## SUPPLEMENTAL BCM INFORMATION

**Note:** An assumption is made that some students are already proficient in Microsoft Office – Excel, PowerPoint, Word and Access. If not, the student may want to consider taking CS 11000 or CS 23500, which can be used towards the Lab Science Selective.

**\*Note:** Students may have to take MA 15300 (Algebra & Trigonometry I – 3 credits) first, depending on their math readiness. The pre-requisite for MA 15800 is an ALEKS score of at least 60 or a grade of C- or better in MA 15300 or a Math SAT score of at least 550 or ACT Math 21 or higher.

**BCM ELECTIVE:** Any non-required BCM class (excluding courses for Non- Majors: BCM 13000 and BCM 23000). BIM courses can also be used, such as CGT 36000, CGT 46000, or CGT 46200

**TECHNICAL ELECTIVE:** Any course within the Purdue Polytechnic, Engineering, Management, or approved courses.

**ENGLISH COMPOSITION FIRST YEAR SELECTIVE: Any course from the following:**

ENGL 10600, or ENGL 10800, or ENGL 10100, or ENGL 10200, or ENGL 10300, or ENGL 10400, or ENGL 10500, or ENG W1310, or ENG W1400, or ENG W2330.

### HUMAN RELATIONS SELECTIVE:

PSY 12000 Elementary Psychology

SOC 10000 Introductory Sociology

TLI 11200 Foundations of Org Leadership

OLS 28400 Leadership Principles

TLI 25400 Leading Change in Tech Orgs

### COMMUNICATION SELECTIVE:

Credit in a Foreign Language

COM 31400 Advanced Public Speaking

COM 31500 Speech Communication of Technical Information

COM 31800 Principles of Persuasion

COM 32000 Small Group Communication

COM 32400 Introduction to Organizational Communication

COM 32500 Interviewing: Principles and Practice

COM 41500 Discussion of Technical Problems

AGEC 33100 Principles of Selling in Agricultural Business

**LAB SCIENCE SELECTIVE:** 4 credits in this area are needed for graduation. The courses listed below in bold are 4 or more credit hour courses. You may take two of the 3 credit hour courses instead of one 4 credit hour course. The course(s) must have a lab component. It must not have an online lab component, unless it is a computer class. You must meet all course pre-requisites.

At least one class must be chosen from the following:

Chemistry - CHM 11100, CHM 11200, **CHM 11500, CHM 11600, CHM 12500, CHM 12600, CHM 13600, CHM 20000**

Earth, Atmospheric, and Planetary Sciences - EAPS 11100, EAPS 11200

Physics - **PHYS 21900, PHYS 22100, PHYS 27200**

If taking two 3 credit hour courses, you may choose the second course from the above list or from among the following:

Computer Graphics Technology (CGT) courses: CGT 11000, CGT 11600, CGT 14100, CGT 21100, CGT 21600. (NOT ACCEPTED: CGT 16400, CGT 26200, CGT 36000, CGT 46000, CGT 46200).

Computer and Information Technology courses with a lab such as CNIT 15500, CNIT 17500, CNIT 18000

Computer Science course with a lab such as CS 11000 or CNIT 13600, CS 15800, **CS 17700, CS 18000, CS 23500**

**Other courses may apply, see academic advisor.**

## ENGLISH SELECTIVE

ENGL 42000 Business Writing  
ENGL 42100 Technical Writing

ENGL 30400 Advanced Composition  
ENGL 49000 Worksite Internship Practicum

## CONSTRUCTION WORK EXPERIENCE

A minimum of 800 hours of post high school construction work experience is required for graduation with a baccalaureate degree. Summer construction jobs, CM internships, or CM Co-op programs may be used to satisfy this requirement. To document your work hours, go to the CM website and look for Work Experience Form. That will bring up a writeable PDF file with directions for you to follow. Concentrations require 400 hours of work experience within the concentration.

## PROGRESSION POLICY

Students must meet the following requirements to progress in the CM major. Failure to meet these standards will require the student to CODO out of the School of Construction Management. CM majors must earn a grade of "C-" or better in all BCM courses and all courses that are a prerequisite to a BCM course. The "C-" grade must be earned before enrolling in subsequent courses. BCM courses can be repeated only once.

### Appeal

Students that are not allowed to continue with BCM courses due to the Progression Policy may make a written appeal to the Head of the School of Construction Management if they believe there are extenuating circumstances that caused them to be dropped from the department.

### Departmental Policy

It is the responsibility of each student to assure that he or she fulfills the necessary pre-requisites and courses to meet graduation requirements. Questions may be directed to a CM advisor.

### Organizational Leadership & Supervision Minor

- TLI 11200 Foundations of Org Leadership
- OLS 27400 Applied Leadership (a required course for BCM)
- OLS 28400 Leadership Principles
- TLI 25400 Leading Change in Tech Orgs

Note: TLI 11200, TLI 25400, or OLS 28400 can fulfill the Human Relations Selective, the Technical Elective, or the Free Elective.

### Computer Graphics (BIM) Minor

- CGT 16400 Graphics for CE & Construction (required for BCM)
- CGT 36000 Applications of Construction Documentation I (spring only)
- CGT 46000 Building Information Modeling (BIM) For Commercial Construction (spring only)
- CGT 46200 Applications of Construction Documentation II (fall only)

Note: CGT 36000, CGT 46000, or CGT 46200 can fulfill the Technical Elective, the Free Elective, or the BCM Elective.
