

2016 – 2017

Admission to the Teacher Education Program (TEP), at the undergraduate level and graduate level, is a distinct and unique admission process, separate from admission to Purdue University.

Summary of Teacher Candidate Requirements

To satisfy Teacher Education Program (TEP) requirements for program completion, teacher candidates must:

- Attend one mandatory Teacher Education Orientation session conducted by the Office of Professional Preparation and Licensure (OPPL) and the Office of Field Experiences (OFE) staff;
- Submit the online TEP Application and Signature Form;
- Gain admission to Gates A and B. The TEP application is required for gate A. An application for student teaching is required for Gate B;
- Satisfy all Gate B requirements no later than 10 days prior to the start of the student teaching semester. Content tests must be attempted by July 1 for Fall student teacher candidates and December 1 for Spring student teacher candidates.

To satisfy licensure requirements, teacher candidates must:

- Complete all Gate C licensure requirements;
- Complete all program, degree, and state licensure requirements, such as Cardiopulmonary Resuscitation (CPR)/Heimlich Maneuver/Automated External Defibrillator (AED) certification, Suicide Prevention Certification, successful completion of Pearson content tests, and the successful completion of the Pearson developmental pedagogy test;
- Complete the Indiana Department of Education online teacher license application via the Licensing Verification and Information System (LVIS). This may be completed after graduation or program completion.

Indiana licensing rules and regulations are subject to change by the Indiana Department of Education (IDOE), the State Board of Education, and/or Indiana legislation.

Admission to the Teacher Educator Program and Completion Timeline

Prior to admission into the Teacher Education Program, candidates must:

- Be admitted to Purdue University
- Be admitted to the respective academic college (i.e., Colleges of Agriculture, Education, Health and Human Sciences, Liberal Arts, and Science, and Purdue Polytechnic Institute).
- Be assigned to an academic advisor and consult with this advisor regularly to ensure that the required criteria are met and coursework and testing are successfully completed in the sequence authorized by the Purdue University Teacher Education Council (TEC).

Required Criteria and Suggested Timeline:

- Remain flexible. The length of time to complete the Purdue University Teacher Education Program is determined by academic progress and career planning.
- Additional time may be necessary if the student:
 - Changes the degree objective (CODO) or transfers;
 - Needs to successfully pass required tests;
 - Needs to overcome a grade point average that is below the required Teacher Education Program standard;
 - Pursues an additional major or licensure area; or
 - Encounters other unknown needs or circumstances.
