can use the "What if" function in MyPurduePlan.

Advising Website

College of Science CODO Procedure and Advising

Advising Next Steps

Students can speak with an advisor during Non Major Drop-in Hours.

Kinesiology Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Kinesiology, BS (KINE)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.5

Course Requirements

- n/a

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)

Advising Website

College of Health and Human Sciences Student Services website

Advising Next Steps

Students wanting to change their major to a College of Health and Human Sciences (HHS) major are encouraged to attend an HHS Advising Meeting. See the College of Health and Human Sciences Changing Your Major website for details.

Marketing Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Marketing, BS (MRKT)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.5

Course Requirements

3.0 GPA or better AND C- or better in the following:

- ECON 25100 - Microeconomics (MAI Course)
- MGMT 20000 - Introductory Accounting (MAI Course) or
- MGMT 21200 - Business Accounting (MAI Course)
- COM 11400 - Fundamentals Of Speech Communication (MAI Course) or
- COM 21700 - Science Writing And Presentation (MAI Course) or
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills (MAI Course) or
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World (MAI Course)
- ENGL 10600 - First-Year Composition (MAI Course) or
- ENGL 10800 - Accelerated First-Year Composition (MAI Course) or
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity (MAI Course) or
- HONR 19903 - Interdisciplinary Approaches In Writing (MAI Course)
- MA 16010 - Applied Calculus I (MAI Course) or
- MA 16100 - Plane Analytic Geometry And Calculus I (MAI Course) or

- MA 16500 - Analytic Geometry And Calculus I (MAI Course)

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions
- Students must be in good academic standing (not on academic probation)
- C- in any completed MAI course(s) & School of Management Course(s) (MGMT, ECON, OBHR).
- The MAI must consist of at least (2) Krannert graded courses (MGMT 20000 and ECON 25100) or (3) Purdue graded MAI courses.
- Management Admission Course Re-take allowance of MAI courses depends on the number of courses taken at Purdue and/or Krannert, no more than 2 or 3 MAI courses (or their equivalents) may be taken two times each for a grade. See our retake policy located on the Krannert School of Management Advising Policies website to determine your eligibility.

Advising Website

Krannert School of Management Undergraduate Advising website

Advising Next Steps

Students can speak with an advisor during non-Krannert student drop-in hours. These happen most days M-F, 1:30-3 p.m. For more information see Krannert School of Management Non-Krannert Student Drop-In schedule.

Materials Engineering Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Materials Engineering, BSMSE (MSEB)**

General Requirements

- **Minimum Semesters: 2**

- **Minimum West Lafayette Credit Hours: 30**
- **Minimum GPA: 2.5**

Course Requirements

2.0 or better in the following:

- CHM 11500 - General Chemistry
- PHYS 17200 - Modern Mechanics
- Oral Communication Foundational Outcome Course (typically COM 11400 - Fundamentals Of Speech Communication)
- Written Communication Foundational Outcome Course (typically ENGL 10600 - First-Year Composition)
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- One FYE Selective:
- CHM 11600 - General Chemistry (recommended)
- CS 15900 - C Programming
- BIOL 11000 - Fundamentals Of Biology I
- BIOL 11100 - Fundamentals Of Biology II
- BIOL 13100 - Biology II: Development, Structure, And Function Of Organisms
- BIOL 12100 - Biology I: Diversity, Ecology, And Behavior and BIOL 13500 - First Year Biology Laboratory

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER.
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation).
- Note: CHM 11600 - General Chemistry is a degree requirement in Materials Engineering and completing this beforehand is recommended.

Majors

- **Mathematics Education, BS (MAED)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

- 2.7 or better in two courses in the approved Calculus sequence I, II and III (transfer credit may be used):
Calculus I
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I or
- MA 16010 - Applied Calculus I and MA 16020 - Applied Calculus II
Calculus II
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
Calculus III
- MA 26100 - Multivariate Calculus or
- MA 27101 - Honors Multivariate Calculus

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)
- 2.5 GPA average in any major courses taken that meet the major block in degree requirements:
 - MA 16100 or MA 16500 or (MA 16010 and MA 16020)
 - MA 16200 or MA 16600
 - MA 26100 or MA 27101
 - CS 17700 or CS 15900 or CS 18000
 - STAT 31100 - Introductory Probability
 - STAT 35000 - Introduction To Statistics

- MA 35100 - Elementary Linear Algebra (MA 26500 with B- or better can be used in place of MA 35100 if taken before adding a math major.)
- MA 36600 - Ordinary Differential Equations (MA 26600 with B- or better can be used in place of MA 36600 if taken before adding a math major)
- MA 37500 - Introduction To Discrete Mathematics
- MA 46000 - Geometry
- MA 48400 - Seminar On Teaching College Algebra And Trigonometry
- MA 30100 - An Introduction To Proof Through Real Analysis or MA 34100 - Foundations Of Analysis
- MA 45000 - Algebra Honors or MA 45300 - Elements Of Algebra I

A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Mechanical Engineering, BSME (MECH)**

General Requirements

- **Minimum Semesters: 1**
- **Minimum West Lafayette Credit Hours: 15**
- **Minimum GPA: 3.4**

Course Requirements

3.4 or better with a minimum of 12 credit hours in the following:

- CGT 16300 - Graphical Communication And Spatial Analysis
- MA 26100 - Multivariate Calculus or

- MA 26200 - Linear Algebra And Differential Equations or
- MA 26500 - Linear Algebra and MA 26600 - Ordinary Differential Equations
- PHYS 24100 - Electricity And Optics or
- PHYS 27200 - Electric And Magnetic Interactions
- One ENGR 200-level discipline course (examples: ECE 20100, CE 29800, AAE 20300, AAE 25100, ME 20000, ME 27000, etc.)

2.0 GPA AND C- or better in the following:

- CHM 11500 - General Chemistry
- PHYS 17200 - Modern Mechanics
- Oral Communication Foundational Outcome course (typically COM 11400 - Fundamentals Of Speech Communication)
- Written Communication Foundational Outcome course (typically ENGL 10600 - First-Year Composition)
- Science Selective (typically CHM 11600 - General Chemistry or CS 15900 - C Programming)
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
Transforming Ideas to Innovation I & II :
- ENGR 13000 - Transforming Ideas Into Innovations
OR
- ENGR 13300 - Transforming Ideas To Innovation, EPICS and
- VIP 17911 - First Year Participation In Vertically Integrated Projects (VIP) I and
- VIP 17912 - First Year Participation In Vertically Integrated Projects (VIP) II
OR
- ENGR 13100 - Transforming Ideas To Innovation I and
- ENGR 13200 - Transforming Ideas To Innovation II
OR
- ENGR 16100 - Honors Introduction To Innovation And The Physical Science Of Engineering Design I and
- ENGR 16200 - Honors Introduction To Innovation And The Physical Science Of Engineering Design II
OR
- EPCS 11100 - First Year Participation In EPICS I and
- EPCS 12100 - First Year Participation In EPICS II and

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is extremely limited.
- Students must be in good academic standing (not on academic probation).
- Students must earn a 3.4 average GPA or higher in any engineering, science, and math courses completed prior to CODO.
- Students with 15 credit hours in their most current semester are preferred.
- Major change requests must be submitted by 5:00 p.m. (Eastern) the Thursday of finals week.

Advising Website

Advising Next Steps

Students interested in changing majors to Mechanical Engineering are strongly encouraged to meet with an Academic Advisor. Students can email meundergrad@purdue.edu to either ask specific questions or request an appointment.

Medical Laboratory Sciences Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Medical Laboratory Sciences, BS (MLAB)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.75

Course Requirements

- C or better in the following:
 - Two required science or math (CHM, BIOL, PHYS, or MA) courses on the plan of study. See courses listed under program of interest in the School of Health Sciences Programs section in the 2022-2023 University Catalog.

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions
- Students must be in good academic standing (not on academic probation)

Advising Website

College of Health and Human Sciences Student Services website

Advising Next Steps

Students wanting to change their major to a College of Health and Human Sciences (HHS) major are encouraged to attend an HHS Advising Meeting. See the College of Health and Human Sciences Changing Your Major website for details.

Multidisciplinary Engineering Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- Multidisciplinary Engineering/Acoustical Engineering Concentration, BSE (MUEN/ACST)
- Multidisciplinary Engineering/Educational Engineering Concentration, BSE (MUEN/EDCE)
- Multidisciplinary Engineering/Engineering Management Concentration, BSE (MUEN/ENMG)
- Multidisciplinary Engineering/General Engineering Concentration, BSE (MUEN/GENG)
- Multidisciplinary Engineering/Humanitarian Engineering Concentration, BSE (MUEN/HUMN)
- Multidisciplinary Engineering/Lighting Concentration, BSE (MUEN/LENG)
- Multidisciplinary Engineering/Nano Engineering, BSE (MUEN/NAEN)
- Multidisciplinary Engineering/Theatre Engineering Concentration, BSE (MUEN/THEG)- *Program is closed to major changes (CODO)*
- Multidisciplinary Engineering/Visual Design Engineering Concentration, BSE (MUEN/VDEN)

General Requirements

- **Minimum Semesters: 1**
- **Minimum West Lafayette Credit Hours: 15**
- **Minimum GPA: 2.5**

Course Requirements

2.0 GPA or better AND C- or better in the following:

- CHM 11500 - General Chemistry
- PHYS 17200 - Modern Mechanics
- Science Selective (typically CHM 11600 - General Chemistry or CS 15900 - C Programming)
- Oral Communication Foundational Outcome course (typically COM 11400 - Fundamentals Of Speech Communication)
- Written Communication Foundational Outcome course (typically ENGL 10600 - First-Year Composition)
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- One of the following groups:
- ENGR 13100 - Transforming Ideas To Innovation I and
- ENGR 13200 - Transforming Ideas To Innovation II
- ENGR 14100 - Honors Creativity And Innovation In Engineering Design I and
- ENGR 14200 - Honors Creativity And Innovation In Engineering Design II
- ENGR 16100 - Honors Introduction To Innovation And The Physical Science Of Engineering Design I and
- ENGR 16200 - Honors Introduction To Innovation And The Physical Science Of Engineering Design II
- EPCS 11100 - First Year Participation In EPICS I and
- EPCS 12100 - First Year Participation In EPICS II and
- ENGR 13300 - Transforming Ideas To Innovation, EPICS

Other Requirements

- Students are accepted for FALL, SPRING and SUMMER.
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is extremely limited.
- Students must be in good academic standing (not on academic probation).
- Average GPA of 2.5 in a minimum of 6 credits in engineering courses 200+ level (AAE, ABE, BME, CE, CEM, CHE, ECE, EEE, ENE, ENGR, EPCS, IDE, IE, ME, MSE, NUCL) taken at Purdue prior to CODO.
- Minimum semester GPA of 2.5
- Students who are more than 30 credits from completing the minimum 120 credit degree requirements must have an overall cumulative GPA of 2.75 or higher. Students requiring 16 to 30 credits for degree completion need an overall cumulative 2.55 GPA, and students requiring 15 or less credits for degree completion need an overall cumulative 2.4 GPA. Students who have completed all the MDE degree requirements need an overall cumulative GPA of 2.0 (same as applied to students in the program).
- Students who were in IDES or MDE at one time and processed a CODO out to another program will not be allowed to CODO back into IDES or MDE.

Advising Website

Multidisciplinary Engineering Degree Requirements and Program Policies

Advising Next Steps

Students should review the MDE website to explore concentration areas of interest and then contact the MDE/IDES advisor at ide@ecn.purdue.edu

Natural Resources and Environmental Science Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Natural Resources and Environmental Science: Climate and Energy Solutions Concentration, BS (NREV/CAES)**
- **Natural Resources and Environmental Science: Emerging Environmental Challenges Concentration, BS (NREV/EMEC)**
- **Natural Resources and Environmental Science: Environmental Policy and Analysis Concentration, BS (NREV/ENPE)**
- **Natural Resources and Environmental Science: Environmental Quality And Restoration Concentration, BS (NREV/ENQR)**
- **Natural Resources and Environmental Science: Sustainability Science Concentration, BS (NREV/SUSC)**
- **Natural Resources and Environmental Science: Watershed Management Concentration, BS (NREV/WTMG)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

- n/a

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER

- Major is open with no anticipated space restrictions
- Accept students in any academic standing (including on academic probation)

Advising Website

College of Agriculture Academic Advisors

Advising Next Steps

Students are encouraged to speak with departmental advisor.

Nuclear Engineering Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Nuclear Engineering, BSNE (NUCL)**

General Requirements

- **Minimum Semesters: 2**
- **Minimum West Lafayette Credit Hours: 30**
- **Minimum GPA: 2.8**

Course Requirements

2.0 or better in the following:

- CHM 11500 - General Chemistry
- CS 15900 - C Programming
- PHYS 17200 - Modern Mechanics
- Oral Communication Foundational Outcome course (typically COM 11400 - Fundamentals Of Speech Communication)
- Written Communication Foundational Outcome course (typically ENGL 10600 - First-Year Composition)

- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER.
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation).
- Students must have a 2.8 GPA in any AAE, ABE, BME, CE, CEM, CHE, CS, ECE, EEE, ENGR, IDE, IE, ME, MSE, NUCL, PHYS, CHM, BIOL, MA, and STAT completed prior to CODO.

Advising Website

Nuclear Engineering Student Services website

Advising Next Steps

Students can start with emailing Nuclear Engineering Academic Advising at nuclss@purdue.edu to learn more and/or set up an appointment time.

Nursing Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Nursing, BSN (NRS)**
- **Accelerated Nursing, BSN (NRSA) - Not accepting CODO** - *students need an undergraduate degree to apply to this program. Contact the school of Nursing at 765-494-4042 for more information about this program.*

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 3.0

Course Requirements

- 3.0 or better in the following:
 - Six credits of biology and/or chemistry courses with labs

Other Requirements

- Students are accepted for FALL
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is limited.
- Students must be in good academic standing (not on academic probation)
- Students are required to complete a CODO application prior to submitting their request.
- Application is provided at CODO meeting or available in JNSN 109.
- Applications may be submitted by 5:00pm Eastern on Friday of finals week during the spring semester. Applications will be reviewed after spring semester grades are posted.
- Students are strongly encouraged to attend a CODO meeting to learn about the application process and the courses needed to stay on track for four-year graduation in the nursing curriculum.

Advising Website

College of Health and Human Sciences Student Services website

Advising Next Steps

Students wanting to change their major to a College of Health and Human Sciences (HHS) major are encouraged to attend an HHS Advising Meeting. See the College of Health and Human Sciences Changing Your Major website for details.

Nutrition and Dietetics Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Nutrition and Dietetics, BS (DPND)**
- **Coordinated Program in Dietetics, BS (CRDT)** *Students wishing to CODO to Coordinated Program in Dietetics will start in the Didactic Program in Nutrition and Dietetics (DPND)*

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 3.0

Course Requirements

C or better in any of the following:

- CHM 11100 - General Chemistry
- CHM 11500 - General Chemistry
- CHM 12901 - General Chemistry With A Biological Focus
- BIOL 11000 - Fundamentals Of Biology I
- BIOL 12100 - Biology I: Diversity, Ecology, And Behavior
- BIOL 20300 - Human Anatomy And Physiology
- BIOL 30100 - Human Design: Anatomy And Physiology

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)

Majors

- **Physics, BS (PHYS)**
- **Applied Physics, BS (APPH)**
- **Physics Honors, BS (PHHO)** *Students wishing to CODO to Physics Honors must first CODO to Physics.*
- **Applied Physics Honors, BS (APHO)** *Students wishing to CODO to Applied Physics Honors must first CODO to Applied Physics.*

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

- C or better in the following:
- PHYS 17200 - Modern Mechanics
- MA 16100 - Plane Analytic Geometry And Calculus I or

- MA 16500 - Analytic Geometry And Calculus I

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER.
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation).
- 2.0 GPA in any completed course (see below) that meets degree requirements:
- CHM 11500 - General Chemistry
- CHM 11600 - General Chemistry
- CS 15900 - C Programming or
- CS 17700 - Programming With Multimedia Objects or
- CS 18000 - Problem Solving And Object-Oriented Programming
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- MA 26100 - Multivariate Calculus or
- MA 27101 - Honors Multivariate Calculus
- PHYS 24100 - Electricity And Optics and PHYS 25200 - Electricity And Optics Laboratory or
- PHYS 27200 - Electric And Magnetic Interactions
- PHYS 30600 - Mathematical Methods Of Physics I
- PHYS 30700 - Mathematical Methods Of Physics II
- PHYS 31000 - Intermediate Mechanics
- PHYS 33000 - Intermediate Electricity And Magnetism
- PHYS 34000 - Modern Physics Laboratory
- PHYS 34400 - Modern Physics
- PHYS 36000 - Quantum Mechanics
- PHYS 42200 - Waves And Oscillations
- PHYS 45000 - Intermediate Laboratory
- PHYS 51500 - Thermal And Statistical Physics
- PHYS 53600 - Electronic Techniques For Research
- PHYS 58000 - Computational Physics
- STAT 30100 - Elementary Statistical Methods or
- STAT 35000 - Introduction To Statistics

Advising Website

College of Science Undergraduate Academic Advising

Advising Next Steps

- It is strongly recommended that students consult with a Physics advisor prior to CODOing to Physics or Applied Physics. Students can set up an information meeting by emailing physcontacts@purdue.edu to arrange a time to meet with a Physics Advisor. Please include your name and email address.

A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Plant Science, BS (PLSC)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

- n/a

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Accept students in any academic standing (including on academic probation)

Advising Website

College of Agriculture Academic Advisors

Advising Next Steps

Students are encouraged to speak with departmental advisor.

Pre-Accounting Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Pre-Accounting (PMGA)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 3.5

Course Requirements

- N/A

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)
- B or better in any completed Management Admission Index (MAI) course(s). MAI courses are as follows:
 - COM 11400 or COM 21700 or SCLA 10200 or EDPS 31500
 - ECON 25100
 - ENGL 10600, ENGL 10800, SCLA 10100 or HONR 19903
 - MA 16010 or MA 16100 or MA 16500
 - MGMT 20000 or MGMT 21200
- C- or better in any completed Krannert School of Management course(s) (MGMT, ECON, OBHR) excluding MAI courses (ECON 25100 and MGMT 20000).
- Management Admission to upper division note: The MAI must consist of at least (2) Krannert graded courses (MGMT 20000 & ECON 25100) or three (3) Purdue graded MAI courses.

- Management Admission Course Re-take allowance of MAI courses depends on the number of courses taken at Purdue and/or Krannert, no more than 2 or 3 MAI courses (or their equivalents) may be taken two times each for a grade. See our retake policy located on the Krannert School of Management Advising Policies website to determine your eligibility.

Advising Website

Soil And Water Sciences Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Soil and Water Sciences, BS (SHSC)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

- n/a

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Accept students in any academic standing (including on academic probation)

Statistics - Math Emphasis Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Statistics - Math Emphasis, BS (STMA)**
- **Statistics Honors, BS (STHO)** - *Students wishing to CODO to Statistics Honors must first CODO to Statistics Math Emphasis.*

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

Fulfill the requirements for either Option 1 or Option 2.

Option 1:

A 2.0 or better GPA in at least two graded courses in the approved Calculus sequence I, II and III:

Calculus I

- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I or
- MA 16010 - Applied Calculus I and MA 16020 - Applied Calculus II

Calculus II

- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II

Calculus III

- MA 26100 - Multivariate Calculus or

- MA 27101 - Honors Multivariate Calculus

Option 2:

B- or better in the following:

- MA 41600 - Probability or
- STAT 41600 - Probability

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)
- 2.5 GPA in any completed course (see below) that meets degree requirements (courses are not required to CODO):
 - MA 35100 - Elementary Linear Algebra
 - MA 35301 - Linear Algebra II
 - STAT 51200 - Applied Regression Analysis
 - STAT 35000 - Introduction To Statistics or STAT 35500 - Statistics For Data Science
 - MA 34100 - Foundations Of Analysis or MA 44000 - Honors Real Analysis I
 - MA 41600 - Probability or STAT 41600 - Probability or STAT 51600 - Basic Probability And Applications
 - STAT 41700 - Statistical Theory or STAT 51700 - Statistical Inference

UX Design Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **UX Design, BS (UXDS)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 0
- **Minimum GPA:** 3.0

Course Requirements

- n/a

Other Requirements

- Students are accepted for FALL
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is extremely limited.
- Students must be in good academic standing (not on academic probation)
- Review Procedure: Interested students should complete a CODO request no later than the end of Spring semester for a Fall CODO. Faculty will review requests and host interviews with students which will contribute to the holistic review of the student. To begin the process students should have their Academic Advisor begin the major change process to UX Design with effective term Fall of the following academic year. Students will then be contacted by a UX Design Advisor for more information about setting up an interview. Decisions for admissions will be announced by the 1st week of Fall classes to students.

Integrated Business and Engineering Major Change (CODO) Requirements

Majors:

- **Integrated Business & Engineering, BS**

General Requirements:

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.5

Course Requirements:

B or better in the following

- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I
OR
- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
OR
- MA 26100 - Multivariate Calculus
- CHM 11500 - General Chemistry or
- PHYS 17200 - Modern Mechanics
- MGMT 20000 - Introductory Accounting or
- MGMT 21200 - Business Accounting

3.0 GPA or better AND C- or better in the following:

- ECON 25100 - Microeconomics
- COM 11400 - Fundamentals Of Speech Communication or
- COM 21700 - Science Writing And Presentation or
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills or
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World
- ENGL 10600 - First-Year Composition or
- ENGL 10800 - Accelerated First-Year Composition or
- HONR 19903 - Interdisciplinary Approaches In Writing or
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity

Other Requirements:

- Students are accepted for FALL and SPRING
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is extremely limited.
- Students must be in good academic standing (not on academic probation)
- New Beginner Students who started at Purdue West Lafayette in Fall 2021 and later will only be considered.
- Math, Chemistry/Physics, and Management courses considered for CODO must be taken for a letter grade on a Purdue campus.
- For CODO purposes, only the first or second attempt of a required Math, Chemistry/Physics, and Management course will be considered. Course withdrawals are included in this requirement (W/WF).
- Student short answer survey must be completed online by 5:00 p.m. Eastern the Thursday of finals week in the term prior to changing majors. Major Change (CODO) requests will be reviewed after semester grades have posted. Link to required short answer survey can be found under the Fall 2021 and Later IBE CODO Requirements tab on the Krannert School of Management Change of Degree Objective page.

Data Science (Mathematics) Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- Data Science, BS (Mathematics) (DSMA)

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.75

Course Requirements

B or better in the following:

- CS 18000 - Problem Solving And Object-Oriented Programming
- MA 16100 - Plane Analytic Geometry And Calculus I or MA 16500 - Analytic Geometry And Calculus I
OR
- MA 16200 - Plane Analytic Geometry And Calculus II or MA 16600 - Analytic Geometry And Calculus II
OR
- MA 26100 - Multivariate Calculus or MA 27101 - Honors Multivariate Calculus
OR
- MA 26500 - Linear Algebra or MA 35100 - Elementary Linear Algebra

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Students are admitted on a SPACE AVAILABLE BASIS ONLY after a holistic review. Space is limited.
- Students must be in good academic standing (not on academic probation)
- All CS and Math courses considered for CODO must be taken for a letter grade on a Purdue campus.
- Equivalent 10000 and 20000-level Computer Science (CS) transfer credit courses (including credit from regional campuses) may be used to meet degree requirements if those courses were taken prior to admission to the Purdue West Lafayette Data Science, B.S. Mathematics program.
- Equivalent 10000 and 20000-level Mathematics (MA) transfer credit courses and MA 35100 transfer credit with a "C" or better (including credit from regional campuses) may be used to meet degree requirements if those courses were taken prior to admission to the Purdue West Lafayette Data Science, B.S. Mathematics program.
- CS and MA transfer credit at the 30000-40000-level may not be used to meet degree requirements. An exception to this policy is the application of pre-approved Study Abroad coursework.
- For CODO purposes, only the first or second attempt of a required CS and Math course will be considered. Course withdrawals are included in this requirement.
- Note: Data Science (Mathematics) was a new major for fall 2021. Courses are in development and will roll out as students progress. Earliest completion date in the program is spring 2025 due to the development of new courses.

General Requirements

- **Minimum Semesters:** 1
- **Minimum Credits:** 12
- **Minimum GPA:** 2.5

Course Requirements

3.0 GPA or better AND C- or better in the following:

- ECON 25100 - Microeconomics
- MGMT 20000 - Introductory Accounting
- COM 11400 - Fundamentals Of Speech Communication or
- COM 21700 - Science Writing And Presentation or
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills or
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World
- ENGL 10600 - First-Year Composition or
- ENGL 10800 - Accelerated First-Year Composition or
- HONR 19903 - Interdisciplinary Approaches In Writing or
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity
- MA 16010 - Applied Calculus I or
- MA 16100 - Plane Analytic Geometry And Calculus I or
- MA 16500 - Analytic Geometry And Calculus I

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions.
- Students must be in good academic standing (not on academic probation)
- C- or better in any completed MAI course(s) & School of Management Course(s) (MGMT, ECON, OBHR).
- The MAI must consist of at least (2) Krannert graded courses (MGMT 20000 & ECON 25100) or (3) Purdue graded MAI courses.
- Management Admission Course Re-take allowance of MAI courses depends on the number of courses taken at Purdue and/or Krannert, no more than 2 or 3 MAI courses (or their equivalents) may be taken two times each for a grade. See our retake policy located on the Krannert School of Management Advising Policies website to determine your eligibility.

Advising Office Location

Krannert Building, Room 352

Advising Next Steps

Students can speak with an advisor during non-Krannert student walk-in hours. These happen most days M-F, 1:30-3 p.m. For more information see Krannert School of Management Non-Krannert Student Walk-Ins.

Fermentation Science Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you. Students can find their catalog term at the top of their MyPurduePlan below the degree progress bar.

This major change information below is for the catalog term you are currently viewing; see the University Undergraduate Academic Advising Major Change (CODO) website for prior catalog term criteria, more about the major change process and FAQs.

Majors

- **Fermentation Science (FERM)**

General Requirements

- **Minimum Semesters:** 1
- **Minimum West Lafayette Credit Hours:** 12
- **Minimum GPA:** 2.0

Course Requirements

- n/a

Other Requirements

- Students are accepted for FALL, SPRING, and SUMMER
- Major is open with no anticipated space restrictions
- Accept students in any academic standing (including on academic probation)

Advising Website

Food Science Academic Advising and Planning website

Advising Next Steps

Students are encouraged to speak with departmental advisor.

Artificial Intelligence Major Change (CODO) Requirements

Major Change (CODO) Requirements

Purdue students interested in changing their major should meet with their current academic advisor to discuss their options and begin the online process. Once the student's Major Change (CODO) has been processed, students will receive an email with instructions to authorize the change.

Students will need to meet the criteria below to be eligible for this major. A student's catalog term, typically the semester you started at Purdue, will be used to determine the Major Change criteria that applies to you.
