

School of Management

School of Management

Overview

"Take Your Next Giant Leap"

Krannert programs rank in the top 20 public schools of business according to *U.S. News and World Report*. Our programs in business analytics (BAIM) and supply chain and operations management (SCOM) are in the top 12 in national rankings. The new Integrated Business and Engineering is one of the most innovative hybrid degree plans in the country. Our strategic objective is to be in the top 10 public business schools in the country with one of the most dynamic and experientially rich business programs with interdisciplinary STEM and non-STEM opportunities. Read on to explore our undergraduate majors and learn how Krannert prepares analytical global leaders.

Be CareerBound

With your first step on campus, you will notice the buzz of activity associated with preparing for your academic journey and your future professional career. Your daily routine is filled with courses and projects but also club activities, networking with alumni and peers, campus jobs and delving into experiential growth opportunities in leadership, communication and team management. Krannert's **CareerBound** program provides a framework for continuously strengthening your professional competencies while building your management and technical skillset. In Krannert's programs, the path toward your lifelong career is built on state-of-the-art courses that provide students with opportunities to immerse themselves in real-world challenges and problem-solving opportunities.

Jump on the Fast Track

Most Krannert students start their journey at a point of entry where they complete a common core of foundational courses for management and economics, along with general core curriculum courses. After earning the GPA required for admission into upper division, students will follow a plan of study associated with a specific major within Krannert. Many students bring in ample AP and dual credits such that they move fast through this entry-level stage to pursue multiple majors, minors, concentrations certificates and internships. And every major offered by Krannert, with the exception of IBE, may be completed within three years. Krannert's mission is to facilitate students' success in designing and completing the plan of study that optimizes every student's educational and professional objectives.

Discover your Potential: Live your Dream

Krannert students may aspire to the C-suite to become Chief Executive Officers, Chief Financial Officers, Chief Information Officers or Chief People Officers for multi-national organizations. Many pursue careers in public accounting, management consulting, investment banking or data analysis. Others thrive as entrepreneurs and launch successful startups. You will find Krannert graduates working all around the world, using their skills and talents to make the world a better place.

School of Management Administration and Instruction

Overview

All organizations, large and small, need managers. They effectively lead, coordinate and communicate innovative solutions in all aspects of an organization from operations to human resources. Managers are adaptable leaders with strong roots in analytics, complemented by solid communication skills that help their organizations compete in the business world. The characteristics of Krannert graduates are a strong work ethic, analytical strengths and good communication skills.

A multi-functional approach to coursework allows you to discover different business areas at the same time like finance, strategy, law and organizational behavior. You'll refine your critical thinking, communication and analytical skills as you explore these different aspects of business. Students can add concentration areas to focus on specific interests.

Graduates pursue many different careers. Some begin in corporate management rotational programs, as account executives or as project managers and proceed to start their own businesses. Some go for the C-suite job and become CEOs and CFOs. You will find Krannert management graduates in companies like Boeing, General Motors, IBM, Amazon.com, Google, United Technology, Purdue University and Target Corporation.

About the Economics Program

Welcome to Purdue University's Department of Economics. The Department, located in the Krannert School of Management, has a long tradition of excellence in research and teaching. Economics faculty members are leaders in their respective fields. The Economics Department offers both undergraduate and graduate degree programs. For undergraduates students, the Department offers two Baccalaureate degrees, a Bachelor of Science (BS) degree in Economics through the Management School and a Bachelor of Arts (BA) degree through the College of Liberal Arts. We also offer an Economics Honors Program and a Minor in Economics. For more information on these undergraduate programs, please follow the links under Programs below.

Baccalaureate

Accounting, BS

About the Program

Accountants help businesses and organizations solve problems and succeed in a rapidly changing, globally competitive environment. Accountants prepare and interpret financial information that is used in a variety of settings. Companies use accounting information in strategic planning and performance evaluation. Investors, lenders and venture capitalists use accounting information when deciding whether and where to invest their funds. Government regulators, such as the Securities and Exchange Commission and even the FBI, use accounting information to detect fraud.

With Krannert's accounting degree, you can pursue a career in public, corporate, tax, non-profit or government accounting. Our graduates join a network of Purdue alumni who hold important positions in organizations around the world. For example, Beth Brooke-Marciniak, CPA and Global Vice Chair - Public Policy at EY, has been named to the Forbes List of 100 Most Powerful Women. Our graduates place nationally with Big 4 accounting firms, regional public accounting firms, Fortune 1000 companies, consulting firms, small corporations, not-for-profits and government agencies across the U.S. and internationally. A sample of recent jobs that our students have accepted

You can also prepare for the highly valued Certified Public Accountant (CPA) or Certified Management Accounting (CMA) professional certifications. The Accounting Area offers specialized courses in forensic and international accounting, two of the most important growth areas in accounting today.

In addition to your accounting classes, you will take courses in other management areas, such as operations management, finance, marketing and human resource management as you complete your accounting degree. As a result, you will leave Krannert with a solid understanding of both accounting and overall business operations.

Not majoring in Accounting? You can develop valuable accounting skills by concentrating or minoring in Accounting in conjunction with other majors by taking 12 credit hours of upper division accounting classes. For more information, please check with an undergraduate advisor.

While studying at Purdue, accounting students have ample opportunities for professional development and networking. Check out our **undergraduate accounting clubs** (Beta Alpha Psi and the Purdue Accounting Association). There are lots of ways to get involved!

For Purdue undergraduates interested in pursuing a career in accounting, our **MSA Pathway Program** offers an optimal route to completing the 150 hours of college credit work required to sit for the CPA exam. With conditional admission starting as early as sophomore year, eligible students can streamline their undergraduate experience and transition seamlessly into a ten-month Krannert Master's program.

The Accounting Area is committed to Purdue's mission of creating and disseminating knowledge. Over the last several years, our faculty members and recent Ph.D. graduates publish their research in top academic journals and present it conferences around the world.

Two Outstanding Programs:

- Our undergraduate accounting major is a 120 credit hour program that provides students with the foundation for successful careers in accounting and business or for graduate study.
- Our Masters of Science (Accounting) degree is a two-semester, 30 credit hour program that features a flexible curriculum with field consulting opportunities with start-ups and non-profits. Students tailor their coursework to their career goals while becoming CPA-exam ready.

Accounting Major Change (CODO) Requirements

Degree Requirements

120 Credits Required

Department/Program Major Courses (65 credits)

To be admitted to upper level Accounting, students must complete all MAI courses with a 3.00 or above MAI GPA and a 2.50 cumulative GPA; have a C- or higher in all MAI courses and any School of Management courses (MEO). Students must not be on academic probation.

University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade.

Students are responsible for consulting their advisor about re-take options available to them. Previous enrollments in MA 16100, 16200, 16500, 16600 do not count against the retake policy for the MAI.

Management Admissions Index(MAI) courses consist of:

- **ECON 25100** Microeconomics
- **ENGL 10600** First-year Composition or **ENGL 10800** Accelerated First-year Composition or **SCLA 10100** Transformative Texts, Critical Thinking and Communication I: Antiquity to Modernity or **HONR 19903** Interdisciplinary Approaches to Writing
- **MA 16010** Applied Calculus I
- **MGMT 20000** Introductory Accounting
- **COM 11400** Fundamentals of Speech Communication or **COM 21700** Science Writing & Presentation OR **SCLA 10200** Transformative Texts, Critical Thinking and Communication II: Modern World OR **EDPS 31500** Collaborative Leadership: Interpersonal Skills

Required Major Courses (56 credits)

- ECON 25100 - Microeconomics ♦ (satisfies Human Cultures: Behavioral/Social Science for core)
- ECON 25200 - Macroeconomics
- MGMT 20000 - Introductory Accounting ♦
- MGMT 20100 - Management Accounting I ♦
- MGMT 25400 - Legal Foundations Of Business I
- MGMT 29500 - Career Readiness & Exploration
- MGMT 30500 - Business Statistics
- MGMT 31000 - Financial Management
- MGMT 32400 - Marketing Management
- MGMT 35000 - Intermediate Accounting I ♦
- MGMT 35100 - Intermediate Accounting II ♦
- MGMT 36100 - Operations Management
- MGMT 38200 - Management Information Systems
- MGMT 50300 - Advanced Accounting ♦
- MGMT 50400 - Tax Accounting ♦
- MGMT 50500 - Management Accounting II ♦
- MGMT 50600 - Auditing ♦
- OBHR 33000 - Introduction To Organizational Behavior
- MGMT 19700 - Careers In Accounting & Finance ♦
- MGMT 37300 - Accounting Information Systems & Data Analytics

Major Selectives - Choose Three (9 credits)

- MGMT 35200 - Strategic Management
- MGMT 41100 - Investment Management
- MGMT 41300 - Corporate Finance
- MGMT 41500 - International Financial Management
- MGMT 41601 - Corporate Mergers And Acquisitions
- MGMT 44500 - Introduction To Investments And Portfolio Management
- MGMT 47200 - Advanced Spreadsheet Modeling And Simulation
- MGMT 47900 - Data Visualization
- MGMT 50900 - International Accounting

Cultural Competency Selectives (3 credits)

- Cultural Competency Selective I - Credit Hours: 3.00 (see: Cultural Competency Selectives I for Management)

Other Departmental/Program Course Requirements (33-34 credits)

- CS 23500 - Introduction To Organizational Computing ♦
- MA 16010 - Applied Calculus I ♦ (satisfies Quantitative Reasoning for core)
- ENGL 42000 - Business Writing ♦
- STAT 30301 - Probability And Statistics For Business ♦
- **Oral Communication Selective** - Credit Hours: 3.00 (satisfies Oral Communication for core)
- COM 11400 - Fundamentals Of Speech Communication
- COM 21700 - Science Writing And Presentation
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills

- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World **Written Communication Selective** - Credit Hours: 3.00-4.00 (satisfies Information Literacy & Written Communication for core) ♦
- ENGL 10600 - First-Year Composition
- ENGL 10800 - Accelerated First-Year Composition
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity
- HONR 19903 - Interdisciplinary Approaches In Writing
- PSY 12000 - Elementary Psychology
- SOC 10000 - Introductory Sociology
- Human Cultures: Humanities Selective - Credit Hours: 3.00 (satisfies Human Cultures: Humanities for core)
- Science #1 Selective - Credit Hours: 3.00 (satisfies Science #1 for core)
- Science #2 Selective - Credit Hours: 3.00 (satisfies Science #2 for core)
- Science, Technology & Society Selective - Credit Hours: 3.00 (satisfies Science, Technology & Society for core)

Optional Concentrations for the School of Management

- Data Analytics Concentration in School of Management
- Finance Concentration in School of Management
- Hospitality and Tourism Management Concentration in School of Management
- Innovation Management Concentration in School of Management
- International Business Concentration in School of Management
- Management Consulting Concentration in School of Management
- Management Information Systems Concentration in School of Management
- Marketing Concentration in School of Management
- Operation & Supply Chain Mgmt Concentration in School of Management

Electives (18-19 credits)

- Electives - Credit Hours: 18.00-19.00

The number of general electives will vary for each student and can include AP credit, transfer credit, and/or Credit by Exam.

University Requirements

University Core Requirements

For a complete listing of University Core Course Selectives, visit the [Provost's Website](#).

- Human Cultures: Behavioral/Social Science (BSS)
- Human Cultures: Humanities (HUM)
- Information Literacy (IL)
- Oral Communication (OC)
- Quantitative Reasoning (QR)
- Science #1 (SCI)
- Science #2 (SCI)
- Science, Technology, and Society (STS)
- Written Communication (WC)

Civics Literacy Proficiency Requirement:

The Civics Literacy Proficiency activities are designed to develop civic knowledge of Purdue students in an effort to graduate a more informed citizenry.

Students will complete the Proficiency by passing a test of civic knowledge, and completing one of three paths:

- Attending six approved civics-related events and completing an assessment for each; or
- Completing 12 podcasts created by the Purdue Center for C-SPAN Scholarship and Engagement that use C-SPAN material and completing an assessment for each; or
- Earning a passing grade for one of **these approved courses** (or transferring in approved AP or departmental credit in lieu of taking a course)

For more information visit the Civics Literacy Proficiency **website**.

- Elective - Credit Hours: 3.00
- Elective - Credit Hours: 0.00-1.00

*Taking an internship in this semester is highly recommended - if you are interested in this option please discuss with your advisor. Financial Aid & Visa status may be impacted.

12-13 Credits

Notes

- MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division, with the exception of OBHR 33300. Students may take this course during their Sophomore Year.
- Courses taken on approved Krannert study abroad programs may be used to satisfy degree requirements. Students participating in a Purdue approved study abroad program are registered as full-time Purdue students during their semester abroad. Schedule an appointment with your advisor to discuss study abroad opportunities.
- Graduation Index: 2.00 minimum - Major Index: 2.00 minimum
- Transfer credit for upper level MGMT, OBHR and ECON (Purdue Transfer Credit Courses) will only be considered if taken at a 4 year AACSB accredited school.

World Language Courses

World Language proficiency requirements vary by program. The following list is inclusive of all world languages PWL offers for credit; for acceptable languages and proficiency levels, see your advisor.

ASL-American Sign Language	ARAB-Arabic	CHNS-Chinese	FR-French
GER-German	GREK-Greek (Ancient)	HEBR-Hebrew (Biblical)	HEBR-Hebrew (modern)
ITAL-Italian	JPNS-Japanese	KOR-Korean	LATN-Latin
PTGS-Portuguese	RUSS-Russian	SPAN-Spanish	

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Business Analytics & Information Management, BS

About the Program

Business Analytics and Information Management is designed for students who want to pursue a career in the general data science area but are interested in working on business applications. Businesses are critically dependent on data, which is collected, stored in databases, analyzed, and operationalized in any domain - be it operations, business, finance, etc. The challenge is to translate business problems into data problems and use the data-driven solutions to guide effective actions. For this, technical knowledge in management information systems and business analytics is extremely important.

This program is designed to help students gain expertise in technologies and techniques while emphasizing business relevance. In addition to learning programming, you'll be taught how to query or manipulate data for analysis. You will be exposed to working with transactional and big data systems, and will develop an understanding how to use appropriate techniques. Moreover, you will learn about how to communicate your analysis and results to decision-makers using visualization. You will gain a deep understanding of data as it pertains to business decisions.

The career outlook in data science is promising. Through a data-driven approach, graduates are optimizing business performance as data analytics managers, IT consultants, and analysts for Accenture, Facebook, IBM, Deloitte, Microsoft, General Motors and other companies.

Krannert also offers a Master of Science in Business Analytics and Information Management. MS BAIM is a full-time, 11-month program beginning in June every year, designed to educate students in state-of-the-art information technologies and analytical techniques. Students will undergo a rigorous curriculum and develop facility with a variety of software tools currently used in business. Students will also have opportunities to apply what they are learning to real-world problems through experiential learning.

The MS BAIM program is a **STEM** certified program (for details regarding the associated STEM OPT extension, please visit the [USCIS website](#)). [Eduniversal](#) ranks Krannert's Management Information Systems field of study #1 in North America. [Value Colleges](#) has named the MS BAIM #8 big data graduate program in the country. [Master's in data science](#) has named Purdue University 8th among schools with Master's in Business Analytics Programs.

Degree Requirements

120 Credits Required

Department/Program Major Courses (75-76 credits)

The following are Management Admissions Index (MAI) courses:

- ECON 25100
- ENGL 10600 or ENGL 10800 or SCLA 10100 or HONR 19903
- MA 16010
- MGMT 20000
- COM 11400 or COM 21700 or EDPS 31500 or SCLA 10200

A student must: 1) complete all MAI courses with a 3.00 or above MAI GPA AND a 2.50 cumulative GPA; 2) have a C- or higher in all MAI AND any School of Management courses (MEO); 3) Not be on academic probation.

University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade.

Students are responsible for consulting their advisor about re-take options available to them.

Previous enrollments in MA 16100, 16200, 16500, 16600 do not count against the retake policy for the MAI.

Required Major Courses (51-52 credits)

- ECON 25100 - Microeconomics ♦ (satisfies Human Cultures Behavioral/Social Science for core)
- ECON 25200 - Macroeconomics
- MGMT 20000 - Introductory Accounting ♦
- MGMT 20100 - Management Accounting I ♦
- MGMT 25400 - Legal Foundations Of Business I
- MGMT 29500 - Career Readiness & Exploration
- MGMT 30500 - Business Statistics ♦
- MGMT 30600 - Management Science
- MGMT 31000 - Financial Management

16-18 Credits

Fall 2nd Year

- **Computer Science Selective** ♦ - Credit Hours: 3.00-4.00
- CS 23500 - Introduction To Organizational Computing ♦ or
- CS 18200 - Foundations Of Computer Science ♦ or
- CS 17600 - Data Engineering In Python ♦ or
- CS 24000 - Programming In C ♦
- STAT 30301 - Probability And Statistics For Business ♦
- ECON 25200 - Macroeconomics
- Cultural Competency I - Credit Hours: 3.00
- Science, Technology and Society Selective - Credit Hours: 3.00

15-16 Credits

Spring 2nd Year

- MGMT 20100 - Management Accounting I ♦
- MGMT 30500 - Business Statistics ♦
- MGMT 38200 - Management Information Systems ♦
- MGMT 38800 - Python For Business
- Cultural Competency II - Credit Hours: 3.00

15 Credits

Fall 3rd Year

- MGMT 30600 - Management Science
- MGMT 31000 - Financial Management
- MGMT 36100 - Operations Management
- MGMT 47300 - Data Mining
- Major Selective - Credit Hours: 3.00

15 Credits

Spring 3rd Year

- MGMT 32400 - Marketing Management
- MGMT 47900 - Data Visualization
- MGMT 54400 - Database Management Systems
- Major Selective - Credit Hours: 3.00
- Major Selective - Credit Hours: 3.00

14-15 Credits

Fall 4th Year

- MGMT 35200 - Strategic Management
- Major Selective - Credit Hours: 3.00
- Major Selective - Credit Hours: 3.00
- Major Selective - Credit Hours: 3.00

12 Credits

Spring 4th Year

- ENGL 42000 - Business Writing
- MGMT 25400 - Legal Foundations Of Business I
- OBHR 33000 - Introduction To Organizational Behavior
- Elective - Credit Hours: 2.00-9.00

11-18 Credits

Notes

- MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division, with the exception of OBHR 33300. Students may take this course during their Sophomore Year.
- Courses taken on approved Krannert study abroad programs may be used to satisfy degree requirements. Students participating in a Purdue approved study abroad program are registered as full-time Purdue students during their semester abroad. Schedule an appointment with your advisor to discuss study abroad opportunities.
- Information on summer courses is available at www.purdue.edu/thinksummer.
- Graduation Index: 2.00 minimum - Major Index: 2.00 minimum
- Transfer credit for upper level MGMT, OBHR and ECON (Purdue Transfer Credit Courses) will only be considered if taken at a 4 year AACSB accredited school.

World Language Courses

World Language proficiency requirements vary by program. The following list is inclusive of all world languages PWL offers for credit; for acceptable languages and proficiency levels, see your advisor.

ASL-American Sign Language	ARAB-Arabic	CHNS-Chinese	FR-French
GER-German	GREK-Greek (Ancient)	HEBR-Hebrew (Biblical)	HEBR-Hebrew (modern)
ITAL-Italian	JPNS-Japanese	KOR-Korean	LATN-Latin
PTGS-Portuguese	RUSS-Russian	SPAN-Spanish	

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Economics Honors, BS

About the Program

Welcome to Purdue University's Department of Economics. The Department, located in the Krannert School of Management, has a long tradition of excellence in research and teaching. Economics faculty members are leaders in their respective fields.

The Economics Department offers both undergraduate and graduate degree programs. For undergraduates students, the Department offers two Baccalaureate degrees, a Bachelor of Science (BS) degree in Economics through the Management School and a Bachelor of Arts (BA) degree through the College of Liberal Arts. We also offer an Economics Honors Program, a Minor in Economics and a Minor in Business Economics.

Pre-Economics

Economics Honors (BS) Major Change (CODO) Requirements

Degree Requirements

120 Credits Required

Department/Program Major Courses (51-52 credits)

Economics Admission Index(EAI) courses consist of:

- **COM 11400** Fundamentals of Speech Communication OR **COM 21700** Science Writing & Presentation OR **SCLA 10200** Transformative Texts, Critical Thinking and Communication II: Modern World OR **EDPS 31500** Collaborative Leadership: Interpersonal Skills
- **ECON 25100** Microeconomics
- **ECON 25200** Macroeconomics
- **ENGL 10600** First-year Composition OR **ENGL 10800** Accelerated First-year Composition OR **SCLA 10100** Transformative Texts, Critical Thinking and Communication I: Antiquity to Modernity or **HONR 19903** Interdisciplinary Approaches to Writing
- **MA 16100** Plane Analytic Geometry and Calculus I OR **MA 16500** Analytic Geometry and Calculus I

Required Major Courses (19 credits)

- ECON 25100 - Microeconomics ♦ (*satisfies Human Cultures Behavioral/Social Science for core*)
- ECON 25200 - Macroeconomics ♦
- ECON 34000 - Intermediate Microeconomic Theory ♦
- ECON 35200 - Intermediate Macroeconomics ♦
- ECON 36000 - Econometrics ♦
- ECON 49900 - Senior Honors Thesis ♦ (required GPA 3.5 or above)
- MGMT 29500 - Career Readiness & Exploration

Major Specialty Area - Choose one (26-27 credits)

A. Economic Policy (27 credits)

Writing Requirement - Credit Hours: 3.00

- ENGL 42000 - Business Writing
- Analytics Requirement** (Choose One) - Credit Hours: 3.00
- ECON 37300 - Computational Economics
 - ECON 46300 - Advanced Data Analysis And Machine Learning
- Economics Selectives** - Credit Hours: 9.00
- ECON 32200 - Economics Of Public Policy
 - ECON 36100 - Antitrust And Regulation
 - ECON 36700 - Law And Economics
 - ECON 37000 - International Trade
 - ECON 38500 - Labor Economics
 - ECON 48500 - Economics Of Racial And Gender Discrimination

Economics Electives - Credit Hours: 12.00

Any ECON 30000-49999 not used to fulfill another requirement (except for ECON 30100)

B. Business Economics (27 credits)

Writing Requirement - Credit Hours: 3.00

- ENGL 42000 - Business Writing
- Business Principle Selective** - Credit Hours: 9.00
- MGMT 20000 - Introductory Accounting

- MGMT 30600 - Management Science
- MGMT 31000 - Financial Management
- MGMT 35200 - Strategic Management
- MGMT 35300 - Intermediate Accounting For Non-Accounting Majors
- MGMT 36100 - Operations Management
- MGMT 38200 - Management Information Systems
- **Economics Selective** - Credit Hours: 9.00 (at least one 40000-level)
- ECON 36100 - Antitrust And Regulation
- ECON 37000 - International Trade
- ECON 38000 - Money And Banking
- ECON 46100 - Industrial Organization
- ECON 46600 - International Economics

Economics Electives - Credit Hours: 6.00

Any ECON 30000-49999 not used to fulfill another requirement (except for ECON 30100)

C. Quantitative Economics & Data Analytics (26-27 credits)

Mathematics Requirement - Credit Hours: 8.00-9.00

- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- MA 26100 - Multivariate Calculus

Analytics Requirement - Credit Hours: 3.00

- ECON 37300 - Computational Economics
- ECON 46300 - Advanced Data Analysis And Machine Learning
- **Analytics Selective** - Credit Hours: 6.00 (one course at 40000-level)
- MGMT 28800 - Programming For Business Applications
- ECON 37300 - Computational Economics or
- ECON 46300 - Advanced Data Analysis And Machine Learning (if not used for Analytics Requirement)
- MGMT 41310 - Financial Data Analysis And Modeling
- MGMT 42110 - Marketing Analytics
- MGMT 47200 - Advanced Spreadsheet Modeling And Simulation
- MGMT 47300 - Data Mining
- MGMT 47400 - Predictive Analytics
- MGMT 47900 - Data Visualization

Economics Electives - Credit Hours: 9.00

Any ECON 30000-49999 not used to fulfill another requirement (except for ECON 30100)

D. Mathematical Economics (26-27 credits)

Mathematics Requirement - Credit Hours: 8.00-9.00

- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- MA 26100 - Multivariate Calculus

Mathematics Selectives - Credit Hours: 9.00 (one course at 30000-level)

- MA 26200 - Linear Algebra And Differential Equations
- MA 26500 - Linear Algebra
- MA 26600 - Ordinary Differential Equations

- MA 34100 - Foundations Of Analysis
 - MA 35100 - Elementary Linear Algebra
 - MA 36200 - Topics In Vector Calculus
 - MA 36600 - Ordinary Differential Equations
- Economics Selectives** - Credit Hours: 9.00
Any ECON 40000-level not used to fulfill another requirement

Management Cultural Competency Selectives (6 credits)

- Cultural Competency I - Credit Hours: 3.00
 - Cultural Competency II - Credit Hours: 3.00
- Cultural Competency Selectives I & II for Management

Other Departmental/Program Course Requirements (25-27 credits)

- **Oral Communication Selective ♦** - Credit Hours: 3.00 (satisfies Oral Communication for core)
- COM 11400 - Fundamentals Of Speech Communication
- COM 21700 - Science Writing And Presentation
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World
- **Written Communication Selective ♦** - Credit Hours: 3.00-4.00 (satisfies Information Literacy and Written Communication for core)
- ENGL 10600 - First-Year Composition
- ENGL 10800 - Accelerated First-Year Composition
- HONR 19903 - Interdisciplinary Approaches In Writing
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity
- **Statistics Selective** - Credit Hours: 3.00
- ECON 26000 - Data Visualization And Inference
- STAT 35000 - Introduction To Statistics
- STAT 51100 - Statistical Methods
- **Quantitative Reasoning Selective ♦** - Credit Hours: 4.00-5.00 (satisfies Quantitative Reasoning for core)
- MA 16100 - Plane Analytic Geometry And Calculus I
- MA 16500 - Analytic Geometry And Calculus I
- Human Cultures: Humanities Selective - Credit Hours: 3.00 (satisfies Human Cultures: Humanities for core)
- Science #1 Selective - Credit Hours: 3.00 (satisfies Science #1 for core)
- Science #2 Selective - Credit Hours: 3.00 (satisfies Science #2 for core)
- Science, Technology, & Society Selective - Credit Hours: 3.00 (satisfies Science, Technology, & Society for core)

Electives (42-43 credits)

- Electives - Credit Hours: 42.00-43.00

The number of general electives will vary for each student and can include AP credit, transfer credit, and/or Credit by Exam.

Optional Concentrations for Economics Honors

- Data Analytics Concentration in School of Management
- Finance Concentration in School of Management

- Hospitality and Tourism Management Concentration in School of Management
- International Business Concentration in School of Management
- Innovation Management Concentration in School of Management
- Management Consulting Concentration in School of Management
- Management Information Systems Concentration in School of Management
- Marketing Concentration in School of Management
- Operation & Supply Chain Mgmt Concentration in School of Management

University Requirements

University Core Requirements

For a complete listing of University Core Course Selectives, visit the [Provost's Website](#).

- Human Cultures: Behavioral/Social Science (BSS)
- Human Cultures: Humanities (HUM)
- Information Literacy (IL)
- Oral Communication (OC)
- Quantitative Reasoning (QR)
- Science #1 (SCI)
- Science #2 (SCI)
- Science, Technology, and Society (STS)
- Written Communication (WC)

Civics Literacy Proficiency Requirement:

The Civics Literacy Proficiency activities are designed to develop civic knowledge of Purdue students in an effort to graduate a more informed citizenry.

Students will complete the Proficiency by passing a test of civic knowledge, and completing one of three paths:

- Attending six approved civics-related events and completing an assessment for each; or
- Completing 12 podcasts created by the Purdue Center for C-SPAN Scholarship and Engagement that use C-SPAN material and completing an assessment for each; or
- Earning a passing grade for one of **these approved courses** (or transferring in approved AP or departmental credit in lieu of taking a course)

For more information visit the Civics Literacy Proficiency [website](#).

Prerequisite Information:

For current pre-requisites for courses, [click here](#).

Spring 4th Year

- ECON 49900 - Senior Honors Thesis
- Elective - Credit Hours: 3.00
- Elective - Credit Hours: 3.00
- Elective - Credit Hours: 3.00-4.00

12-13 Credits

Notes

- MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division, with the exception of OBHR 33300. Students may take this course during their Sophomore Year.

- Courses taken on approved Krannert study abroad programs may be used to satisfy degree requirements. Students participating in a Purdue approved study abroad program are registered as full-time Purdue students during their semester abroad. Schedule an appointment with your advisor to discuss study abroad opportunities.
- Information on summer courses is available at www.purdue.edu/thinksummer.
- Graduation Index: 3.5 Minimum. Major Index: 3.5 Minimum.
- Transfer credit for upper level MGMT, OBHR and ECON (Purdue Transfer Credit Courses) will only be considered if taken at a 4 year AACSB accredited school.
- For students in the Honors College, ECON 25100-H, ECON 49900 all count as honors elective courses (automatically provide honors credits without the need for an honor contract)
- Students interested in Master's or Ph.D. programs in economics, accounting, finance, political science, and other related fields should take additional mathematics and statistics courses. Consider completing a minor in either or both. These courses are highly recommended: MA 30100, MA 34100, MA 44000, MA 36600, STAT 41600/51600, and STAT 42000/52000. Please see <https://www.krannert.purdue.edu/academics/economics/Undergraduate/after-graduation/prep-grad-school.asp>
- MA 16020 is not sufficient preparation for minors offered by the College of Science and the College of Engineering. Consider taking MA 16200 or MA 16600 instead. Students who have not completed MA 16100 but have a C- or better in both MA 16010 & MA 16020 may take MA 16200.
- Once you have completed ECON 25100 & 25200 you should quickly complete the three core economics courses (ECON 34000, ECON 35200, and ECON 36000). After completing these courses, consider applying for an undergraduate teaching assistantship. Working as an undergraduate TA sometimes leads to research assistant opportunities.
- If you maintain a high GPA into your junior year, consider applying for prestigious scholarships including: Fulbright Fellowship, Jacob K. Javits Fellowship, National Science Foundation Fellowship, Marshall Scholarship, Rhodes Scholarship, Harry S. Truman Scholarship, Beinecke Scholarship, British Chevening Scholarship, Ford Foundation Fellowship, and Gates Cambridge Scholarship.
- Upper Division Requirements: A student must 1) complete all EAI courses with a 2.75 or above EAI GPA AND a 2.50 cumulative GPA 2) have a C- or higher in all EAI AND any ECON courses 3) Not be on academic probation.
- University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade.
- Students are responsible for consulting their advisor about re-take options available to them.
- Previous enrollments in MA 16100, 16200, 16500, 16600 do not count against the retake policy for the MAI.

World Language Courses

World Language proficiency requirements vary by program. The following list is inclusive of all world languages PWL offers for credit; for acceptable languages and proficiency levels, see your advisor.

ASL-American Sign Language	ARAB-Arabic	CHNS-Chinese	FR-French
GER-German	GREK-Greek (Ancient)	HEBR-Hebrew (Biblical)	HEBR-Hebrew (modern)
ITAL-Italian	JPNS-Japanese	KOR-Korean	LATN-Latin
PTGS-Portuguese	RUSS-Russian	SPAN-Spanish	

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Economics, BS

About the Program

Welcome to Purdue University's Department of Economics. The Department, located in the Krannert School of Management, has a long tradition of excellence in research and teaching. Economics faculty members are leaders in their respective fields. The Economics Department offers both undergraduate and graduate degree programs. For undergraduates students, the Department offers two Baccalaureate degrees, a Bachelor of Science (BS) degree in Economics through the Management School and a Bachelor of Arts (BA) degree through the College of Liberal Arts.

The BS degree is offered by the Krannert School of Management and is designed for students who expect to use economic analysis and data-heavy quantitative methods in their careers. The BA degree is offered by the College of Liberal Arts and is designed for students who expect to use economic reasoning in the context of a broader liberal arts education in their careers. Krannert also offers a Minor in Economics and a Minor in Business Economics which are programs available to any undergraduate student on campus.

At Purdue, you will learn core micro and macro economic theory and then can chose from a menu of Economics Courses that cover diverse topics including: international trade, social interactions, tax policy, the banking system, public goods, the structure of industry, labor unions, antitrust policy, education, trust and bargaining, government regulation, discrimination, public finance, economic development, decision making under uncertainty, unemployment, any many, many others.

Why study economics? The most common answer we hear from students is that they enjoy taking econ courses. Fortunately, studying economics is not just enjoyable, it provides analytical and quantitative training that is in high demand by employers. From 2016 to 2018, Purdue's Economics graduates had higher median starting salaries than all other business majors at Purdue (note that many of the top Economics majors at Purdue go immediately to graduate school and are not included in the salary averages). A 2022 paper by Bleemer and Mehta shows that "the wage return to economic education is very high relative to education in students' second-choice social science disciplines, causing a 46 percent increase in mid-twenties earnings despite no change in educational investment or degree attainment". They also find that "about half of the wage return is explained by economics majors working in higher-paying industries". In addition, A 2011 New York Times article indicated that majoring in Economics gives you the best chance of reaching the top 1% of earners, and a 2006 paper by Flynn and Quinn found that after "adjusting for the size of the pool of graduates, those with undergraduate degrees in Economics are shown to have had a greater likelihood of becoming an S&P 500 CEO than any other major."

Pre-Economics

Economics (BS) Major Change (CODO) Requirements

Degree Requirements

120 Credits Required

Department/Program Major Courses (48-49 credits)

Economics Admission Index (EAI) courses consist of:

- **COM 11400** Fundamentals of Speech Communication OR **COM 21700** Science Writing & Presentation OR **SCLA 10200** Transformative Texts, Critical Thinking and Communication II: Modern World OR **EDPS 31500** Collaborative Leadership: Interpersonal Skills
- **ECON 25100** Microeconomics
- **ECON 25200** Macroeconomics
- **ENGL 10600** First-year Composition OR **ENGL 10800** Accelerated First-year Composition OR **SCLA 10100** Transformative Texts, Critical Thinking and Communication I: Antiquity to Modernity or **HONR 19903** Interdisciplinary Approaches to Writing
- **MA 16010** Applied Calculus I OR **MA 16100** Plane Analytic Geometry and Calculus I OR **MA 16500** Analytic Geometry and Calculus I

Required Major Courses (16 credits)

- ECON 25100 - Microeconomics ♦ (satisfies Human Cultures Behavioral/Social Science for core)
- ECON 25200 - Macroeconomics ♦ (satisfies Human Cultures Behavioral/Social Science for core)
- ECON 34000 - Intermediate Microeconomic Theory ♦
- ECON 35200 - Intermediate Macroeconomics ♦
- ECON 36000 - Econometrics ♦
- MGMT 29500 - Career Readiness & Exploration

Major Specialty Area (26-27 credits)

A. Economic Policy (27 credits)

Writing Requirement (3 credits)

- ENGL 42000 - Business Writing

Analytics Requirement - Choose One (3 credits)

- ECON 37300 - Computational Economics
- ECON 46300 - Advanced Data Analysis And Machine Learning

Economic Selectives (9 credits)

- ECON 32200 - Economics Of Public Policy
- ECON 36100 - Antitrust And Regulation
- ECON 36700 - Law And Economics
- ECON 37000 - International Trade
- ECON 38500 - Labor Economics

- ECON 48500 - Economics Of Racial And Gender Discrimination
Economics Electives (12 credits)
- Any ECON 30000-49999 not used to fulfill another requirement (except for ECON 30100)

B. Business Economics (27 credits)

Writing Requirement - Credit Hours: 3.00

- ENGL 42000 - Business Writing
Business Principle Selective - Credit Hours: 9.00
- MGMT 20000 - Introductory Accounting
- MGMT 30600 - Management Science
- MGMT 31000 - Financial Management
- MGMT 35300 - Intermediate Accounting For Non-Accounting Majors
- MGMT 35200 - Strategic Management
- MGMT 36100 - Operations Management
- MGMT 38200 - Management Information Systems
Economics Selective - Credit Hours: 9.00 (at least one 40000-level)
- ECON 36100 - Antitrust And Regulation
- ECON 37000 - International Trade
- ECON 38000 - Money And Banking
- ECON 46100 - Industrial Organization
- ECON 46600 - International Economics
Economics Electives - Credit Hours: 6.00
- Any ECON 30000-49999 not used to fulfill another requirement (except for ECON 30100)

C. Quantitative Economics & Data Analytics (26-27 credits)

Mathematics Requirement - Credit Hours: 8.00-9.00

- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- MA 26100 - Multivariate Calculus
Analytics Requirement - Credit Hours: 3.00
- ECON 37300 - Computational Economics
- ECON 46300 - Advanced Data Analysis And Machine Learning
Analytics Selective - Credit Hours: 6.00 (one course at 40000-level)
- MGMT 28800 - Programming For Business Applications
- MGMT 41310 - Financial Data Analysis And Modeling
- MGMT 42110 - Marketing Analytics
- MGMT 47200 - Advanced Spreadsheet Modeling And Simulation
- MGMT 47300 - Data Mining
- MGMT 47400 - Predictive Analytics
- MGMT 47900 - Data Visualization
- ECON 37300 - Computational Economics or
- ECON 46300 - Advanced Data Analysis And Machine Learning (if not used for Analytics Requirement)
Economics Electives - Credit Hours: 9.00
- Any ECON 30000-49999 not used to fulfill another requirement (except for ECON 30100)

D. Mathematical Economics (26-27 credits)

Mathematics Requirement - Credit Hours: 8.00-9.00

- MA 16200 - Plane Analytic Geometry And Calculus II or
- MA 16600 - Analytic Geometry And Calculus II
- MA 26100 - Multivariate Calculus

Mathematics Selectives - Credit Hours: 9.00 (one course at the 30000-level)

- MA 26200 - Linear Algebra And Differential Equations
- MA 26500 - Linear Algebra
- MA 26600 - Ordinary Differential Equations
- MA 34100 - Foundations Of Analysis
- MA 35100 - Elementary Linear Algebra
- MA 36200 - Topics In Vector Calculus
- MA 36600 - Ordinary Differential Equations

Economics Selectives - Credit Hours: 9.00

- Any ECON 40000-level not used to fulfill another requirement

Management Cultural Competency Selectives (6 credits)

- Cultural Competency I - Credit Hours: 3.00
- Cultural Competency II - Credit Hours: 3.00

Cultural Competency Selectives I & II for Management

Other Departmental Requirements (24-27 credits)

Oral Communication Selective ♦ - Credit Hours: 3.00 (satisfies Oral Communication for core)

- COM 11400 - Fundamentals Of Speech Communication
- COM 21700 - Science Writing And Presentation
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World

Written Communication Selective - Credit Hours: 3.00-4.00 (satisfies Written Communication for core)

- ENGL 10600 - First-Year Composition
- ENGL 10800 - Accelerated First-Year Composition
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity
- HONR 19903 - Interdisciplinary Approaches In Writing

Quantitative Reasoning Selective ♦ - Credit Hours: 3.00 or 4.00 or 5.00 (satisfies Quantitative Reasoning for core)

- MA 16010 - Applied Calculus I
 - MA 16100 - Plane Analytic Geometry And Calculus I
 - MA 16500 - Analytic Geometry And Calculus I
- Statistics Selective** - Credit Hours: 3.00
- ECON 26000 - Data Visualization And Inference
 - STAT 35000 - Introduction To Statistics
 - STAT 51100 - Statistical Methods

Civics Literacy Proficiency Requirement:

The Civics Literacy Proficiency activities are designed to develop civic knowledge of Purdue students in an effort to graduate a more informed citizenry.

Students will complete the Proficiency by passing a test of civic knowledge, and completing one of three paths:

- Attending six approved civics-related events and completing an assessment for each; or
- Completing 12 podcasts created by the Purdue Center for C-SPAN Scholarship and Engagement that use C-SPAN material and completing an assessment for each; or
- Earning a passing grade for one of **these approved courses** (or transferring in approved AP or departmental credit in lieu of taking a course)

For more information visit the Civics Literacy Proficiency [website](#).

Notes

- MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division, with the exception of OBHR 33300. Students may take this course during their Sophomore Year.

- Courses taken on approved Krannert study abroad programs may be used to satisfy degree requirements. Students participating in a Purdue approved study abroad program are registered as full-time Purdue students during their semester abroad. Schedule an appointment with your advisor to discuss study abroad opportunities.
- Information on summer courses is available at www.purdue.edu/thinksummer.
- Graduation Index: 2.00 minimum - Major Index: 2.00 minimum
- Transfer credit for upper level MGMT, OBHR and ECON (Purdue Transfer Credit Courses) will only be considered if taken at a 4 year AACSB accredited school.
- Upper Division Requirements: A student must 1) complete all EAI courses with a 2.75 or above EAI GPA AND a 2.50 cumulative GPA 2) have a C- or higher in all EAI AND any ECON courses 3) Not be on academic probation.
- University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade.
- Students are responsible for consulting their advisor about re-take options available to them.
- Previous enrollments in MA 16100, 16200, 16500, 16600 do not count against the retake policy for the MAI.

World Language Courses

World Language proficiency requirements vary by program. The following list is inclusive of all world languages PWL offers for credit; for acceptable languages and proficiency levels, see your advisor.

ASL-American Sign Language	ARAB-Arabic	CHNS-Chinese	FR-French
GER-German	GREK-Greek (Ancient)	HEBR-Hebrew (Biblical)	HEBR-Hebrew (modern)
ITAL-Italian	JPNS-Japanese	KOR-Korean	LATN-Latin
PTGS-Portuguese	RUSS-Russian	SPAN-Spanish	

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Finance, BS

About the Program

Finance is the study of creating and managing wealth. It is about corporations, individuals, governments and not for profit entities and how these entities manage their money. You will discover what "the time value of money" means, how to manage corporate cash flow and how to effectively allocate resources.

You will study investment management, financial analytic tools and corporate forecasting. After taking accounting and economics, you'll begin to analyze money in different ways to answer questions like: How do multinational corporations account for currency exchanges? When you are buying another company, how do you decide how much it is worth? What is involved when companies have their Initial Public Offering? What do Private Equity firms do? How do Venture Capital investors identify the next Facebook?

The undergraduate program is a 120 credit hour program that provides students with a foundation for a successful career in finance. In addition to classroom coursework, our programs offer opportunities to participate in intra- and inter-collegiate case competitions, hands-on investment management practice, and student-led club activities. The Purdue Finance Workshop connects outstanding finance majors with successful alums pursuing careers in finance in every major financial center on the planet. The Financial Management Association has an active chapter on campus and connects students with finance professional from corporations and hi-tech start-ups.

A student majoring in finance may choose from a range of management concentrations that strengthen the skill set and business integration skills for a high impact career in financial management. These include accounting, data analytics, management consulting, or innovation management.

Krannert also offers a one-year Master of Science in Finance program that is ideal for students with an undergraduate degree in economics, statistics, math, computer science or general management.

A range of opportunities are available to start your career in Finance. Graduates can start out as financial analysts in large corporations looking at the bottom line and predicting profits. Other opportunities exist in a fast-paced financial leadership development programs or investment banking or private equity firms. Other graduates find challenging careers in asset management, investment analysis, and equity research.

Finance Major Change (CODO) Requirements

Degree Requirements

120 Credits Required

Department/Program Major Courses (70 credits)

To be admitted to upper level, a student must complete all MAI courses with a 3.00 or above MAI GPA AND a 2.50 cumulative GPA, have a C- or higher in all MAI AND any School of Management courses(MEO), Not be on academic probation.

University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade. Students are responsible for consulting their advisor about re-take options available to them.

Previous enrollments in MA 16100, 16200, 16500, 16600 do not count against the retake policy for the MAI.

The following are Management Admissions Index courses:

- ECON 25100
- MGMT 20000
- MA 16010
- ENGL 10600 or ENGL 10800 or SCLA 10100 or HONR 19903
- COM 11400 or COM 21700 or EDPS 31500 or SCLA 10200

Required Major Courses (43 credits)

- ECON 25100 - Microeconomics ♦ (satisfies Human Cultures Behavioral/Social Science for core)
- ECON 25200 - Macroeconomics (satisfies Human Cultures Behavioral/Social Science for core)
- MGMT 20000 - Introductory Accounting ♦

General Management, BS

About the Program

Management majors mean business. They effectively lead, coordinate and communicate innovative solutions in all aspects of an organization from strategy to operations to human resources. They are adaptable leaders with strong roots in analytics, complemented by solid communication skills that enable them lead in the business world.

A multi-functional approach to coursework allows you to discover different business areas at the same time like finance, strategy, law and organizational behavior. You'll refine your critical thinking, communication and analytical skills as you explore these different aspects of business.

The General Management major allows students to gain depth in the areas of human resource management, strategic analysis, innovation management and organizational structure. Whether a business is a Fortune 500 company with thousands of employees or a small machine shop in Indiana, the management team has to be able to think strategically, understand its competitive environment and motivate its employees to pursue the company goals. This major is a favorite choice for Krannert students and provides the ideal base upon which to build a career.

Graduates pursue many different career directions. Some begin in corporate management rotational programs, as account executives or as project managers. Others join the team of a start-up. You will find Krannert management graduates in companies like Boeing, General Motors, Amazon.com, Tesla, and Target Corporation.

General Management Major Change (CODO) Requirements

Degree Requirements

120 Credits Required

Department/Program Major Courses (64 credits)

The following are Management Admissions Index (MAI) courses:

- ECON 25100
- ENGL 10600 or ENGL 10800 or SCLA 10100 or HONR 19903
- MA 16010
- MGMT 20000
- COM 11400 or COM 21700 or EDPS 31500 or SCLA 10200

A student must: 1) complete all MAI courses with a 3.00 or above MAI GPA AND a 2.50 cumulative GPA; 2) have a C- or higher in all MAI AND any School of Management courses (MEO); 3) Not be on academic probation.

University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade.

Students are responsible for consulting their advisor about re-take options available to them.

Previous enrollments in MA 16100, 16200, 16500, 16600 do not count against the retake policy for the MAI.

Required Major Courses (46 credits)

- ECON 25100 - Microeconomics ♦ (satisfies Human Cultures Behavioral/Social Science for core)

- Elective - Credit Hours: 2.00-3.00
- Elective - Credit Hours: 2.00

13-14 Credits

Notes

- MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division, with the exception of OBHR 33300. Students may take this course during their Sophomore Year.
 - Courses taken on approved Krannert study abroad programs may be used to satisfy degree requirements. Students participating in a Purdue approved study abroad program are registered as full-time Purdue students during their semester abroad. Schedule an appointment with your advisor to discuss study abroad opportunities.
 - Information on summer courses is available at www.purdue.edu/thinksummer.
 - Graduation Index: 2.00 minimum - Major Index: 2.00 minimum
 - Transfer credit for upper level MGMT, OBHR and ECON (Purdue Transfer Credit Courses) will only be considered if taken at a 4 year AACSB accredited school.
- The number of electives will vary for each student and can include AP credit, transfer credit, and/or Credit by exam

World Language Courses

World Language proficiency requirements vary by program. The following list is inclusive of all world languages PWL offers for credit; for acceptable languages and proficiency levels, see your advisor.

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Integrated Business & Engineering, BS

About the Program

The IBE major is focused on developing students with skills and knowledge to rapidly progress to leadership roles and be able to function effectively in complex, dynamic, and technology-driven organizations and enterprises - both new and established - that embrace technological progress for economic and social benefit.

Offered under a partnership between the Krannert School of Management and the College of Engineering, this innovative program will provide a firm grounding in both management and engineering, with specialization options in interdisciplinary management areas relevant to contemporary business environments. The program will combine the science of new technologies and the business opportunities created by them. The IBE curriculum will allow students to connect interests in a way that creates multiple career pathways within technologies and organizations. Students graduating with this degree will be able to adjust to changing environments, spur creativity, lead teams, master communication skills, and evaluate/interpret data.

The IBE curriculum is based on a holistic, integrative, and strategic systems view at multiple levels (individual, group, and organization) through diverse coursework, interdisciplinary seminars, customized labs, engagement with active research projects, and culminates in an industry-driven capstone design course consisting of a project that amplifies the importance of collaboration amongst diverse stakeholders, strategic product/service development, and tactical product/service realization.

Key components of the IBE are:

- Core coursework with additional electives in management, engineering, and mathematics thereby providing strong interdisciplinary foundation for students. to select from a variety of structured and customized study plans. The core business courses provide breadth of functional areas of business and the electives add depth in selected areas. Further specialization is possible and many options can earn students transcriptable concentrations. Engineering courses will include the first year engineering curriculum, which is the launchpad for all engineering students at Purdue.
- Engineering Projects in Community Service (EPICS), in which teams of students partner with local and global community organizations to address human, community, and environmental needs.
- Vertically Integrated Projects (VIP), in which students are engaged in authentic and extended research and design projects related to active research areas of Purdue faculty members and national, international, and industry-sponsored design challenges..
- Seminar courses to expose students to contemporary topics related to the design and management of socially responsible modern organizations and enterprises. These seminars will leverage the expertise of faculty across Purdue, prominent alumni, and thought leaders in each (flexible, rotating) topic area. Seminar topics might include, for example, artificial intelligence, cybersecurity, climate resilience, and sustainable economic growth.
- Strong team and project experiences to build a comprehensive interdisciplinary, analytically focused problem-solving toolkit suitable for tomorrow's industry or advanced education. The capstone experience in Year 4 will likely involve interdisciplinary team-based projects sponsored by companies advising and recruiting from IBE.

Integrated Business and Engineering Major Change (CODO) Requirements

Degree Requirements

120 Credit Hours

Department/Program Major Courses (85-86 credits)

Business Courses (46 credits)

Business Core Courses (37 credits)

- ECON 25100 - Microeconomics (satisfies Human Cultures Behavioral/Social Science for core)
- MGMT 20000 - Introductory Accounting
- MGMT 20100 - Management Accounting I
- MGMT 30500 - Business Statistics
- MGMT 31000 - Financial Management
- MGMT 32400 - Marketing Management
- MGMT 35200 - Strategic Management
- MGMT 36100 - Operations Management
- MGMT 38200 - Management Information Systems
- MGMT 49200 - Intellectual Property Management
- MGMT 49300 - Storytelling With Data
- OBHR 33000 - Introduction To Organizational Behavior
- MGMT 28800 - Programming For Business Applications or
- CNIT 17500 - Visual Programming or
- CS 17700 - Programming With Multimedia Objects or
- CS 17600 - Data Engineering In Python

Business Method Selectives - Choose Two: (6 credits)

- MGMT 30600 - Management Science
- MGMT 46600 - Project Management
- MGMT 47200 - Advanced Spreadsheet Modeling And Simulation
- MGMT 47400 - Predictive Analytics

Business Depth Selective - Choose One: (3 credits)

- ECON 30100 - Managerial Economics
- MGMT 35300 - Intermediate Accounting For Non-Accounting Majors
- MGMT 41100 - Investment Management
- MGMT 42710 - Digital Marketing Strategy
- MGMT 44362 - Leadership & Organizational Change
- MGMT 44810 - Technology Strategy
- MGMT 46300 - Supply Chain Analytics
- MGMT 47300 - Data Mining
- MGMT 48800 - Data-Driven Decisions In Digital Markets

Engineering Courses (16 credits)

Engineering Required Courses (7 credits)

- ENGR 13300 - Transforming Ideas To Innovation, EPICS (satisfies Information Literacy for core)
- EPCS 11100 - First Year Participation In EPICS I or
- VIP 17911 - First Year Participation In Vertically Integrated Projects (VIP) I
- EPCS 12100 - First Year Participation In EPICS II or

- VIP 17912 - First Year Participation In Vertically Integrated Projects (VIP) II
- Engineering Expansion Course - Credit Hours: 3.00 [ABE 20000-49999; CHE 20000-49999 (not CHE 30000 or CHE 40000); ENGR 20000-49999 (not ENGR 49400)]

Engineering IBE Core Selectives - Choose Two: (6 credits)

- CE 29700 - Basic Mechanics I (Statics) or
- ME 27000 - Basic Mechanics I
- ABE 20500 - Computations For Engineering Systems
- CEM 20100 - Life Cycle Engineering And Management Of Constructed Facilities
- ECE 20001 - Electrical Engineering Fundamentals I
- EEE 25000 - Environmental, Ecological, and Engineering Systems
- EEE 30000 - Environmental And Ecological Systems Modeling
- IE 23000 - Probability And Statistics In Engineering I
- IE 34300 - Engineering Economics
- ME 20000 - Thermodynamics I
- MSE 23000 - Structure And Properties Of Materials
- NUCL 20000 - Introduction to Nuclear Engineering and
- NUCL 30000 - Nuclear Structure And Radiation Interactions

Engineering Selectives - Choose One: (3 credits)

- SYS 30000 - It's A Complex World - Addressing Global Challenges
- SYS 35000 - Systems Methods
- IE 47200 - Imagine, Model, Make

Seminar & Innovation Lab Selectives (11-12 credits)

Seminar Courses - Credit Hours: 7.00-8.00

- MGMT 11000 - Introduction To Management And Information Strategies or
- MGMT 29110 - Integrated Business & Engineering Seminar I
- MGMT 29120 - Integrated Business & Engineering Seminar II
- MGMT 29130 - Integrated Business & Engineering Seminar III
- MGMT 29140 - Integrated Business & Engineering Seminar IV
- MGMT 49400 - IBE Capstone

Team Based Design (Innovative Lab) - Credit Hours: 4.00

- EPCS 20100 - Sophomore Participation In EPICS
- EPCS 20200 - Sophomore Participation In EPICS
- VIP 27920 - Sophomore Participation In Vertically Integrated Projects (VIP)
- EPCS 30100 - Junior Participation In EPICS
- EPCS 30200 - Junior Participation In EPICS
- VIP 37920 - Junior Participation In Vertically Integrated Projects (VIP)

Specialty Areas (12 credits)

A. Data Analytics Concentration (12 credits)

- Data Analytics Concentration in School of Management

B. Financial Engineering Area - Choose Four: (12 credits)

- MGMT 41100 - Investment Management
- MGMT 41150 - Futures And Options
- MGMT 41250 - Fixed Income Securities
- MGMT 41310 - Financial Data Analysis And Modeling
- MGMT 41650 - Financial Engineering

C. Operations & Supply Chain Management Concentration (12 credits)

- Operation & Supply Chain Mgmt Concentration in School of Management

D. Student Designed Specialty Area (12 credits)

- Choose any 20000- 40000 level courses with approval of advisor.

Other Departmental/Program Course Requirements (32-33 credits)

- CHM 11500 - General Chemistry ♦ (satisfies Science #2 for core)
- MA 16500 - Analytic Geometry And Calculus I ♦ (satisfies Quantitative Reasoning for core) or
- MA 16100 - Plane Analytic Geometry And Calculus I ♦ (satisfies Quantitative Reasoning for core) or
- MA 16600 - Analytic Geometry And Calculus II ♦ (satisfies Quantitative Reasoning for core) or
- MA 16200 - Plane Analytic Geometry And Calculus II ♦ (satisfies Quantitative Reasoning for core)
- MA 26100 - Multivariate Calculus (satisfies Quantitative Reasoning for core)
- PHYS 17200 - Modern Mechanics (satisfies Science #1 for core)
- STAT 30301 - Probability And Statistics For Business
- **Oral Communication Selective** ♦ - Credit Hours: 3.00 (satisfies Oral Communication for core)
- COM 11400 - Fundamentals Of Speech Communication
- COM 21700 - Science Writing And Presentation
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World
- **Written Communication Selective** ♦ - Credit Hours: 3.00-4.00 (satisfies Written Communication for core)
- ENGL 10600 - First-Year Composition
- ENGL 10800 - Accelerated First-Year Composition
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity
- HONR 19903 - Interdisciplinary Approaches In Writing
- Human Cultures: Humanities Selective - Credit Hours: 3.00 (satisfies Human Cultures: Humanities for core)

Elective (3 credits)

- Electives - Credit Hours: 3.00

- Written Communication (WC)

Civics Literacy Proficiency Requirement:

The Civics Literacy Proficiency activities are designed to develop civic knowledge of Purdue students in an effort to graduate a more informed citizenry.

Students will complete the Proficiency by passing a test of civic knowledge, and completing one of three paths:

- Attending six approved civics-related events and completing an assessment for each; or
- Completing 12 podcasts created by the Purdue Center for C-SPAN Scholarship and Engagement that use C-SPAN material and completing an assessment for each; or
- Earning a passing grade for one of **these approved courses** (or transferring in approved AP or departmental credit in lieu of taking a course)

For more information visit the Civics Literacy Proficiency [website](#).

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Marketing, BS

Overview

Marketing is a dynamic field that prepares students for a variety of careers ranging from brand and product management to marketing research and analytics to advertising and public relations. What makes marketing exciting is that it has both an analytical and a creative aspect. A marketing career can be a good fit for a student with either a liberal arts or technical background.

Marketing helps engage customers, builds strong customer relationships, and creates customer value. Today's successful companies share a customer focus and a strong commitment to marketing. The two-fold goal of marketing is to attract new

customers by promising superior value and to retain and grow customers by delivering value and satisfaction. To engage customers in long-term relationships, outstanding companies aim to generate customer loyalty by providing higher levels of customer satisfaction. They delight customers by promising what they can deliver and then delivering more than they promise. Delighted customers make repeat purchases and spread the word about their good experiences to others.

Plan of Study

The Marketing Major's Plan of Study has courses that prepare students for various jobs. Consumer Analytics, Marketing Analytics and Marketing Research help develop skills to support data-driven decision-making. Digital Marketing and Social Media Marketing provide key insights for online marketing. Other courses focus on the strategic aspects of marketing. These courses include Brand Management, International Marketing and New Product Development. Finally, Pricing Strategies develops skills on how to cover costs and enhance firm profit.

Experiential Marketing is a capstone course where student teams apply their accumulated coursework to a sponsored active-learning project. This is done in small groups with faculty supervision. The deliverables require students to formulate a marketing strategy based on unstructured problem solving. Though the exact nature of the sponsored projects change each year, below are a few general examples.

- Developing a marketing strategy for a new product.
- Gathering insights for marketing decisions by analyzing marketing data.
- Formulating a digital marketing strategy.

Job Placements

The Marketing Major's overarching goal is to provide students with the knowledge and skills to thrive in a variety of marketing roles. Some students pursue careers in brand and product management. Others find positions as marketing researchers or marketing analysts. Finally, there are a growing number of careers in digital marketing and web design. Recent Krannert graduates have found marketing positions in a wide variety of firms. These include Accenture, Anheuser Busch, AT&T, Crowe LLP, Cummins, Dell, DISH Network, Dow, Eli Lilly, Ford, Intel, Kohl's, Meijer, Nielsen, Oracle, PepsiCo, Roche Diagnostics, Salesforce, Unilever, West Monroe Partners and Whirlpool. There have also been digital marketing positions in the advertising industry. Some examples are Blank Space Branding, Drive Social Media, Found Search Marketing, and RevLocal.

Marketing Major Change (CODO) Requirements

Degree Requirements

120 Credits Required

Management Admissions Index (MAI) Core

Management Admissions Index(MAI) classes consist of:

- **ECON 25100** Microeconomics
- **ENGL 10600** First-year Composition or **ENGL 10800** Accelerated First-year Composition or **SCLA 10100** Transformative Texts, Critical Thinking and Communication I: Antiquity to Modernity or **HONR 19903** Interdisciplinary Approaches to Writing
- **MA 16010** Applied Calculus I

- **MGMT 20000** Introductory Accounting
- **COM 11400** Fundamentals of Speech Communication or COM 21700 Science Writing & Presentation OR **SCLA 10200** Transformative Texts, Critical Thinking and Communication II: Modern World OR **EDPS 31500** Collaborative Leadership: Interpersonal Skills

Upper Division Requirements: A student must 1) complete all MAI courses with a 3.00 or above MAI GPA AND a 2.50 cumulative GPA 2) have a C- or higher in all MAI AND any School of Management courses(MEO) 3) Not be on academic probation.

- University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade.
- Students are responsible for consulting their advisor about re-take options available to them.
- Previous enrollments in MA 16100, 16200, 16500, 16600 do not count against the retake policy for the MAI.

Department/Program Major Courses (55 credits)

Required Major Courses (40 credits)

- ECON 25100 - Microeconomics ♦ (satisfies Human Cultures Behavioral/Social Science for core)

Notes

- MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division, with the exception of OBHR 33300. Students may take this course during their Sophomore Year.
- Courses taken on approved Krannert study abroad programs may be used to satisfy degree requirements. Students participating in a Purdue approved study abroad program are registered as full-time Purdue students during their semester abroad. Schedule an appointment with your advisor to discuss study abroad opportunities.
- Information on summer courses is available at www.purdue.edu/thinksummer.
- Graduation Index: 2.00 minimum - Major Index: 2.00 minimum
- Transfer credit for upper level MGMT, OBHR and ECON (Purdue Transfer Credit Courses) will only be considered if taken at a 4 year AACSB accredited school.

- It is strongly encouraged that you take MGMT 32400 and MGMT 30500 or STAT 35000 following your admission to Upper Division as they are pre-requisites for a majority of your MAJOR SELECTIVES courses.

World Language Courses

World Language proficiency requirements vary by program. The following list is inclusive of all world languages PWL offers for credit; for acceptable languages and proficiency levels, see your advisor.

ASL-American Sign Language	ARAB-Arabic	CHNS-Chinese	FR-French
GER-German	GREK-Greek (Ancient)	HEBR-Hebrew (Biblical)	HEBR-Hebrew (modern)
ITAL-Italian	JPNS-Japanese	KOR-Korean	LATN-Latin
PTGS-Portuguese	RUSS-Russian	SPAN-Spanish	

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Supply Chain & Operations Management, BS

About the Program

Strategic design of agile operational systems and supply chains has become more important than ever with the rapid advancement of technology and the recent challenges faced by the public, private and nonprofit sectors. A successful future supply chain and operations leader needs a broad understanding of various business functions and a deep knowledge of the material flow, cash flow, and information flow that move around in and across business units, as well as the skills for efficient planning of human and non-human resources.

The Supply Chain and Operations Management program at Krannert emphasizes the latest business concepts, models, and strategies for modern supply chains and operations. This is achieved through a comprehensive curriculum that builds a strong business foundation of operations, finance, accounting, marketing, human resources, leadership, coupled with a strong analytics

foundation of data analysis, simulation, and model development. Most importantly, our expert faculty offer a rich set of advanced knowledge in logistics, manufacturing, strategic sourcing & procurement, and project management through advanced courses.

Krannert is ranked #6 for the best undergraduate production and operations management programs, #12 for best undergraduate supply chain management programs, #3 for the best master's production and operations programs, and #8 for the best graduate supply chain management programs by the in the U.S. News and World Report.

Supply Chain Operations Management Major Change (CODO) Requirements

Degree Requirements

120 Credits Required

Department/Program Major Courses (73 credits)

To be admitted to upper level, a student must complete all MAI courses with a 3.00 or above MAI GPA AND a 2.50 cumulative GPA, have a C- or higher in all MAI AND any School of Management courses(MEO), Not be on academic probation.

University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade. Students are responsible for consulting their advisor about re-take options available to them.

Previous enrollments in MA 16100, 16200, 16500, 16600 do not count against the retake policy for the MAI.

The following are Management Admissions Index courses:

- ECON 25100
- MGMT 20000
- MA 16010
- ENGL 10600 or ENGL 10800 or SCLA 10100 or HONR 19903
- COM 11400 or COM 21700 or EDPS 31500 or SCLA 10200

Required Major Courses (52 credits)

- ECON 25100 - Microeconomics ♦ (satisfies Human Cultures Behavioral/Social Science for core)
- ECON 25200 - Macroeconomics
- ECON 30100 - Managerial Economics
- MGMT 20000 - Introductory Accounting ♦
- MGMT 20100 - Management Accounting I
- MGMT 25400 - Legal Foundations Of Business I
- MGMT 29500 - Career Readiness & Exploration
- MGMT 30500 - Business Statistics
- MGMT 30600 - Management Science
- MGMT 31000 - Financial Management
- MGMT 32400 - Marketing Management
- MGMT 35200 - Strategic Management
- MGMT 36100 - Operations Management ♦
- MGMT 38200 - Management Information Systems ♦
- MGMT 46300 - Supply Chain Analytics ♦

- MGMT 46400 - Logistics: Concepts And Models
- MGMT 46501 - Strategic Sourcing And Procurement
- OBHR 33000 - Introduction To Organizational Behavior

Major Selectives (15 credits)

- ECON 36000 - Econometrics
- MGMT 26100 - Introduction To Supply Chain Management
- MGMT 28800 - Programming For Business Applications or
- CS 15900 - C Programming or
- CNIT 17500 - Visual Programming or
- CS 17700 - Programming With Multimedia Objects
- MGMT 40500 - Six Sigma And Quality Analytics
- MGMT 46200 - Advanced Manufacturing Planning And Control Systems
- MGMT 46600 - Project Management
- MGMT 46800 - Supply Chain Technology
- MGMT 47200 - Advanced Spreadsheet Modeling And Simulation
- MGMT 47300 - Data Mining
- MGMT 47400 - Predictive Analytics
- MGMT 48800 - Data-Driven Decisions In Digital Markets
- MGMT 54400 - Database Management Systems
- MGMT 54500 - Systems Development
- MGMT 54700 - Computer Communications Systems

Cultural Competency Selectives (6 credits)

- Cultural Competency I Selective - Credit Hours: 3.00
- Cultural Competency II Selective - Credit Hours: 3.00

Cultural Competency Selectives I & II for Management

Other Departmental/Program Course Requirements (36-42 credits)

- ENGL 42000 - Business Writing ♦
- STAT 30301 - Probability And Statistics For Business ♦
- PSY 12000 - Elementary Psychology (satisfies Human Cultures Behavioral/Social Science for core) or
- SOC 10000 - Introductory Sociology (satisfies Human Cultures Behavioral/Social Science for core)
- **Computer Science Selective** - Credit Hours: 3.00-4.00
- CS 17600 - Data Engineering In Python
- CS 18200 - Foundations Of Computer Science
- CS 24000 - Programming In C
- CS 23500 - Introduction To Organizational Computing
- **Calculus I Selective** - ♦ Credit Hours: 3.00-5.00 (satisfies Quantitative Reasoning for core)
- MA 16010 - Applied Calculus I
- MA 16100 - Plane Analytic Geometry And Calculus I
- MA 16500 - Analytic Geometry And Calculus I
- **Calculus II Selective** - ♦ Credit Hours: 3.00-5.00 (satisfies Quantitative Reasoning for core)
- MA 16020 - Applied Calculus II

- MA 16200 - Plane Analytic Geometry And Calculus II
- MA 16600 - Analytic Geometry And Calculus II
- **Written Communication Selective** - ♦ Credit Hours: 3.00-4.00 (satisfies Written Communication for core)
- ENGL 10600 - First-Year Composition
- ENGL 10800 - Accelerated First-Year Composition
- HONR 19903 - Interdisciplinary Approaches In Writing
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity
- **Oral Communication Selective** - ♦ Credit Hours: 3.00 (satisfies Oral Communication for core)
- COM 11400 - Fundamentals Of Speech Communication
- COM 21700 - Science Writing And Presentation
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World
- Science #1 Selective - Credit Hours: 3.00
- Science #2 Selective - Credit Hours: 3.00
- Human Cultures: Humanities Selective - Credit Hours: 3.00 (satisfies Human Cultures: Humanities for core)
- Science, Technology & Society Selective - Credit Hours: 3.00 (satisfies Science, Technology & Society for core)

Electives (5-11 credits)

- Electives - Credit Hours: 5.00-11.00

Optional Concentration for Supply Chain & Operations Management

- Data Analytics Concentration in School of Management
- Finance Concentration in School of Management
- Hospitality and Tourism Management Concentration in School of Management
- International Business Concentration in School of Management
- Innovation Management Concentration in School of Management
- Management Consulting Concentration in School of Management
- Marketing Concentration in School of Management

University Requirements

University Core Requirements

For a complete listing of University Core Course Selectives, visit the [Provost's Website](#).

- Human Cultures: Behavioral/Social Science (BSS)
- Human Cultures: Humanities (HUM)
- Information Literacy (IL)
- Oral Communication (OC)
- Quantitative Reasoning (QR)
- Science #1 (SCI)
- Science #2 (SCI)
- Science, Technology, and Society (STS)
- Written Communication (WC)

Civics Literacy Proficiency Requirement:

The Civics Literacy Proficiency activities are designed to develop civic knowledge of Purdue students in an effort to graduate a more informed citizenry.

Students will complete the Proficiency by passing a test of civic knowledge, and completing one of three paths:

- Attending six approved civics-related events and completing an assessment for each; or
- Completing 12 podcasts created by the Purdue Center for C-SPAN Scholarship and Engagement that use C-SPAN material and completing an assessment for each; or
- Earning a passing grade for one of **these approved courses** (or transferring in approved AP or departmental credit in lieu of taking a course)

For more information visit the Civics Literacy Proficiency **website**.

Minor

Accounting Minor

The Accounting Minor offers an opportunity for students who would like to equip themselves with better training and understanding of the "language" of business and management. A Minor in Accounting helps students with a non-business background to be better prepared for today's fast-changing careers. It may be especially useful for those STEM students who are interested in business consulting and auditing/taxation data analytics.

Requirements for the Minor (15 credits)

Required Courses (12 credits)

- MGMT 20000 - Introductory Accounting or
- MGMT 21200 - Business Accounting
- MGMT 20100 - Management Accounting I
- MGMT 35000 - Intermediate Accounting I
- MGMT 35100 - Intermediate Accounting II

Additional Courses - Choose One: (3 credits)

- MGMT 37300 - Accounting Information Systems & Data Analytics
- MGMT 50300 - Advanced Accounting
- MGMT 50400 - Tax Accounting
- MGMT 50500 - Management Accounting II
- MGMT 50600 - Auditing
- MGMT 50900 - International Accounting

Notes

The minor requires 2 lower-division core courses on financial and managerial accounting, 2 upper-division intermediate financial accounting courses, and 1 upper-division elective based on students' interest.

1. All courses within minors require a C- or higher
2. If you are pursuing any Krannert major, minor or concentration pass/no pass is not an option
3. Enrollment in all MGMT, ECON & OBHR courses and the ACCT minor is subject to space availability
4. Pre-requisites should be checked on MyPurdue
5. Transfer credit for courses that are a direct match will be accepted for the minor or concentration. Undistributed transfer credit (i.e. MGMT 2XXXX) will not be accepted. To see how courses from other institutions transfer to Purdue use Purdue's Transfer Credit Courses Equivalence Guide https://selfservice.mypurdue.purdue.edu/prod/bzwtxcrd.p_select_info.
6. Krannert Students: All MGMT & ECON & OBHR 300 level or higher courses require upper division status
7. Krannert Students only 1 course may be shared between any major, minor or concentration)

Business Economics Minor

Requirements for the Minor (15 credits)

Required Courses (9 credits)

- ECON 25100 - Microeconomics
- ECON 25200 - Macroeconomics
- ECON 30100 - Managerial Economics

Selective - Choose One (3 credits)

- ECON 35200 - Intermediate Macroeconomics
- ECON 36100 - Antitrust And Regulation
- ECON 38000 - Money And Banking
- ECON 46100 - Industrial Organization

Economics Elective- Choose One (3 credits)

- ECON 32500 - Economics Of Sports
- ECON 35200 - Intermediate Macroeconomics
- ECON 36000 - Econometrics
- ECON 36100 - Antitrust And Regulation
- ECON 36200 - Health Economics
- ECON 36500 - History Of Economic Thought
- ECON 36700 - Law And Economics
- ECON 37000 - International Trade
- ECON 37600 - Economics Of The European Union
- ECON 38000 - Money And Banking
- ECON 38500 - Labor Economics
- ECON 39000 - Junior Level Problems In Economics
- ECON 42200 - Public Finance And Taxation
- ECON 45100 - Game Theory
- ECON 45200 - Empirical Macroeconomics
- ECON 46100 - Industrial Organization
- ECON 46600 - International Economics
- ECON 47100 - Behavioral Economics
- ECON 48500 - Economics Of Racial And Gender Discrimination
- ECON 49900 - Senior Honors Thesis

Notes

- Students majoring in Economics cannot obtain a Business Economics Minor
- A grade of C- or better must be earned in any course used to fulfill the minor. Courses for the minor may not be taken as Pass/No Pass.
- Transfer credit for courses that are a direct match will be accepted for the minor. Undistributed transfer credit (i.e. ECON 2XXXX) will not be accepted.
- Economics Courses (not principles) completed as part of an approved study abroad program may be used to fulfill the Economics Upper-Division Electives Required.
- Economics majors have priority in registering for Economics upper-division courses. Students seeking a Minor in Economics are not allowed to register for upper-division courses until after Krannert registration restrictions are lifted. Space in upper-division courses is not guaranteed. More information lifting of restrictions can be found at <http://www.krannert.purdue.edu/undergraduate/current-students/nonkrannert-students.asp>.

- Enrollment in all MGMT, ECON & OBHR courses and the ACCT minor is subject to space availability
- Pre-requisites should be checked on MyPurdue
- Transfer credit for courses that are a direct match will be accepted for the minor or concentration. Undistributed transfer credit (i.e. MGMT 2XXXX) will not be accepted. To see how courses from other institutions transfer to Purdue use Purdue's Transfer Credit Courses Equivalence Guide at https://selfservice.mypurdue.purdue.edu/prod/bzwtxcrd.p_select_info.
- Krannert Students: All MGMT & ECON & OBHR 300 level or higher courses require upper division status
- Krannert Students only 1 course may be shared between any major, minor or concentration
- Students who took ECON 25200 prior to Fall 2013 to satisfy their management minor requirement may use it to satisfy minor requirements and as a prerequisite for MGMT 31000.

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Mathematical Economics Minor

The mathematical economics minor is designed to prepare students for graduate studies in economics or other related fields. It teaches students to apply mathematical methods to analyze economic problems and evaluate public policies.

Requirements for the Minor (16-17 credits)

Required Courses (13 credits)

- ECON 34000 - Intermediate Microeconomic Theory
- ECON 35200 - Intermediate Macroeconomics
- ECON 36000 - Econometrics
- MA 26100 - Multivariate Calculus

Additional Course - Choose One (3-4 credits)

- ECON 37300 - Computational Economics
- ECON 45100 - Game Theory
- ECON 46300 - Advanced Data Analysis And Machine Learning

Notes

- The Minor in Mathematical Economics is not available to Economics Majors or other Economics Minors.
- All Courses within minors require a C- or higher.
- Courses for the minor may not be taken as Pass/No Pass.
- Economics majors and students in the combined BS and MS-ECON program have priority in registering for Economics upper-division courses, including the three ECON courses that comprise the Minor in Mathematical Economics. This contrasts with students seeking a Minor in Economics or a Minor in Business Economics, as such students are not allowed to register for upper-division courses until after Krannert registration restrictions are lifted. To obtain registration priority for economics courses, we encourage interested students in a STEM discipline to apply for the combined BS and MS-ECON program. Space in upper-division courses is not guaranteed.
- The combined degree program allows undergraduate students in Engineering (AAE, CE ChE, ECE, IE, or ME), Mathematics, Statistics, or Computer Science to count 500-level economics courses towards both the Minor in Mathematical Economics and the MS degree in Economics. After graduating from Purdue with a BS degree, the student would then have the option of taking 21 additional credit hours of appropriate courses in order to complete the Purdue MS degree in Economics. This can be done while employed, as the program can be completed fully online.
- Only students enrolled in the BS/MS degree in Economics will be able to take ECON 51100 in lieu of ECON 34000, ECON 51200 in lieu of ECON 35200 and ECON 56200 in lieu of ECON 36000.
- Transfer credit for courses that are a direct match will be accepted for the minor. Undistributed transfer credit (i.e. ECON 2XXXX) will not be accepted.

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Real Estate Finance Minor

The **Real Estate Finance (REF) Minor** is to prepare future business leaders in the real estate industry. The Minor allows students in business-related majors to develop in-depth knowledge of theory and practices in real estate, and strengthen their leadership skills to pursue careers in real estate planning and development, investment banking, real estate valuations, asset management, and other related areas. Students may gain a cross-disciplinary educational experience by leveraging business courses and experiential learning opportunities offered by Krannert and other units on campus toward their interests in specialized career opportunities.

Requirements for the Minor (18 credits)

Required Real Estate Courses (9 credits)

- MGMT 37000 - Real Estate Fundamentals
- MGMT 43901 - Real Estate Investment & Development
- MGMT 43905 - Real Estate Industry Project

Real Estate Selectives Courses (9 credits)

Must choose at least one course from Focus Area A:

Focus Area A: Real Estate

- MGMT 37500 - Real Estate Law
- MGMT 43902 - Real Estate Capital Markets & Securitization
- MGMT 43907 - Advanced Topics In Real Estate

Focus Area B: Finance & Strategy

- ECON 45600 - Urban Economics
- ECON 38000 - Money And Banking or
- MGMT 41200 - Financial Institutions And Markets
- POL 22300 - Introduction To Environmental Policy
- MGMT 41300 - Corporate Finance
- MGMT 41601 - Corporate Mergers And Acquisitions
- MGMT 41100 - Investment Management

Focus Area C: Leadership & Analytics

- MGMT 46600 - Project Management
- MGMT 44690 - Negotiation And Decision Making
- MGMT 47900 - Data Visualization or
- ECON 26000 - Data Visualization And Inference
- MGMT 47200 - Advanced Spreadsheet Modeling And Simulation
- MGMT 41310 - Financial Data Analysis And Modeling
- ECON 36000 - Econometrics

Notes

- The Minor is designed for students with a major in the Krannert School of Management. Non-Krannert students are advised to pursue the Real Estate Minor.
- Non-Krannert students who wish to pursue the Real Estate Finance Minor are responsible for taking any additional required prerequisites.
- Non-Krannert students seeking the Real Estate Finance Minor are not allowed to register for upper-division courses until after Krannert registration restrictions are lifted. Space in upper-division courses is not guaranteed.

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Real Estate Minor

The **Real Estate Minor** helps students in non-business majors acquire basic knowledge in business and economics, and develop in-depth knowledge in real estate issues and practices. The Minor allows students to broaden or enhance their knowledge of the student's Major field and create a unique skill set for specialized real estate-related careers.

Requirements for the Minor (18 credits)

Required Business & Economics Courses (9 credits)

- ECON 25100 - Microeconomics or
- ECON 21000 - Principles Of Economics
- MGMT 20000 - Introductory Accounting or
- HTM 14100 - Financial Accounting For The Service Industries or
- MGMT 21200 - Business Accounting
- MGMT 31000 - Financial Management or
- MGMT 30400 - Introduction To Financial Management

Required Real Estate Courses (6 credits)

- MGMT 37000 - Real Estate Fundamentals
- MGMT 43901 - Real Estate Investment & Development

Real Estate Selective Courses (3 credits)

- MGMT 37500 - Real Estate Law
- MGMT 43902 - Real Estate Capital Markets & Securitization
- MGMT 43907 - Advanced Topics In Real Estate

Notes

- This Minor is designed for non-Krannert students. Students with a major in the Krannert School of Management are advised to pursue the Real Estate Finance Minor.
- Krannert students have priority in registering for Economics and Management upper-division courses. Non-Krannert students seeking the Real Estate Minor are not allowed to register for upper-division courses until after Krannert registration restrictions are lifted. Space in upper-division courses is not guaranteed.

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Pre-Program

Pre-Accounting

Krannert's Pre-program's consist of the first four semesters of a student's major program. Students must meet the MAI/EAI/IMMAI requirements for their chosen major (typically within the first four semesters), then apply for Upper Division and be approved to move into their major program. Please make sure to review the requirements for both your Pre-Program and Program in Purdue's catalog.

Department/Program Major Courses (32 credits)

The following are Management Admissions Index (MAI) courses:

- ECON 25100
- ENGL 10600 or ENGL 10800 or SCLA 10100 or HONR 19903
- MA 16010
- MGMT 20000
- COM 11400 or COM 21700 or EDPS 31500 or SCLA 10200

A student must: 1) complete all MAI courses with a 3.00 or above MAI GPA AND a 2.50 cumulative GPA; 2) have a C- or higher in all MAI AND any School of Management courses (MEO); 3) Not be on academic probation.

University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade.

Students are responsible for consulting their advisor about re-take options available to them.

Previous enrollments in MA 16100, 16200, 16500, 16600 do not count against the retake policy for the MAI.

Required Courses (32 credits)

- ECON 25100 - Microeconomics ♦ (satisfies Human Cultures Behavioral/Social Science for core)
- ECON 25200 - Macroeconomics (satisfies Human Cultures Behavioral/Social Science for core)
- MGMT 19700 - Careers In Accounting & Finance ♦
- MGMT 20000 - Introductory Accounting ♦
- MGMT 20100 - Management Accounting I ♦
- MGMT 29500 - Career Readiness & Exploration
- MGMT 30500 - Business Statistics
- MGMT 31000 - Financial Management
- MGMT 35000 - Intermediate Accounting I ♦
- MGMT 35100 - Intermediate Accounting II ♦
- OBHR 33000 - Introduction To Organizational Behavior
- MGMT 37300 - Accounting Information Systems & Data Analytics ♦

Other Departmental/Program Courses (30-31 credits)

- CS 23500 - Introduction To Organizational Computing ♦
- MA 16010 - Applied Calculus I ♦
- STAT 30301 - Probability And Statistics For Business ♦
Oral Communication Selective - Credit Hours: 3.00 ♦ (satisfies Oral Communication for core)
- COM 11400 - Fundamentals Of Speech Communication
- COM 21700 - Science Writing And Presentation
- EDPS 31500 - Collaborative Leadership: Interpersonal Skills
- SCLA 10200 - Transformative Texts, Critical Thinking And Communication II: Modern World
Written Communication Selective - Credit Hours: 3.00-4.00 ♦ (satisfies Written Communication for core)
- ENGL 10600 - First-Year Composition
- ENGL 10800 - Accelerated First-Year Composition

- HONR 19903 - Interdisciplinary Approaches In Writing
- SCLA 10100 - Transformative Texts, Critical Thinking And Communication I: Antiquity To Modernity
Human Cultures: Behavioral/Social Science Selective - Credit Hours: 3.00 (satisfies Human Cultures: Behavioral/Social Science for core)
- PSY 12000 - Elementary Psychology or
- SOC 10000 - Introductory Sociology
- Human Cultures: Humanities Selective - Credit Hours: 3.00 (satisfies Human Cultures: Humanities for core)
- Science #1 Selective - Credit Hours: 3.00 (satisfies Science #1 for core)
- Science #2 Selective - Credit Hours: 3.00 (satisfies Science #2 for core)
- Science, Technology & Society Selective - Credit Hours: 3.00 (satisfies Science, Technology & Society for core)

Civics Literacy Proficiency Requirement:

The Civics Literacy Proficiency activities are designed to develop civic knowledge of Purdue students in an effort to graduate a more informed citizenry.

Students will complete the Proficiency by passing a test of civic knowledge, and completing one of three paths:

- Attending six approved civics-related events and completing an assessment for each; or
- Completing 12 podcasts created by the Purdue Center for C-SPAN Scholarship and Engagement that use C-SPAN material and completing an assessment for each; or
- Earning a passing grade for one of **these approved courses** (or transferring in approved AP or departmental credit in lieu of taking a course)

For more information visit the Civics Literacy Proficiency [website](#).

- MGMT 35100 - Intermediate Accounting II ♦
- OBHR 33000 - Introduction To Organizational Behavior
- MGMT 37300 - Accounting Information Systems & Data Analytics

15 Credits

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Pre-Business Analytics & Information Management

Krannert's Pre-program's consist of the first four semesters of a student's major program. Students must meet the MAI/EAI/IMMAI requirements for their chosen major (typically within the first four semesters), then apply for Upper Division and be approved to move into their major program. Civics Literacy Proficiency Requirement:

The Civics Literacy Proficiency activities are designed to develop civic knowledge of Purdue students in an effort to graduate a more informed citizenry.

Students will complete the Proficiency by passing a test of civic knowledge, and completing one of three paths:

- Attending six approved civics-related events and completing an assessment for each; or
- Completing 12 podcasts created by the Purdue Center for C-SPAN Scholarship and Engagement that use C-SPAN material and completing an assessment for each; or
- Earning a passing grade for one of **these approved courses** (or transferring in approved AP or departmental credit in lieu of taking a course)

For more information visit the Civics Literacy Proficiency [website](#).

14 Credits

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Pre-General Management

Krannert's Pre-program's consist of the first four semesters of a student's major program. Students must meet the MAI/EAI/IMMAI requirements for their chosen major (typically within the first four semesters), then apply for Upper Division and be approved to move into their major program. Please make sure to review the requirements for both your Pre-Program and Program in Purdue's catalog.

Pre-General Management Major Change (CODO) Requirements

Pre-Program Courses

Department/Program Major Courses

Required Major Courses (25 credits)

- ECON 25100 - Microeconomics ♦ (satisfies Human Cultures Behavioral/Social Science for core)

- Science #2 Selective - Credit Hours: 3.00

16-18 Credits

Fall 2nd Year

- ECON 25200 - Macroeconomics
- CS 23500 - Introduction To Organizational Computing ♦ or
- CS 17600 - Data Engineering In Python ♦ or
- CS 18200 - Foundations Of Computer Science ♦ or
- CS 24000 - Programming In C ♦
- STAT 30301 - Probability And Statistics For Business ♦
- Science, Technology and Society Selective – Credit Hours: 3.00
- Cultural Competency I Selective - Credit Hours: 3.00

15-16 Credits

Spring 2nd Year

- MGMT 20100 - Management Accounting I
- MGMT 30500 - Business Statistics
- MGMT 38200 - Management Information Systems
- MGMT 36100 - Operations Management
- Cultural Competency II Selective - Credit Hours: 3.00

15 Credits

Critical Course

The ♦ course is considered critical.

In alignment with the Degree Map Guidance for Indiana's Public Colleges and Universities, published by the Commission for Higher Education (pursuant to HEA 1348-2013), a Critical Course is identified as "one that a student must be able to pass to persist and succeed in a particular major. Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful. These would be identified by the institutions for each degree program".

Disclaimer

The student is ultimately responsible for knowing and completing all degree requirements.

The myPurduePlan powered by DegreeWorks is the knowledge source for specific requirements and completion.

Program Information

Cultural Competency Selectives I & II for Management

Cultural Competency I & II Selectives (6 credits)

Cultural Competency I Selectives - Choose One: (3 credits)

- MGMT 24200 - Contemporary Problems In Personal Finance For Minorities
- MGMT 33100 - Development And Impact of Equal Employment Law
- ECON 37000 - International Trade
- ECON 37600 - Economics Of The European Union
- ECON 46600 - International Economics
- MGMT 41500 - International Financial Management
- MGMT 42210 - International Marketing
- MGMT 45900 - International Management
- MGMT 50900 - International Accounting
- MGMT 55400 - Managing Global Organizational Behavior & Human Resources
- MGMT 55500 - Leading Management Of Diversity And Inclusion In Organizations

Cultural Competency II Selectives - Choose One: (3 credits)

- AAS 27100 - Introduction To African American Studies
- AAS 37300 - Issues In African American Studies
- ANTH 23000 - Gender Across Cultures
- ASAM 24000 - Introduction To Asian American Studies
- ASL 10100 - American Sign Language I
- CHNS 28000 - Topics In Chinese Civilization And Culture
- CLCS 23700 - Gender And Sexuality In Greek And Roman Antiquity
- ECON 48500 - Economics Of Racial And Gender Discrimination
- ENGL 11000 - American Language And Culture For International Students I
- ENGL 21800 - Figures Of Myth And Legends II: Heroes And Villains
- ENGL 36000 - Gender And Literature
- ENGL 36500 - Literature And Imperialism
- HIST 10500 - Survey Of Global History
- HIST 30505 - The United States In The World 1898-Present
- HIST 46900 - Black Civil Rights Movement
- HIST 47005 - Women And Health In America
- ITAL 10100 - Italian Level I
- JPNS 10100 - Japanese Level I

- MGMT 29300 - Diversity In The Workplace
- MGMT 29400 - Navigating Gender In The Workplace
- PHIL 11400 - Global Moral Issues
- POL 22200 - Women, Politics, And Public Policy
- POL 32600 - Black Political Participation In America
- PSY 23900 - The Psychology Of Women
- PSY 24000 - Introduction To Social Psychology
- SPAN 10100 - Spanish Level I
- SOC 22000 - Social Problems
- SOC 31000 - Race And Ethnicity
- CDIS 23900 - Introduction To Disability Studies
- ENGL 43900 - Topics In Disability Studies
- MGMT 44310 - China, America And Artificial Intelligence

Data Analytics Concentration in School of Management

Concentration Courses (12 credits)

Choose Two (6 credits)

- ECON 36000 - Econometrics
- MGMT 47200 - Advanced Spreadsheet Modeling And Simulation
- MGMT 47300 - Data Mining
- MGMT 47400 - Predictive Analytics

Choose Two (6 credits)

- ECON 26000 - Data Visualization And Inference
- MGMT 28800 - Programming For Business Applications or
- CS 17600 - Data Engineering In Python
- MGMT 37300 - Accounting Information Systems & Data Analytics
- MGMT 38900 - Using R For Business Analytics
- MGMT 40500 - Six Sigma And Quality Analytics
- MGMT 41310 - Financial Data Analysis And Modeling
- MGMT 42000 - Consumer Analytics
- MGMT 42110 - Marketing Analytics
- MGMT 42500 - Marketing Research
- MGMT 46200 - Advanced Manufacturing Planning And Control Systems
- MGMT 46300 - Supply Chain Analytics
- MGMT 46600 - Project Management
- MGMT 47500 - Machine Learning For Business
- MGMT 47900 - Data Visualization
- MGMT 48800 - Data-Driven Decisions In Digital Markets
- MGMT 54400 - Database Management Systems

Notes

- Courses must be completed with minimum grade of C- or better
- Only one course may be shared between two concentrations or between a major and a concentration

Economics Concentration for Industrial Management

Required Courses (15 credits)

- ECON 34000 - Intermediate Microeconomic Theory
- ECON 35200 - Intermediate Macroeconomics
- ECON 30000 or 40000 level course (*excludes ECON 30100*) - Credit Hours: 3.00
- ECON 30000 or 40000 level course (*excludes ECON 30100*) - Credit Hours: 3.00
- ECON 30000 or 40000 level course (*excludes ECON 30100*) - Credit Hours: 3.00

Economics Honors Concentration for Industrial Management

Required Courses (15 credits)

- ECON 34000 - Intermediate Microeconomic Theory
- ECON 35200 - Intermediate Macroeconomics
- ECON 36000 - Econometrics
- ECON 49900 - Senior Honors Thesis
- ECON 30000 or 40000 level course (*excluding ECON 30100*) - Credit Hours: 3.00

Economics Upper Division Supplemental Information

Economics Upper Division Selective (15 Credits)

- ECON 32500 - Economics Of Sports
- ECON 36100 - Antitrust And Regulation
- ECON 36500 - History Of Economic Thought
- ECON 36700 - Law And Economics
- ECON 37000 - International Trade
- ECON 37500 - United States Economic History
- ECON 37600 - Economics Of The European Union
- ECON 38000 - Money And Banking
- ECON 38500 - Labor Economics
- ECON 39000 - Junior Level Problems In Economics
- ECON 39040 - Economics Internship
- ECON 41500 - Contemporary Economic Problems And Policies
- ECON 42200 - Public Finance And Taxation
- ECON 45100 - Game Theory
- ECON 45200 - Empirical Macroeconomics
- ECON 45600 - Urban Economics
- ECON 46100 - Industrial Organization

- ECON 46600 - International Economics
- ECON 47100 - Behavioral Economics
- ECON 49000 - Problems In Economics
- ECON 49900 - Senior Honors Thesis
- ECON 51000 - Game Theory
- ECON 51100 - Intermediate Economics I
- ECON 51200 - Intermediate Economics II
- ECON 51300 - Economic Theory
- ECON 51400 - Microeconomics
- ECON 51500 - Macroeconomics
- ECON 51900 - Economics For Pre-College Educators
- ECON 52000 - Industrial Economics
- ECON 53400 - International Trade Theory
- ECON 55000 - Personnel Economics
- ECON 56200 - Econometrics I
- ECON 56500 - Law And Economics
- ECON 57000 - International Economics
- ECON 57200 - Econometrics II
- ECON 57300 - Financial Econometrics
- ECON 57400 - Microeconometrics
- ECON 58500 - Behavioral Economics
- ECON 59000 - Problems In Economics
- ECON 48500 - Economics Of Racial And Gender Discrimination
- ECON 32200 - Economics Of Public Policy
- ECON 36200 - Health Economics

Engineering Concentration for Industrial Management

Concentration Courses (15 credits)

Management - Choose Two: (6 credits)

- MGMT 44810 - Technology Strategy
- MGMT 45200 - Manufacturing Strategy And Process Innovation
- MGMT 46200 - Advanced Manufacturing Planning And Control Systems
- MGMT 46300 - Supply Chain Analytics
- MGMT 46400 - Logistics: Concepts And Models
- MGMT 46600 - Project Management

Selectives (9 credits)

Work Methods & Design

- IE 38600 - Work Analysis And Design I
- IE 55600 - Job Design
- IE 55800 - Safety Engineering

- IE 57700 - Human Factors In Engineering

Statistical Control

- IE 53000 - Quality Control
- IE 53300 - Industrial Applications Of Statistics

Economic Decision Making

- IE 54500 - Engineering Economic Analysis
- IE 54600 - Economic Decisions In Engineering

Systems Collaboration

- SYS 30000 - It's A Complex World - Addressing Global Challenges
- SYS 35000 - Systems Methods
- SYS 40000 - Systems Praxis
- SYS 50000 - Perspectives On Systems

Finance Concentration in School of Management

Concentration Courses (12 credits)

Required Courses: (6 credits)

- MGMT 41100 - Investment Management
- MGMT 41300 - Corporate Finance

Choose Two: (6 credits)

- MGMT 41150 - Futures And Options
- MGMT 41200 - Financial Institutions And Markets
- MGMT 41250 - Fixed Income Securities
- MGMT 41310 - Financial Data Analysis And Modeling
- MGMT 41350 - Venture Capital And Entrepreneurial Finance
- MGMT 41500 - International Financial Management
- MGMT 41601 - Corporate Mergers And Acquisitions
- MGMT 41650 - Financial Engineering

Notes

- Not available for Finance Majors
- Only one course may be shared between two concentrations or between a major and a concentration
- Courses must be completed with a minimum grade of C- or better.

Financial Engineering Concentration for Industrial Management

Required Courses - Choose Six: (18 credits)

- MGMT 41100 - Investment Management
- MGMT 41150 - Futures And Options
- MGMT 41200 - Financial Institutions And Markets
- MGMT 41250 - Fixed Income Securities
- MGMT 41300 - Corporate Finance
- MGMT 41310 - Financial Data Analysis And Modeling
- MGMT 41350 - Venture Capital And Entrepreneurial Finance
- MGMT 41500 - International Financial Management
- MGMT 41601 - Corporate Mergers And Acquisitions
- MGMT 47200 - Advanced Spreadsheet Modeling And Simulation
- MGMT 47400 - Predictive Analytics
- MGMT 61400 - Investments
- MGMT 64200 - Portfolio Management
- MGMT 64300 - Financial Risk Management
- MGMT 69000 - Advanced Problems In Management
- ECON 36000 - Econometrics
- ECON 51100 - Intermediate Economics I
- IE 53500 - Linear Programming
- IE 53800 - Nonlinear Optimization Algorithms And Models
- IE 54600 - Economic Decisions In Engineering
- IE 58100 - Simulation Design And Analysis
- IE 59000 - Topics In Industrial Engineering

Hospitality and Tourism Management Concentration in School of Management

Concentration Courses (16 credits)

HTM courses (16 credits)

- HTM 10010 - Introduction To The Hospitality And Tourism Industry
- HTM 17300 - Introduction To Tourism Management
- HTM 19100 - Sanitation And Health In Foodservice, Lodging, And Tourism
- HTM 32200 - Hospitality Facilities Management
- HTM 38110 - Revenue Management In The Lodging Industry or
- HTM 49900 - Feasibility Studies And Business Development In Hospitality And Tourism
- HTM selective - Credit Hours: 3.00

Notes

- Available to all Management majors
- Courses must be completed with a minimum grade of C- or better

IM Economics

This is the Economics concentration for the IM Major.(INMG)

IM Economics Honors

This the Economics Honors required Concentration for the IM Major.

IM Engineering

This is the required Engineering concentration for the IM Major.

IM Financial Engineering

This is the required Financial Engineering concentration for the IM major.

IM Manufacturing Service & Operations Management

This is the required Manufacturing Service & Operations Management concentration for the IM major.

IM Operations & Supply Chain Management

This is the required Operations & Supply Chain Management concentration for the IM Major.

Innovation Management Concentration in School of Management

Concentration Courses (12 credits)

Innovation-Focused Course - Choose Three: (9 credits)

- ECON 31200 - Energy Economics: Competition, Regulatory, And Environmental Policy
- MGMT 42300 - New Product Development
- MGMT 42710 - Digital Marketing Strategy
- MGMT 44810 - Technology Strategy
- MGMT 45200 - Manufacturing Strategy And Process Innovation
- MGMT 48400 - Management Of Entrepreneurial Ventures
- MGMT 48800 - Data-Driven Decisions In Digital Markets
- MGMT 49600 - Management Consulting Practicum
- MGMT 59000 - Directed Readings In Management (Titles: Techstart, Biomedship, Student-Managed Venture Fund) Instructor permission - Credit Hours: 3.00

Toolkit Course - Choose One: (3 credits)

Notes

- Courses must be completed with minimum grade of C- or better
- Additional 12 credits beyond the student's major (courses cannot be double counted)
- Only one course may be shared between two concentrations or between a major and a concentration

International Business Concentration in School of Management

Concentration Courses (12 credits)

Courses (12 credits)

- ECON 37000 - International Trade
- ECON 46600 - International Economics
- MGMT 39000 - Junior Level Problems In Management - International Internship
- MGMT 41500 - International Financial Management
- MGMT 42210 - International Marketing
- MGMT 44310 - China, America And Artificial Intelligence
- MGMT 45900 - International Management
- MGMT 50900 - International Accounting
- MGMT 49000 - Problems In Industrial Management - International Business Electives - Credit Hours: 3.00
- Foreign Language 20100, 20200, 30100, 30200, 40100 or 40200 - Credit Hours: 3.00
- MGMT, ECON or OBHR Course (on Study Abroad)

Notes

- All MGMT & ECON & OBHR 300 level or higher courses require upper division status
- Only 1 course may be shared between any major, minor or concentration(s)
- Space in MGMT, ECON & OBHR courses may be limited and offering of courses are not guaranteed
- Pre-requisites should be checked on MyPurdue
- All courses within minors require a C- or higher
- If you are pursuing any Krannert major, minor or concentration pass/no pass is not an option
- Transfer credit for courses that are a direct match will be accepted for the minor or concentration. Undistributed transfer credit (i.e. MGMT 2XXXX) will not be accepted. To see how courses from other institutions transfer to Purdue use Purdue's Transfer Credit Courses Equivalence Guide

International Electives for the School of Management

Courses:

- AGECE 34000 - International Economic Development
- AGECE 25000 - Economic Geography Of World Food And Resources

- ANTH 34100 - Culture And Personality
- ANTH 34000 - Global Perspectives On Health
- AGECE 45000 - International Agricultural Trade
- CLCS 23700 - Gender And Sexuality In Greek And Roman Antiquity
- CLCS 18100 - Classical World Civilizations
- CLCS 38000 - Alexander The Great And Hellenistic World
- CLCS 48000 - Potters And Society In Antiquity
- COM 22400 - Communicating In The Global Workplace
- COM 30300 - Intercultural Communication
- CSR 33200 - Cross-Cultural Marketing And International Retailing
- ECON 37600 - Economics Of The European Union
- ECON 46600 - International Economics
- FNR 23000 - The World's Forests And Society
- HIST 10300 - Introduction To The Medieval World
- HIST 10400 - Introduction To The Modern World
- HIST 10500 - Survey Of Global History
- HIST 24000 - East Asia And Its Historic Tradition
- HIST 24300 - South Asian History And Civilizations
- HIST 32900 - History Of Women In Modern Europe
- HIST 34300 - Traditional Japan
- HIST 34400 - History Of Modern Japan
- HIST 34000 - Modern China
- HIST 40300 - Europe In The Reformation
- MGMT 50900 - International Accounting
- SOC 33900 - Sociology Of Global Development
- PHIL 11400 - Global Moral Issues
- PHIL 23000 - Religions Of The East
- PHIL 23100 - Religions Of The West
- POL 13000 - Introduction To International Relations
- POL 14100 - Governments Of The World
- POL 23500 - International Relations Among Rich And Poor Nations
- POL 23700 - Modern Weapons And International Relations
- POL 34800 - East Asian Politics
- POL 40300 - Field Experience In Political Science

Upper Division Courses:

- ECON 37000 - International Trade
- MGMT 41500 - International Financial Management
- MGMT 42210 - International Marketing
- MGMT 45900 - International Management
- ECON 46600 - International Economics

Notes

- Any foreign language course - 20100, 20200, 30100, 30200, 40100, and 40200 not in your native language. Foreign language course cannot be taught in English.

- Global or international courses (3-6 credits) taken at an approved Purdue study abroad program may be used toward the International Elective with advisor approval.

Management Consulting Concentration in School of Management

Concentration Courses (12 credits)

Required Skills Course: (3 credits)

- MGMT 35500 - Consulting Tools And Skills

Experiential Course - Choose One: (3 credits)

- MGMT 42910 - Experiential Marketing
- ENTR 48100 - Consulting For Emerging Enterprises
- MGMT 48400 - Management Of Entrepreneurial Ventures
- MGMT 49600 - Management Consulting Practicum
- MGMT 69000 - Advanced Problems In Management - ELI Corporate Consulting

Toolkit Courses - Choose Two: (6 credits)

- MGMT 22000 - Making The Business Case
- MGMT 39100 - Strategic Thinking And Decision-Making
- MGMT 44690 - Negotiation And Decision Making
- MGMT 42300 - New Product Development
- MGMT 42500 - Marketing Research
- MGMT 44710 - Competitive Strategy
- MGMT 44810 - Technology Strategy
- MGMT 45200 - Manufacturing Strategy And Process Innovation
- MGMT 45900 - International Management
- MGMT 46600 - Project Management
- MGMT 47900 - Data Visualization

Notes

- All MGMT & ECON & OBHR 300 level or higher courses require upper division status
- Only 1 course may be shared between any major, minor or concentration(s)
- Space in MGMT, ECON & OBHR courses may be limited and offering of courses are not guaranteed
- Pre-requisites should be checked on MyPurdue
- All courses within minors require a C- or higher
- If you are pursuing any Krannert major, minor or concentration pass/no pass is not an option
- Transfer credit for courses that are a direct match will be accepted for the minor or concentration. Undistributed transfer credit (i.e. MGMT 2XXXX) will not be accepted. To see how courses from other institutions transfer to Purdue use Purdue's Transfer Credit Courses Equivalence Guide

Management Information Systems Concentration in School of Management

Concentration Courses (12 credits)

- MGMT 28800 - Programming For Business Applications or
- CNIT 17500 - Visual Programming or
- CS 17700 - Programming With Multimedia Objects or
- CS 17600 - Data Engineering In Python
- MGMT 48800 - Data-Driven Decisions In Digital Markets
- MGMT 54400 - Database Management Systems
- MGMT 54500 - Systems Development

Notes

- Not Available for SCIA Majors in the MIS Track.
- Courses must be completed with minimum grade of C- or better
- Only one course may be shared between two concentrations or between a major and a concentration.

Manufacturing Service & Operations Management Concentration for Industrial Management

Concentration Requirements (15 credits)

Required Courses (6 credits)

- MGMT 46200 - Advanced Manufacturing Planning And Control Systems
- MGMT 45200 - Manufacturing Strategy And Process Innovation

Selectives - Choose Three: (9 credits)

- MA 26500 - Linear Algebra
- MGMT 54400 - Database Management Systems
- MGMT 54500 - Systems Development
- MGMT 40500 - Six Sigma And Quality Analytics

Marketing Concentration in School of Management

Marketing Concentration - Choose Four: (12 credits)

- MGMT 42000 - Consumer Analytics
- MGMT 42110 - Marketing Analytics

- MGMT 42210 - International Marketing
- MGMT 42300 - New Product Development
- MGMT 42500 - Marketing Research
- MGMT 42610 - Brand Management
- MGMT 42710 - Digital Marketing Strategy
- MGMT 43700 - Social Media Marketing
- MGMT 43800 - Pricing Strategies
- MGMT 43000 - Professional Selling

Notes

- Not available to Marketing majors
- Courses must be completed with minimum grade of C- or better
- Only one course may be shared between two concentrations or between a major and a concentration

Operation & Supply Chain Mgmt Concentration in School of Management

Concentration Courses (12 credits)

Required Courses (6 credits)

- MGMT 46300 - Supply Chain Analytics
- MGMT 46400 - Logistics: Concepts And Models
- MGMT 46501 - Strategic Sourcing And Procurement

Choose Two (6 Credits)

- MGMT 26100 - Introduction To Supply Chain Management
- MGMT 40500 - Six Sigma And Quality Analytics
- MGMT 46200 - Advanced Manufacturing Planning And Control Systems
- MGMT 46600 - Project Management

Notes

- Courses must be completed with minimum grade of C- or better
- Only one course may be shared between two concentrations or between a major and a concentration

Operations & Supply Chain Management Concentration for Industrial Management

Concentration Requirements (15 credits)

Required Courses: (6 credits)

- MGMT 46300 - Supply Chain Analytics
- MGMT 46400 - Logistics: Concepts And Models

Choose Three: (9 credits)

- MA 26500 - Linear Algebra
- MGMT 40500 - Six Sigma And Quality Analytics
- MGMT 45200 - Manufacturing Strategy And Process Innovation
- MGMT 46200 - Advanced Manufacturing Planning And Control Systems
- MGMT 46600 - Project Management
- MGMT 47200 - Advanced Spreadsheet Modeling And Simulation
- MGMT 47400 - Predictive Analytics

Science, Technology, Engineering & Math Concentration for Industrial Management

Required Courses - Choose Five: (15 credits)

- AAE 20300 - Aeromechanics I
- AAE 25100 - Introduction To Aerospace Design
- BME 20100 - Biomolecules: Structure, Function, And Engineering Applications
- CE 20300 - Principles And Practice Of Geomatics
- CE 29700 - Basic Mechanics I (Statics)
- CEM 20100 - Life Cycle Engineering And Management Of Constructed Facilities
- CS 15900 - C Programming
- ECE 20100 - Linear Circuit Analysis I
- ENGR 13100 - Transforming Ideas To Innovation I
- ENGR 13200 - Transforming Ideas To Innovation II
- IE 23000 - Probability And Statistics In Engineering I
- IE 34300 - Engineering Economics
- MA 26500 - Linear Algebra
- ME 20000 - Thermodynamics I
- ME 27000 - Basic Mechanics I
- MSE 23000 - Structure And Properties Of Materials
- MSE 23500 - Materials Properties Laboratory
- NUCL 20000 - Introduction to Nuclear Engineering
- PHYS 24100 - Electricity And Optics

Supply Chain & Operations Management Concentration in School of Management

Concentration Courses (12 credits)

Required Courses (9 credits)

- MGMT 46300 - Supply Chain Analytics
- MGMT 46400 - Logistics: Concepts And Models
- MGMT 46501 - Strategic Sourcing And Procurement

Choose One: (3 credits)

- MGMT 26100 - Introduction To Supply Chain Management
- MGMT 40500 - Six Sigma And Quality Analytics
- MGMT 46200 - Advanced Manufacturing Planning And Control Systems
- MGMT 46600 - Project Management
- MGMT 46800 - Supply Chain Technology

Notes

- Courses must be completed with minimum grade of C- or better
- Only one course may be shared between two concentrations or between a major and a concentration
