

EEE General Education Program Requirements

Students are strongly encouraged to develop a coherent general education plan, and distribute their general education credits throughout their academic program. The collection of courses used to fulfill this requirement must meet all of the following conditions:

1. Students must select from the list of courses approved by the University Core Council to satisfy each of the six Foundational Learning Outcomes listed below. Some courses may have been approved to meet more than one of the Foundational Learning Outcomes, so fewer than six courses can be used to fulfill this condition. There is no minimum number of credit hours needed to satisfy this component of the College of Engineering General Education Program.

Written Communication (WC)
Oral Communication (OC)
Information Literacy (IL)
Human Cultures: Humanities (H)
Human Cultures: Behavior/Social Science (BSS)
Science, Technology, and Society (STS)

Students must earn a C- or better in courses used to satisfy this component of the EEE General Education Program. The list of approved Foundational Learning Outcomes courses is available at <http://www.purdue.edu/provost/initiatives/curriculum/course.html>.

2. Students must take additional approved courses to reach the minimum requirement of 24 credit hours, selected as follows:

All courses approved by the University Core Council as meeting a Foundational Learning Outcome (see above list).

Courses must be drawn from those offered by the departments of Agricultural Economics, Speech, Language, and Hearing Sciences, Child Development and Family Studies, Communication, Economics, English, Foreign Languages and Literatures, History, Interdisciplinary Studies, Philosophy, Political Sciences, Psychological Sciences, Sociology and Anthropology, Visual and Performing Arts.
